MESSAGE FROM THE CHIEF

Dear Residents,

On behalf of the Mansfield Division of Police I would like to extend our gratitude and appreciation to the citizens of Mansfield for their loyal support during 2015. Together the Mansfield Police and community members were responsible for a 15% reduction in overall crime. This reduction is certainly a result of a healthy relationship between citizens and officers collaborating to make a difference in their neighborhoods. We look forward to 2016, and continuing to solidify our relationship with the citizen of Mansfield.

The Mansfield Division of Police prides itself on our core values which include Integrity, Honesty, Respect, Professionalism, and Self-Discipline. Our officers receive annual training and certifications throughout the year to ensure that we are providing the best service and protection to our citizens. During 2015 the division handled 18 personnel complaints and also received 99 compliments from citizens who received extraordinary service from our officers.

I would like to express my gratitude to the Mayor and Safety Service Director for their continuous support of the division. Our officers and civilian employees will continue to provide exceptional service to our citizens, with a commitment to our core values.

Sincerely,

A handwritten signature in black ink that reads "Kenneth A. Coontz".

Chief Kenneth A. Coontz

OFFICE OF THE ASSISTANT CHIEF

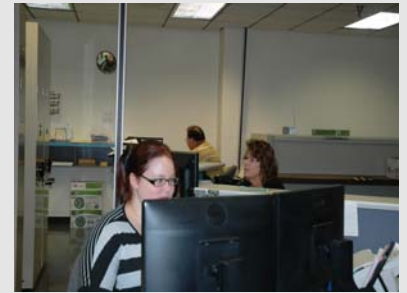

Assistant Chief Keith Porch

The Office of the Assistant Chief consists of six sections, including: Chaplains, Records, Communications Center, Traffic Section, Crime Analysis and I.T. Services.

RECORDS SECTION

The Records Section was successful at maintaining a less than 1% error rate on all electronic report submissions to the Office of Ohio Criminal Justice Services (OCJS) for 2015. Records Section staff at the end of the year consisted of the Operations Supervisor, (4) Record Clerks, (2) Transcriber Clerks, and (1) Police Aide.. Records Clerks processed 13,159 General Offense reports, 1,429 Traffic Crash reports, and 3,825 Citations. They handled 9,069 phone calls for service, 4,023 window customers, and 1,264 requests for service from Officers on station. In addition, they processed 6,782 warrants, 1,332 pieces of incoming mail, 85,393 scanned documents, and 8,090 Record Checks. In addition to routine daily work, Records Clerks performed and/or processed 27,046 miscellaneous tasks and/or documents. Records also collected \$4,377.13 in revenue from public requests. Records Section personnel opened, maintained, and stored criminal case jackets, maintained all criminal records and issued City chauffeur's Licenses. In addition, they also performed a variety of other non-specified tasks in support of the Operations Bureau, the Courts, City offices, and other criminal justice agencies from both local and foreign jurisdictions. The Transcription Unit processed 22 Administrative reports, 168 Confidential reports, 40 Supplemental reports, 988 Victim / Suspect / Witness Statements, 215 Forensic Laboratory reports, and miscellaneous documents.

THE PUBLIC SAFETY COMMUNICATIONS CENTER (PSCC)

The Public Safety Communications Center (PSCC) mission is to provide efficient support services intra-departmentally, effectively liaison with other City departments and serve the needs of the public by supplying helpful information, referrals, and facilitating the delivery of emergency and routine police, fire, and EMS services. The PSCC is under the command of Assistant Chief Keith Porch and the Administrative Lieutenant Douglas Noblet. The current Operations Supervisor is Jerry Botdorf.

CHAPLAIN PROGRAM

The Mansfield Safety Forces Chaplain Corps is entering its twelfth year of ministry since restructuring in 2002. With the ongoing work of our department we look forward to the growth of our opportunities to serve the personnel and families from the Divisions of Police and Fire, as well as the citizens of the city of Mansfield.

ADMINISTRATIVE LIEUTENANT

Administrative Lieutenant Doug Noblet, provided support to the Division (to include the Communications Center), managed the fleet, and was responsible for Division inventory control. Major projects for 2015 included the implementation of the OEM's, LEADS circuit update, P2P setup, JusticeTrax update and the implementation of Everbridge.

