

2016

MANSFIELD POLICE DIVISION

Integrity · Honesty · Respect · Professionalism · Self-Discipline

ANNUAL REPORT

In 2016, the Mansfield Division of Police proudly reestablished the Motorcycle Unit. The cover picture shows a photo taken of the unit in 1942. During the 1960s the division had three wheel motorcycles in the traffic section that issued parking tickets as well as a two wheel unit that worked patrol. The first two officers who were established in the current unit were trained by the Cleveland Police Division and are now certified instructors for the unit.

The current unit has the honor of participating in parades, funeral processions as well as various community events.

CITY COUNCIL MEMBERS

Mayor Timothy Theaker
Elected November 8, 2011

Safety-Service Director Lori Cope
Appointed December 5, 2011

Dear Residents,

On behalf of the Mansfield Division of Police I would like to extend our gratitude and appreciation to the citizens of Mansfield for their loyal support during 2016. Together the Mansfield Police and community members were responsible for a 2.9% reduction in overall crime. This reduction is certainly a result of a healthy relationship between citizens and officers collaborating to make a difference in their neighborhoods. We look forward to 2017, and continuing to solidify our relationship with the citizen of Mansfield.

The Mansfield Division of Police prides itself on our core values which include Integrity, Honesty, Respect, Professionalism, and Self-Discipline. Our officers receive annual training and certifications throughout the year to ensure that we are providing the best service and protection to our citizens. During 2016 the division handled 19 personnel complaints and also received 160 compliments from citizens who received extraordinary service from our officers.

I would like to express my gratitude to the Mayor and Safety Service Director for their continuous support of the division. Our officers and civilian employees will continue to provide exceptional service to our citizens, with a commitment to our core values.

Sincerely,

Kenneth A. Coontz
Chief Kenneth A. Coontz

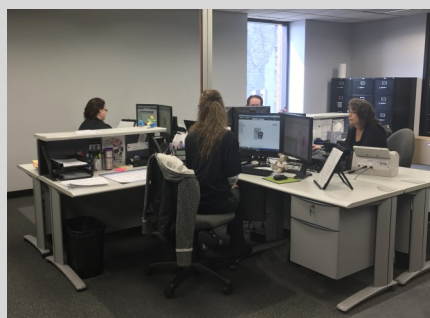

The Office of the Assistant Chief consists of four sections, including: Records, Communications Center, Chaplains, and Information Technology (I.T.) Services.

ASSISTANT CHIEF

KEITH PORCH

RECORDS SECTION

The Records Section was successful at maintaining a less than 1% error rate on all electronic report submissions to the Office of Ohio Criminal Justice Services (OCJS) for 2016. Records Section staff at the end of the year consisted of the Operations Supervisor, (4) Record Clerks, (2) Transcriber Clerks, and (1) Police Aide.

Records Clerks processed 13,579 General Offense reports, 1,382 Traffic Crash reports, and 3,877 Citations. They handled 8,025 phone calls for service, 3,818 window customers, and 788 requests for service from Officers on station. In addition, they processed 7,540 warrants, 1,356 pieces of incoming mail, 30,118 scanned documents, and 7,880 Record Checks. In addition to routine daily work, Records Clerks performed and/or processed 25,583 miscellaneous tasks and/or documents. Records also collected \$4,655.95 in revenue from public requests.

Records Section personnel also opened, maintained, and stored criminal case jackets, maintained all criminal records, issued City chauffeur's Licenses and performed a variety of other non-specified tasks in support of the Operations Bureaus, the Courts, City offices, and other criminal justice agencies from both local and foreign jurisdictions.

The Transcription Unit processed 25 Administrative reports, 134 Confidential reports, 23 Supplemental reports, 887 Victim / Suspect / Witness Statements, 24 Forensic Laboratory reports, and an undetermined number of miscellaneous documents. The Transcription Unit also successfully transitioned to a digital environment in August of this year, resulting in a more effective and efficient work process.

THE PUBLIC SAFETY COMMUNICATIONS CENTER (PSCC)

The Public Safety Communications Center (PSCC) mission is to provide efficient support services intra-departmentally, effectively liaison with other City departments and serve the needs of the public by supplying helpful information, referrals, and facilitating the delivery of emergency and routine police, fire, and EMS services. The PSCC is under the command of Assistant Chief Keith Porch. The current Operations Supervisor is Jerry Botdorf.

CHAPLAIN PROGRAM

The Mansfield Safety Forces Chaplain Corps entered its fifteenth year of ministry since restructuring in 2002. Chaplain Mark Dettmer serves as the Division's Lead Chaplain. With the ongoing work of our department we look forward to the growth of our opportunities to serve the personnel and families from the Divisions of Police and Fire, as well as the citizens of the city of Mansfield.

POLICE AIDE

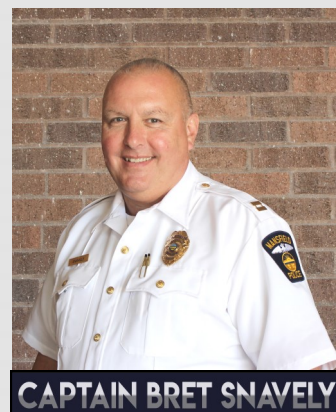

The Police Aide position is responsible for all in person citizen contacts and all incoming calls for the Administrative staff and Detective Section, while fielding calls for various other departments within the city complex. Duties also include taking Incident Reports that do not require a sworn Officer, taking 218 such reports this year, and processing 247 Felon Registrations, while performing other administrative duties on a daily basis.

INFORMATION TECHNOLOGY

The I.T. section implemented several new software programs/systems. In the records section, a new Digital Transcription system was executed. A new Parking Ticket system in the Traffic Section. Many Windows XP systems were removed to strengthen security on the network. A GEO-IP filtering system was also implemented to strengthen the networks security. In the Public Safety Communication Center (PSCC) LEADS Messenger was installed on individuals workstations. The NexGen 911 set up was completed. The Command Vehicle's mobile access point and testing procedure were developed for communications.

The Community Services Bureau is comprised of Uniformed Patrol, Traffic and the Neighborhood Impact Sections and was commanded by Captain Bret Snavely.

CAPTAIN BRET SNAVELY

DAY WATCH HIGHLIGHTS

- Officers responded to a domestic violence type call where a shot was fired within the residence by a male. The male was taken into custody without incident and the gun, which was found to be stolen during a 2013 burglary, was recovered. The male was charged with numerous felony and misdemeanor violations. Officers also recovered \$500 in stolen property.
- Officers had prepared two felony warrants on a subject after the Court discovered the female had used her twin sister's name and information to go through a criminal case proceeding.
- Officers responded to a call in reference to a Domestic Disturbance. Officers encountered a mentally distraught individual with a knife and rope tied around his neck. An officer was able to talk the individual into surrendering without further incident.
- Officers handled an injury accident where a vehicle struck the Holiday-Inn building. Officers generated an OVI from a vehicle stop that also yielded drug paraphernalia and powder cocaine. Collectively Officers were able to recover a total of \$30,500.00 in stolen property being a vehicle and hand tools.
- Officers responded to a subject on Helen Ave threatening suicide with an alleged gun. The subject created a small standoff situation that was ended when the subject was subdued with a Taser.

AFTERNOON WATCH HIGHLIGHTS

- Afternoon Officers arrested a male on a Felony warrant at 303 Newman St and located evidence that led them to believe the male was trafficking "Posh" out of his house. SIU was contacted and took control of the scene.
- Officers investigated two hit skip crashes locate the suspect and arrest him. Officers seized \$2010 in cash and over 5grms of crack cocaine off the suspect.
- Officers responded to a residence on Brookwood Way in reference to a wellbeing check of a suicidal male that turned into a 6 hour standoff with the subject. The subject eventually surrendered without incident.
- Officers made a felony arrest with 3 felony charges after a foot pursuit from a car stop and recovered a loaded pistol; the suspect was wanted from a previous shooting in Mansfield.
- Officers made a felony arrest with 2 felony charges from a citizen complaint about possible drug activity at Mansfield Cemetery and recovered a loaded pistol.
- Officers responded to an attempted robbery of a pizza delivery driver when the driver was pepper sprayed and struck with an object. The driver was able to fight the robbers off.