POLICE AIDE

The Police Aide position is responsible for all in person citizen contacts and all incoming calls for the Administrative staff and Detective Section, while fielding calls for various other departments within the city complex. Duties also include completing Incident Reports that do not require a sworn Officer, completing 235 such reports this year, and processing 291 Felon Registrations, while performing other administrative duties on a daily basis.

TRAFFIC SECTION

The Traffic Section oversaw a total of eight special events during 2015 including, six parades, the Shawshank Hustle and 13er half marathon. The Traffic Section monitors and administers the Selective Traffic Enforcement Program (STEP) as well as the high Visibility Enforcement Overtime (HVEO) Grant. Both of these initiatives involve identifying high crash areas, through analysis; within the city and assigning directed traffic enforcement in hopes of reducing crashes. The Section also utilized the Division's speed signs, which monitor and save data obtained through its operation. This data is then charted onto a readable form that assists in helping to promote traffic awareness and education in area of reoccurring complaints, concerning speeders. Officers worked 243 STEP details for 729 hours of enforcement time during 2015. A total of 976 citations were issued and 281 written warnings were issued, which equated to 1.34 citations per hour. The Traffic Section also oversaw and assisted in complex investigations such as, DUI cases involving serious injuries or fatalities.

CRIME ANALYST

Crime Analyst (C.A.) continued to provide critical crime data including crime mapping and reports to officers and fill outside requests such as those from neighborhood watch groups and media. She also participated monthly with the NOVCC Collaborative Grant and worked closely to identify agency crime mapping needs. Supervision of the Crime Analyst was transferred to the Assistant Chief's Office under the Administrative Lieutenant's control in the middle of 2015.

COMMUNITY SERVICE BUREAU

Captain Bret Snavelly

The Community Services Bureau is comprised of uniformed patrol and the Neighborhood Impact Section and was commanded by Captain Bret Snavelly.

| Uniform Patrol | 1ST WATCH | 2ND WATCH | 3RD WATCH |
|---------------------|--------------|--------------|--------------|
| Traffic Crashes | 489 | 652 | 178 |
| O.V.I. Arrests | 13 | 37 | 81 |
| Traffic Tickets | 565 | 1,242 | 688 |
| Felony Arrests | 75 | 184 | 103 |
| Misdemeanor Arrests | 222 | 1,103 | 502 |
| Misdemeanor Summons | 683 | 1,758 | 1,121 |
| Felony Warrants | 117 | 228 | 115 |
| Recovered Stolen | \$164,098.00 | \$351,568.00 | \$333,129.00 |

DAY WATCH HIGHLIGHTS

- Officers recovered a stolen vehicle valued at \$10,000.00 and was able to charge a subject with the motor vehicle theft.
- Officers were investigating a domestic violence, in which the suspect fled. The suspect was located driving in a vehicle and upon attempting to stop, a brief vehicle pursuit ensued. The suspect left the vehicle in gear, causing it to strike a police cruiser. After a foot pursuit, the suspect was observed entering a residence on Sycamore Street. While waiting for back-up the suspect exited the residence and was arrested without further incident.
- Officers responded to a bank robbery at the First Merit Bank on Park Avenue West. The suspect from the bank robbery was identified and apprehended moments after the incident.
- Officers attempted to stop a vehicle for a traffic violation when a vehicle pursuit ensued. The suspect was arrested after trying to bail out of the vehicle and then ran from officers. The suspect was found to have a felony warrant for sentencing and was also charged with felony fleeing and eluding.

AFTERNOON WATCH HIGHLIGHTS

- Afternoon Watch Officers were involved in a foot pursuit that started on East 2nd Street and ended on a porch of a residence on Hedges Street. The suspect was charged with multiple offenses and was also suspected of ingesting crack cocaine.
- Officers observed a suspected drug deal occurring on South Main Street. The suspects were contacted and upon investigation money, marijuana, heroin and pills were located and seized. The suspects were arrested without incident.
- Officers responded to the area of Jeanette and Remy in reference to several males with guns in the street. While in route, officers observed a male matching one of the suspects described placing an item in a snow mound when officer exited the cruiser. Officers found a loaded .22 caliber revolver. The suspect was also found to have marijuana on his person.
- Officers responded to a large disturbance at Johns Park. A caller advised a male had a gun. A juvenile was located matching the description and was found with a .32 caliber handgun in his vehicle. Two other subjects were contacted in the area and both found to have drugs. One suspect had crack cocaine, heroin and marijuana and the other suspect had marijuana. In total nearly \$2,300.00 was seized.