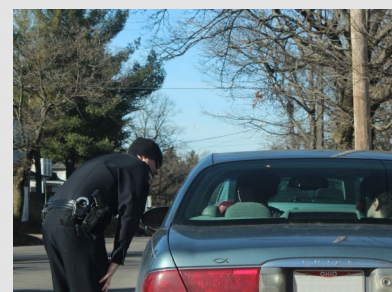

NIGHT WATCH HIGHLIGHTS

- Officers recovered 4 firearms after a loud party/disturbance call on Dunbilt Ct. Two of the firearms were reported stolen out of Richland County Sheriff's Office.
- An Officer's cruiser was struck by a drunk driver while at a red light at the five way. The driver ran from the vehicle and was located shortly after. His blood alcohol test was a .114 .
- Officers responded to a shooting. A victim was located who had been shot in the pelvis. Shortly after arrival officers located the suspect hiding behind a fence across the street with the firearm in his possession.
- Officers responded to a possible home invasion. A short time later two of the possible suspects showed up at Ohio Health MedCentral Hospital with cuts or possible stab wounds. One of the suspects was unconscious.
- Officers responded to an abandoned 911 call and determined that a home invasion with several sexual assaults had occurred at gunpoint. Officers located one suspect and arrested two others for warrants out of Mansfield and a felony aggravated robbery warrant out of another county.

UNIFORM PATROL	1ST WATCH	2ND WATCH	3RD WATCH
Traffic Crashes	521	618	175

Felony Warrants	114	301	91
Recovered Stolen	\$592,059.50	\$453,988.32	\$280,307.00

TRAFFIC SECTION

The Traffic Section oversaw a total of eight special events during 2016 including, six parades, the Shawshank Hustle and 13er half marathon. The Traffic Section monitors and administers the Selective Traffic Enforcement Program (STEP) . This initiative involves identifying high crash areas, through analysis; within the city and assigning directed traffic enforcement in hopes of reducing crashes. The Section also utilized the Division's speed signs, which monitor and save data obtained through its operation. This data is then charted onto a readable form that assists in helping to promote traffic awareness and education in area of reoccurring complaints, concerning speeders. Officers worked 172 STEP details for 516 hours of enforcement time during 2016. A total of 769 citations were issued and 176 written warnings were issued, which equated to 1.49 citations per hour. The Traffic Section also oversaw and assisted in complex investigations such as, DUI cases involving serious injuries or fatalities.

The Neighborhood Impact Section (NIS) is continually evolving and adapting to change. NIS consisted of five officers and volunteers during 2016. The Regional Neighborhood Watch meetings were at a high functioning level and most members have come to truly enjoy being combined with other area groups. NIS attended 66 Neighborhood Watch meetings in 2016 between larger regional watch groups and smaller individual groups who prefer to meet within their own areas. There were eight Neighborhood Watch groups that met on a regular basis within the city. There were 1,367 registered neighborhood watch members. Officers made 160 public appearances which were attended by 5,951 people. These include Neighborhood Watch meetings, Safety Town, tours, Girls Club, Golden Age, D.A.R.E. Events, Police Athletic League (PAL) Events and various other community events. NIS also helped organize the first annual Bike-A-Palooza event at North Lake Park. This event gave away bike helmets and registered children's bicycles. NIS mentors youth at the Friendly House through Girls' Club and the after-school program on a weekly basis. NIS participates in knitting, assisting with homework, gymnasium activities, arts and crafts, game room activities and playground activities. NIS assists with monthly senior mentoring through the Golden Age program ran through the Friendly House. NIS also assisted with the DARE Olympics and Safety Town. NIS continued to assist Common Pleas with Drug Court and probation/parole twice a month. In 2016, the unit made 544 positive contacts with probation officers and made 39 arrests for various violations.

EXPLORERS:

The Mansfield Police Explorer Post 4751 is advised by officers from NIS. Officer Barnes handles the primary responsibilities of the program while relying on Officer Puff and other NIS officers to assist with and be role players for scenarios to prepare the youth for competitions and their future careers in law enforcement. There are currently 10 youth, 6 males and 4 females in the program ranging in age from 15-20 years of age. In 2016 the youth attended over 100 hours of training in law enforcement techniques, skills and equipment use. This training prepared them for their attendance at the annual Heart of Ohio Law Enforcement Explorer Competition in Akron, Ohio and bi-annual National Law Enforcement Exploring Conference/Competition. One of the teams placed first in Bomb Threats, first in First Aid and second place in Burglary in Progress resulting in third place over all in the state competition. The competition was a great learning experience for many of the Explorers and gave them much needed knowledge to prepare for the 2016 Heart of Ohio and National competitions.

While training all year for competitions and learning about law enforcement as a career the post also completed 674 hours of community service within the community by helping with parades, Safety Town, Dare Olympics, Toy Time, Child ID kits at local community events to name a few. The Explorer post continues to be financially self-sufficient because of its partnership with the Mansfield Reformatory Preservation Society (OSR). During the month of October the youth parked over 10,000 cars for the Haunted Prison Experience working 23 days and over 750 man hours. This hard work paid off with a \$20,000 donation to the Explorer Post from OSR. These funds are used to pay for all equipment, uniforms and travel expenses for the Explorer Post members.

The Mansfield Police Explorer program continued the bicycle registration program and assisted with the Bike-a-Palooza event at North Lake Park in May. Over 22 bicycles were registered and 45 youth participated in the bicycle safety rodeo. Over 70 free bicycle helmets were handed out to youth.

SCHOOL RESOURCE OFFICER:

The School Resource Officer (SRO) is assigned to Mansfield Senior High during the school year. The SRO handled crimes that occurred during the school day including, possession of drugs, fights, threats, domestic violence incidents, runaways, thefts, and bullying. The S.R.O. position entails informally counselling students and giving formal classroom presentations.

D.A.R.E:

Resistance education is the cornerstone of the Divisions drug education program. D.A.R.E. officers were assigned to the Mansfield City Schools and were the Drug Abuse Resistance Educators. During the school year of 2015 to 2016, D.A.R.E. was taught to 290 elementary and 400 middle school students in five different schools, for a total of 690 graduates. Officers also attended the D.A.R.E. Olympics held on April 30th of 2016 with 65 children from Mansfield and Ontario schools. D.A.R.E. officers also participated in summer programs such as “Hooked On Fishing, Not On Drugs” program and assisted in the Safety Town Program.

HONOR GUARD/COLOR GUARD:

The Honor Guard and Color Guard represented the Division at Parades, Division Functions, Funerals, and when requested by the Chief of Police. The officers in the unit trained on a regular basis to become fluid and precise in their movements and gain knowledge of special function protocols.

The Honor Guard and Color Guard represented the department for the Office of the Chief of Police in the following capacities in 2016:

HONOR GUARD:

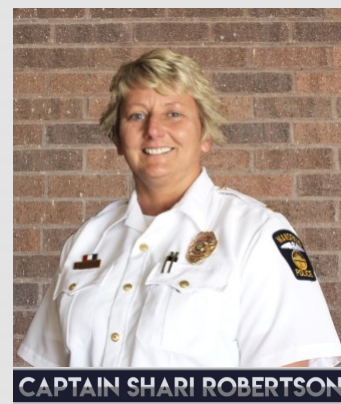

- OPOTA Fallen Officer Memorial Ceremony
- Veteran’s Day Ceremony at Woodland School
- Second Floor Police Week Memorial Ceremony
- Gravesite Ceremony for Local Fallen Officers

COLOR GUARD:

- Memorial Day Parade
- Veterans Day Parade
- OPOTA Memorial Ceremony in London, Ohio

The Special Operations Bureau is comprised of the Detective Section, the Forensic Science Section, Crime Analyst, and the Office of Professional Standards and was commanded by Captain Shari Robertson. Captain Robertson is also designated as the Division's Accreditation Manager and is responsible for overseeing the Division's re-accreditation efforts.

GRANTS

The Division was notified that it had once again been chosen to receive a Domestic Violence grant for \$80,000 to maintain the Family Violence Liaison Officer. This grant award will allow the Division to maintain the FVLO Detective in 2017.