NIGHT WATCH HIGHLIGHTS

- Officers apprehended a suspect who broke into several vehicles in the area of Carol Lane. Officers retraced the suspects steps and found the location where the stolen property was hidden and recovered the property.
- A Night Watch Officer heard multiple shots fired in the area of Newman Street and was able to locate 14 spent shell casings at the location. Officers were able to locate the firearm used and also the suspect who was charged.
- Officers were able to recover 3 assault rifles, a hunting rifle and a handgun after a car stop. The firearms were found to be stolen from a burglary that had occurred in Richland County.
- Officers apprehended a suspect after a short foot pursuit and recovered 2 loaded handguns, heroin and marijuana.
- Night Watch Officers assisted the barricaded gunman operation on Randall Road. This was a 27 hour standoff with numerous shots fired at officers.

NEIGHBORHOOD IMPACT SECTION

The Neighborhood Impact Section (NIS) is continually evolving and adapting to change. NIS consisted of five officers and volunteers during 2015. The Regional Neighborhood Watch meetings were at a high functioning level and most members have come to truly

enjoy being combined with other area groups. NIS attended 51 Neighborhood Watch meetings in 2015 between larger regional watch groups and smaller individual groups who prefer to meet within their own areas. There were six Neighborhood Watch groups that met on a regular basis within the city. There were 1310 registered neighborhood watch members. Officers made 110 public appearances which were attended by 3,992 people. These include Neighborhood Watch meetings, Safety Town, tours, Girls Club, Golden Age, D.A.R.E. Events, Police Athletic League (PAL)

Events and various other community events. NIS also

helped organize the first annual Bike-A-Palooza event at North Lake Park. This event gave away bike helmets and registered children's bicycles. NIS mentors youth at the Friendly House through Girls' Club and the after-school program on a weekly basis. NIS participates in knitting, assisting with homework, gymnasium activities, arts and crafts, game room activities and playground activities. NIS assists with monthly senior mentoring through the Golden Age program ran through the Friendly House. NIS also assisted with the DARE Olympics and Safety Town. NIS continued to assist Common Pleas with Drug Court and probation/parole twice a month. In 2015, the unit made over 88 home visits with probation officers and made 18 arrests for various violations.

EXPLORERS:

Neighborhood Impact Section continues to participate with the Explorers with the assistance of Advisor Officer Lumadue. There were fourteen Explorers, two advisors and one civilian advisor in the unit. The Explorers received over 100 hours of instruction and training throughout the year in law enforcement techniques, skills and equipment use.

This training prepared them for the annual Heart of Ohio Law Enforcement Explorer Competition and bi-annual National Law Enforcement Exploring Conference and Competition. MPD Explorer Post 4751 participated in the Ohio Heartland State Competition. The post also completed 713 hours of community service within the community by helping with parades, safety town, D.A.R.E Olympics, Toy Time, Child ID kits at local community events and various other events within the City. During the month of October the youth parked over 10,000 cars for the Haunted Prison Experience working 23 days and over 750 man hours. Also in 2015, The Mans-

field Police Explorer program resurrected the bicycle registration program and sponsored the Bike-A-Palooza event at North Lake Park. Over 60 bicycles were registered and 45 youth participated in the bicycle safety rodeo.

SCHOOL RESOURCE OFFICER:

The School Resource Officer (SRO) is assigned to Mansfield Senior High during the school year. The SRO handled crimes that occurred during the school day including, possession of drugs, fights, threats, domestic violence incidents, runaways, thefts, and bullying. The S.R.O. position entails informally counselling students and giving formal classroom presentations.

D.A.R.E:

Resistance education is the cornerstone of the Divisions drug education program. D.A.R.E. officers were assigned to the Mansfield City Schools and were the Drug Abuse Resistance Educators. During the school year of 2014 to 2015, D.A.R.E. was taught to 311 elementary and 195 middle school students in four different schools, for a total of 506 graduates. Officers also attended the D.A.R.E. Olympics held in May of 2015 with 65 children from Mansfield and Ontario schools. D.A.R.E. officers also participated in summer programs such as “Hooked On Fishing, Not On Drugs” program and assisted in the Safety Town Program.

HONOR GUARD/COLOR GUARD:

The Honor Guard and Color Guard represented the Division at Parades, Division Functions, Funerals, and when requested by the Chief of Police. The officers in the unit trained on a regular basis to become fluid and precise in their movements and gain knowledge of special function protocols.

The Honor Guard and Color Guard represented the department for the Office of the Chief of Police in the following capacities in 2014:

HONOR GUARD:

- OPOTA Fallen Officer Memorial Ceremony
- Veteran’s Day Ceremony at Woodland School
- Second Floor Police Week Memorial Ceremony
- Gravesite Ceremony for Local Fallen Officers

COLOR GUARD:

- Memorial Day Parade
- Veterans Day Parade
- OPOTA Memorial Ceremony in London, Ohio

SPECIAL OPERATION BUREAU

Captain Shari Robertson

The Special Operations Bureau is comprised of the Detective Section, the Forensic Laboratory and the Office of Professional Standards and was commanded by Captain Shari Robertson. Captain Robertson was also designated as the Division's Accreditation Manager and was responsible for overseeing the Division's re-accreditation effort. In 2015, Captain Robertson was also awarded with the Ohio Crime Prevention Association's "Michael Blankenship Member Service Award". This award is given out annually in recognition of a crime prevention officer whose life and work reflects a commitment to the philosophy and mission of the Association.

GRANTS

Captain Robertson managed several grants including the Community Oriented Policing Services (COPS) 2013-2016 Grant, the OCJS Domestic Violence Grant, the PAL Leadership Grant and the Northern Ohio Violent Crime Consortium (NOVCC) grant. Also in 2015, the Division was notified that it had been selected to receive a Community Oriented Policing Services (COPS) grant for \$500,000 to hire additional officers. This grant will allow the Division to hire an additional 4 officers in 2016. In total, over \$1,400,000 in grants were effectively managed.

ACCREDITATION

The Office of Professional Standards worked on Accreditation proofs and compliance standards. Using the newly integrated PowerDMS software program the accreditation process was brought up to date for the Division's 2015 Re-accreditation Assessment Certification. Two CALEA Assessors completed the assessment certification in April of 2015. The Division was successfully awarded CALEA RE-accreditation Certification in July of 2015 at the CALEA Conference in Colorado Springs, Colorado. This was the Division's third consecutive Re-accreditation Certification and clearly displays the Division's commitment to continually applying internationally recognized "best practices" in policing. Currently, only 5% of all law enforcement agencies are CALEA certified.

OFFICE OF PROFESSIONAL STANDARDS:

There were six formal In-Service trainings conducted in 2015. The training included Search Warrants, Clandestine Lab Update, Report Writing Manual Introduction, Defensive Tactics, Simunition Training, Room Clearing, Criminal Intelligence, Employee Assistance Program, Crime Lab Updates, Accreditation On-Site Review, Legal Updates, Annual Field Force, AR-15 Requalification, Cultural Diversity, Domestic Violence, Professional Car Stops and Bias Based Profiling. Officers also attended Annual Re-certifications on Taser, OC Spray, PR-24, ASP, Response to Resistance, Firearms Safety, Specialty/Chemical munitions and Blood Borne Pathogens. All members of the Division received at least four hours of C.P.T, Continued Professional Training, meeting or exceeding the State of Ohio's standard for 2015.

Division personnel received over 3,000 hours of advanced training by diligently seeking training opportunities for overall improvement and sustainment of the Division. Topics included, Ohio Crime Prevention Association Conference, R.A.I.D.E.R Instructor Certification, Firearms Instructor Course, Taser Instructor Course, First Line Supervision, Sex Crimes Investigation, School Resource Officer, Officer Involved Shooting Investigations, Medico-legal Death Investigations, Background Investigations, Radar and Lidar Operator Certification, Datamaster-Intoxilizer Operator Certification, Field Training Officer Course and Hostage Negotiations.