Also awarded was the National Police Athletic League (NPAL) grant award for \$36,000 (at the end of the year) to help maintain the Division's successful youth leadership and mentoring programs.

Captain Robertson continued to oversee and manage several other grants including the 2013-2016 COPS Grant, the 2015-2018 COPS Grant, the 2015 OCJS Domestic Violence Grant, and the Northern Ohio Violent Crime Consortium (NOVCC) grants. In total, over 1.4 million dollars of Division grants were effectively managed.

ACCREDITATION

Captain Robertson continues to manage the accreditation process as well as update CALEA Standards in anticipation of the Division's next Re-accreditation Assessment Certification in the spring of 2018. The Division was successfully awarded CALEA Re-accreditation Certification in July of 2015 at the CALEA Conference in Colorado Springs, Colorado. This was the Division's third consecutive Re-accreditation Certification and clearly displays the Division's commitment to continually applying internationally recognized "best practices" in policing. Currently, only 5% of all law enforcement agencies are CALEA certified.

CRIME ANALYST

Crime Analyst (C.A.) was transferred back into the Special Operations Bureau mid-year in 2016. She worked closely with detectives to provide critical crime data including criminal intelligence to officers as well as fill outside request such as those from neighborhood watch groups and media. She participates monthly with the NOVCC Collaborative Grant initiatives and works closely with Captain Robertson to identify agency crime mapping needs. C.A. began researching and assisting with the Division's newly formed "Focus Deterrence Project" as well as the "Opiate Board". She assisted with the "Gun Violence Initiative" which targeted those identified as using firearms to commit violent crime.

OFFICE OF PROFESSIONAL STANDARDS

There were five formal In-Service trainings conducted in 2016. The trainings included OHLEG and LEADS updates, working with the hearing impaired, Employee Assistance Program, legal updates, evidence collection, below 100 initiative, crime analysis, responding to and handling sexual assaults, crisis intervention with emphasis on the mentally ill, police ethics, taser recertification, culture awareness, NIMS, HAZMAT, annual field force, emergency operations planning, lead exposure, blood borne pathogens, bias based profiling, professional car stops, digital evidence collection, O.C. recertification, PR-24 familiarization, and ASP recertification. All members of the Division received at least eleven hours of Continued Professional Training, meeting or exceeding the State of Ohio's standard for 2016.

Division personnel received over 2,500 hours of advanced training by seeking training opportunities for the overall improvement and sustainment of the division. Topics included special purpose unit K9 evaluator's course, surviving verbal conflict, PELC, cell phone and forensic data recovery, insider threat and media contact and awareness, the P320 armorer certification course, NIMS, hostage rescue, BELOW 100 instructor course, police motorcycle instructor course, crimes against women conference, heroin overdose investigations, basic mobile device investigation program, examining and responding to sexual violence, encountering sovereign citizens, advanced SWAT school, school bombing incidents, and the FBI National Academy.

FTO/HIRING/RECRUITMENT

The Civil Service Exam was given February 20, 2016. The Major Crimes unit and the Special Investigative Section completed more than thirty background investigations that resulted in the hiring of seven new officers from the most current test. In addition, four officers were hired in January of 2016 from the previous civil service test. Five of the officers hired in 2016 were already certified and were able to begin the Field Training Process. The other six attended the Ohio State Highway Patrol Academy. Seven of the eleven officers hired in 2016 have completed the training process. One officer did not complete the academy and the other three were unsuccessful in the Field Training program and submitted their letter of resignation.

DETECTIVE SECTION

The Detective Section falls under the Special Operations Bureau and was overseen by Lieutenant Robert Skropits. The Detective Section consists of the Major Crimes Unit, Internet Crime Against Children (ICAC) unit and the Juvenile Crimes Unit of the Police Department. In addition to the two supervisors, the Section consists of a total of seven (7) detectives who are assigned cases on a daily basis.