Additionally, four officers graduated from CIT (Crisis Intervention Team) for the mentally ill. Several non-sworn civilian employees received training in computer software/programs, crime lab techniques, and Divisional In-Service trainings. All non-sworn personnel attended in service training on Mental Health Awareness. SWAT leadership attended Ohio Tactical Officers Association Annual Conference where each member was assigned several advanced operations courses. Also in 2015, Division Firearms instructors were worked with to ensure the Division qualified on all individually assigned weapons. The Simunition equipment purchased in 2014 was utilized to bring more realistic training to the Division.

FTO/HIRING/RECRUITMENT

Recruitment efforts were enacted and several recruitment opportunities were attended by officers in 2015. The Civil Service Exam is scheduled for February of 2016. Through the combined efforts of Major Crimes Investigators and the Office of Professional Standards dozens of background investigations were completed on Police Candidates. This led to the Division hiring nine (9) new Officers over the 2015 calendar year. Five (5) of the nine (9) were certified and immediately began the Field Training Process while the other four attended the Ohio State Highway Patrol Academy.

DETECTIVE SECTION

The Detective Section falls under the command of the Special Operations Bureau and was overseen by Lieutenant Robert Skropits in 2015. The Detective Section had two units, the Major Crimes Unit and the Juvenile Crimes Unit in 2015. The Detective Section consisted of one Lieutenant, one Sergeant, and six Detectives. The ICAC Detective position is also housed within this section. One of the four Detectives was specialized through a Domestic Violence Grant. This grant was made possible by the Federal Violence Against Women Act. The Juvenile Crimes Unit consisted of two Detectives. One of the two Juvenile Crimes Detectives was assigned to the Richland County Children Services. In 2015, The Detective Bureau investigated 1,373 cases. This is a decrease from 2014 due in part to a more efficient review of cases prior to assigning them to the Detectives. The two

Major Crimes detectives, investigated 530 cases. A detective assigned to the Domestic Violence Grant, in conjunction with the Federal Violence Against Women Act was assigned 713 cases. The detective arrested 34 defendants for felony charges and 11 defendants for misdemeanor charges. The detective contacted 358 victims of Domestic Violence. The detective attends Domestic Violence Court every other Wednesday throughout the year. The court is run by Judge Jerry Ault, within the Municipal Court System. The detective assigned to the Richland County Children Services, was assigned 99 cases, which 41 of those cases were referrals from RRCS. Included in those numbers were 51 felonies, 15 misdemeanor's and 13 non-criminal cases. The Detective Bureau assigned 140 Runaways, 19 Missing Persons, and served 71 Search Warrants. There were 11 C.O.D.I.S. cases, and 13 A.F.I.S. cases, reviewed. There were three Homicides within the city in 2015, with offender arrests made in each one. The section also handled a few high profile cases including a series of bank robberies which resulted in the identification and apprehension of two of the serial bank robbers in southern Florida.

| Detective Section | 2010 | 2011 | 2012 | 2013 | 2014 | 2015 |

| # Juvenile Arrests | 108 | 43 | 66 | 62 | 73 | 89 |
| Clearance Rate | 39.9% | 34% | 32% | 35% | 60% | 80% |

FORENSIC SCIENCE LABORATORY

Anthony Tambasco
Forensic Scientist

The Forensic Science Section is managed by Section supervisor Anthony Tambasco and includes a DNA Analyst and an Evidence Technician. This Section is responsible for maintaining and securing all evidence seized and/or secured by the Division. The Forensic Science Section is accredited by the "American Society of Crime Laboratory Directors/Laboratory Accreditation Board" (ASCLD/LAB). In 2015, the Section transferred from "ASCLD/LAB" Legacy program to the "ASCLD/LAB International" (ISO) accreditation requirements after an external assessment in January and was awarded The Certificate of Accreditation in the field of Forensic Science Testing was awarded on May 26, 2015. The certificate has an expiration date of May 25, 2020. The Forensic Science Section is currently in the process of preparing for its first ASCLD/LAB-*International* surveillance visit scheduled for January 28, 2016.

Forensic Science Section Scientist/Director Tambasco administered four grants totaling over \$250,000 this past year including the NIJ "Forensic DNA Backlog Reduction" grant, the "Paul Coverdale Award" grant, and 2 other DNA grants.

The Forensic Science Section successfully passed its annual Staff Inspection and unannounced Property Audit. Several quality manuals were reviewed and revised in preparation for the transfer to "ASCLD/LAB International" accreditation. Director Tambasco completed a number of presentations to various law enforcement groups as well as citizen groups and neighborhood watches throughout the year.

MOMENTS OF OPPORTUNITY

The Mansfield Police Division implemented the web-based Moments of Opportunity in Police Service in 2011 with the view that each citizen contact is an opportunity to win the respect, trust, and support of the community. The Division recognizes that the community is the first line of defense against crime and the most essential component in preventing it. Positive contacts will reinforce the community's resolve to help us develop safer neighborhoods through community partnerships and participation. A community's willingness to cooperate is born out of the level of trust, respect, and support they have for their police. All police personnel can leverage public support, trust, and respect by embracing and promoting enhanced customer service in policing. In 2015, 99 compliments were received.

A letter received by the Division:

Thank you again for your overwhelming support during the Pumpkin Glow process. It was an absolute pleasure getting to meet and work with you. The officers were excellent.

A letter received by the Division:

In the morning we were awoken by the door bell ringing and found your patrolman outside our door. They calmly told my husband that our daughters car in the driveway had been broken into and that there were other break-in's in the area during the night. We were fortunate that nothing but chewing gum seemed to have been stolen and that thanks to a K-9 partner, who sent the suspect running, we were spared a worse outcome. In a time when our fine law enforcement and first responders are often disparaged and maligned, we want to offer our thanks to those who work to keep our citizens and neighborhoods safer.

Internal Affairs

Complaints are normally assigned by the Office of the Chief to Section Commanders. In the event the complaint may require a more complex or protracted investigation, the commander of the Special Investigative Section is tasked with the responsibility of completing the probe and is authorized to utilize any resources necessary to complete the investigation. Assistant Chief Keith Porch along with Captain Bret Snively were the divisions representatives assigned to the Police Review/Community Relations Commission which met on a monthly basis during 2015.

The Mansfield Division of Police handled 18 complaints in 2015. Of the 18 complaints, 12 were received from citizens and 6 were internal complaints from within the division.

Of the 12 external complaints investigated, one (1) oral counseling, one (1) written reprimand, three (3) remedial trainings and one (1) suspension were issued. Three (3) of the external complaints were sustained, nine (9) not sustained. Of the six (6) internal complaints investigated, six (6) employees received oral counseling and one (1) written reprimand were issued. There were six (6) open external complaints and one (1) open internal complaint on an officer that was on unpaid administrative leave from the division. The case was investigated and will be going to trial in 2016.

| Internal Affairs | 2011 | 2012 | 2013 | 2014 | 2015 |
|---------------------|--------|--------|--------|--------|--------|
| Citizen Complaints | 16 | 15 | 19 | 20 | 12 |

| Compliments | 76 | 91 | 79 | 81 | 99 |

SPECIAL INVESTIGATIVE SECTION

Reporting to the Chief of Police through Lieutenant Joy Stortz, Special Investigative Unit works a multitude of cases from internal Affairs to complex conspiracy case. Enforcement operations include the METRICH Enforcement Unit and the Crisis Management Team. These consist of the Special Weapons and Tactics Team (SWAT), Disturbance Control Team (DCT), and the Crisis Negotiations Team (CNT).

METRICH

The METRICH Enforcement Unit has now completed its 29th year, and has evolved into a successful law enforcement task force through collaboration and community partnership. The unit, through long and short term investigative strategies, investigates crimes involving drug trafficking, drug abuse, weapons, gang activity, vice related crimes and others. Acting as a fusion center for Richland County, the unit maintains a substantial intelligence database as well as a repository of specialized technical equipment.

In 2015, the METRICH Enforcement Unit in Richland County processed 324 criminal cases. Additionally, the unit conducted 127 search warrants and collected over 3,319 investigative tips and leads. As part of a ten-county multi-jurisdictional task force, METRICH is able to share funding, investigative resources, technical equipment, and investigative leads to maximize the taxpayer benefit through our federal, state and local partnerships.

This organizational structure allows task force officers to identify and respond to emerging trends and threats to community safety. For example, in 2011 the substantial increase in synthetic drug use lead to the collaborated efforts to create a local City Ordinance addressing the use and sell of such products. The ordinance was approved by city council, and officers immediately began enforcing the ordinance. The synthetic drug ordnance was effective, and was eventually shared with surrounding jurisdiction, as well as across the state.

METRICH continues to build upon our community and social service partnerships. These partnerships included 18 demand reduction presentations, continued collaboration with Community Action for Capable Youth (CACY), alcohol compliance checks, the parole and probation partnership, neighborhood watch, the Northern Ohio Violent Fugitive Task Force (NOVFTF), and the Northern Ohio Violent Crime Consortium (NOVCC).

As we look forward to the challenges of organized criminal activity, particularly in light of a depressed economy, the METRICH Task Force can continue to multiply the taxpayer investment by providing effective and professional police services through community partnership and law enforcement collaboration.

SWAT/ASORT

ASORT had seventeen (17) operators during 2015. ASORT lost four (4) SWAT operators during the second half of 2015; two (2) due to administrative functions and two (2) retirements from long standing veteran team members. The operators were from three (3) different agencies collaborating their resources and manpower. The agencies providing manpower and resources work collaboratively with SWAT/ASORT on all call outs.

During the year of 2015, the Allied Special Operations Response Team responded to a total of 18 High Risk calls for service.

- Thirteen (13) of the operations were High Risk Drug & Weapons related search warrants for the METRICH Enforcement Unit.
- One (1) of the operations was a Barricaded Suspect initiated by patrol (Randall Road Incident).
- Two (2) of the operations were a Barricaded Suspect for the Richland County Sheriff's Office.
- One (1) of the operations was a weapons related search warrant for the Richland County Sheriff's Office.
- One (1) of the operations was a Barricaded Gunman in Willard, Ohio for the Huron County Sheriff's Office.

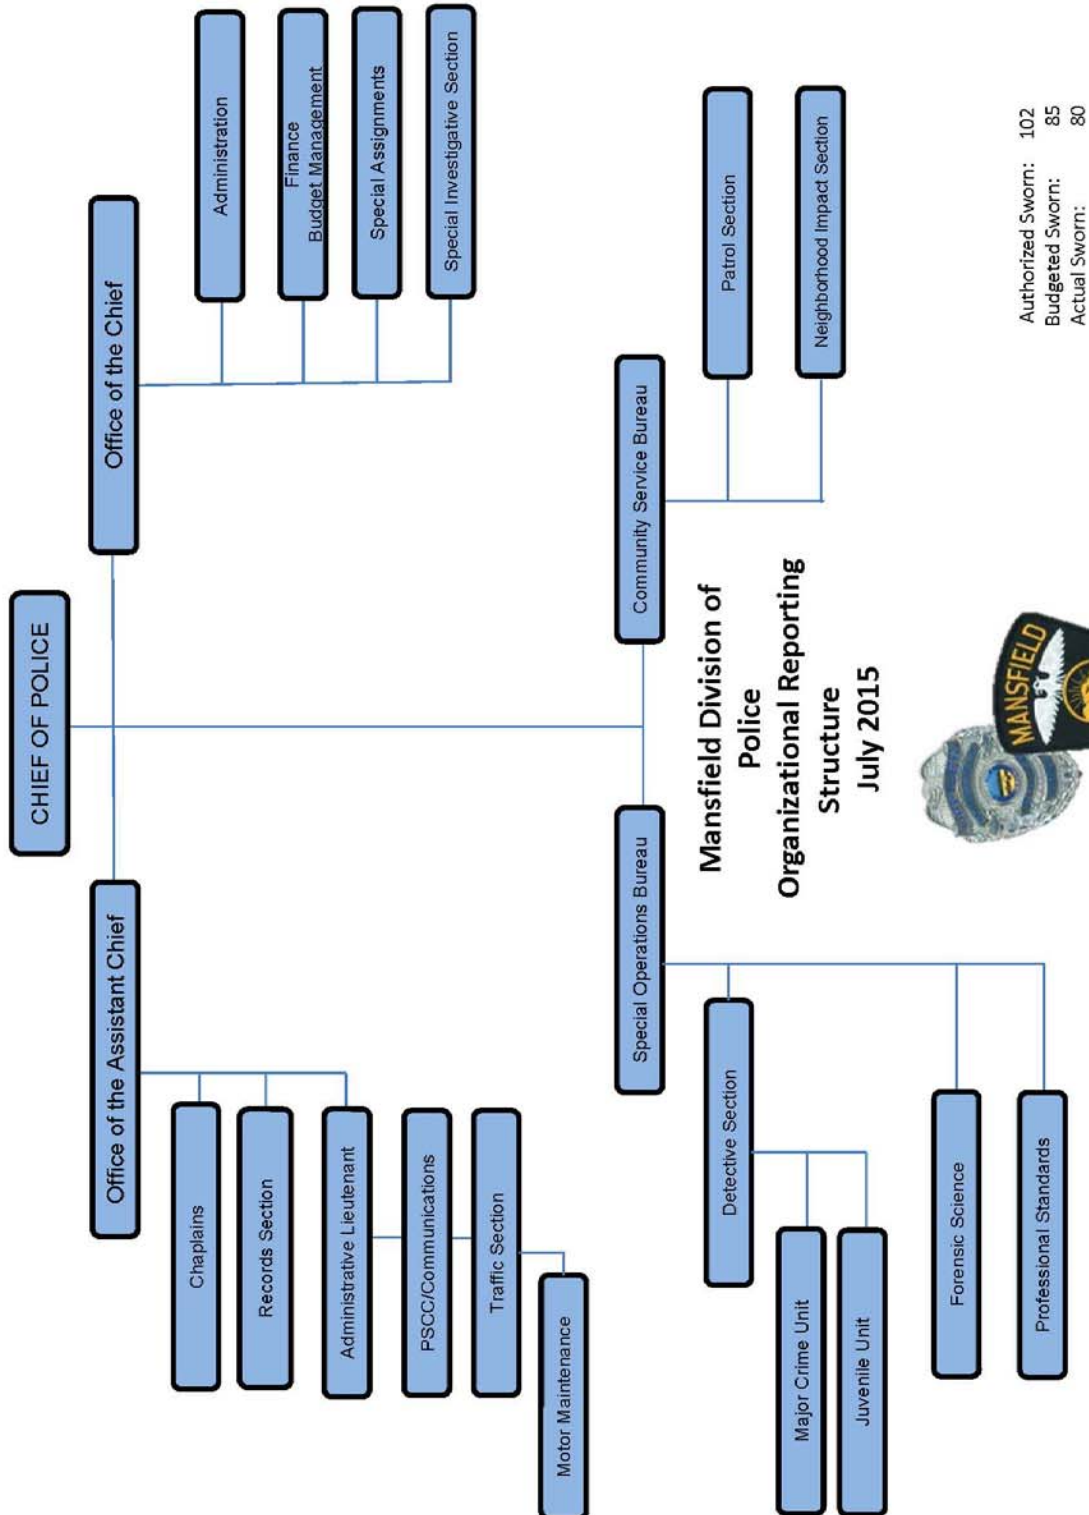

A.S.O.R.T. training consisted of twenty (20) training days. ASORT also conducted a three (3) day team training event. The three day training event included members from the Huron County Tactical Unit. The team trained on topics including problem solving, analytical thinking and decision making. Operators then conducted scenario based exercises in order to develop their skills. ASORT participated in joint scenario based hostage / Barricade incident with HNT at the old Newman Street Elementary school and designated marksmen trained an additional twelve (12) days continuing to work on their defensive marksman field craft and surgical shooting skills.

** On April 27–28, 2015, ASORT handled an unprecedented and protracted Barricaded Gunman incident which eventually involved the collaboration of HNT, Ohio State Highway Patrol SRT and Columbus SWAT for resolution. The Barricade was approximately 27 hours in length, spanning two days and one night. During the incident numerous shots were exchanged between SWAT team operators and the suspect. During the standoff four (4) SWAT operators lives were saved by a hand held ballistic shield that took the impact of several rifle rounds fired by the suspect at the operators in close proximity. This has been the single most challenging tactical event in the history of the ASORT team.