In 2016 the Section saw the Internet Crime Against Children (ICAC) unit and its detective become part of the Federal Bureau of Investigation Child Exploitation Task Force. This collaboration has greatly increased the resources available to this detective and opened up prosecution at the Federal level for these crimes. The unit made numerous arrests of child porn “downloaders”, producers and even a traveler

In 2016, the Detective Section investigated 1447 total cases. This is a 5.3% increase from 2015. The Detective Bureau investigated a total of 509 cases. Within the Detective Section’s Major Crimes Unit is a specialized Domestic Violence Detective position made possible through a Domestic Violence grant. The DV Detective handles all domestic violence complaints up to and including Homicide, if it is domestic related. The grant is made possible by the Federal Violence Against Women Act (VAWA) and processed through the Office of Criminal Justice Services (OCJS) in Columbus.

The DV Detective assigned by the grant, totaled 783 DV related cases by himself. He, also, investigated 30 non-related Domestic Violence calls as well as conducting roll call trainings on Domestic Violence laws and DV packets. The DV Detective attends the quarterly DV/SA Collaborative meetings and attends Domestic Violence Court every other Wednesday throughout the year. The court is run by Judge Jerry Ault in the Municipal Court System.

Another specialized Major Crimes Unit position includes a detective that is assigned to handle sexually related criminal cases. These include sexual abuse cases that may be reported or referred to the Section by Richland County Children Services.

The Major Crimes Unit Sexual Assault Detective handles nearly all sexually related cases as well as cases referred by the Richland County Children Services. He was assigned 129 total cases, of which 67 of those cases were referrals from RCCS. Included in those numbers were 83 felonies, 11 misdemeanor cases, and 16 non-criminal cases.

DETECTIVE SECTION	2011	2012	2013	2014	2015	2016
# Cases	764	658	1,639	1,819	1,373	1,447

# Juvenile Arrests	43	66	62	73	89	68
Clearance Rate	34%	32%	35%	60%	80%	86

* 2015 Adult Arrests include DV arrests

The Forensic Science Section is managed by Section supervisor Anthony Tambasco and includes a DNA Analyst and an Evidence Technician. This Section is responsible for maintaining and securing all evidence seized and/or secured by the Division. The Forensic Science Section is accredited by the "American Society of Crime Laboratory Directors/Laboratory Accreditation Board" (ASCLD/LAB). The Forensic Science Section completed its first ASCLD/LAB-*International* surveillance visit performed on January 28, 2016. The report received from ASCLD/LAB on February 11, 2016 indicated that our operations were in conformance with the accreditation requirements of the ASCLD/LAB-*International* program. The Forensic Science Section underwent an ASCLD/LAB *International* off-site review and is scheduled for an on-site expanded surveillance visit in January of 2018.

Forensic Science Section Scientist/Director Tambasco administered four grants totaling over \$250,000 this past year including the NIJ "Forensic DNA Backlog Reduction" grant, the "Paul Coverdale Award" grant, and 2 other DNA grants.

The Forensic Science Section successfully passed its annual Staff Inspection and unannounced Property Audit. Several quality manuals were reviewed and revised in preparation for the transfer to "ASCLD/LAB *International*" accreditation. Director Tambasco completed a number of presentations to various law enforcement groups as well as citizen groups and neighborhood watches throughout the year.

The Mansfield Police Division implemented the web-based Moments of Opportunity in Police Service in 2011 with the view that each citizen contact is an opportunity to win the respect, trust, and support of the community. The Division recognizes that the community is the first line of defense against crime and the most essential component in preventing it. Positive contacts will reinforce the community's resolve to help us develop safer neighborhoods through community partnerships and participation. A community's willingness to cooperate is born out of the level of trust, respect, and support they have for their police. All police personnel can leverage public support, trust, and respect by embracing and promoting enhanced customer service in policing. In 2015, 99 compliments were received.

A LETTER RECEIVED BY THE DIVISION:

I want to take some time to thank you for your service to our community. It's not everyday that people are willing to put their lives at risk to protect others. No one truly understands the sacrifice you make every single day. I want to let you know I'll be praying for you and that you'd have the courage to face tough situations. Thank you for again for your service. I greatly appreciate it.

A LETTER RECEIVED BY THE DIVISION:

I just want to thank all of the officers, detectives, and staff at the Mansfield Police Dept for all that you do. With so much negativity going on across our country, I can only imagine the added tension that you must face. Though I don't live in Mansfield myself, I do work there (it alone keeps everyone busy, I'm sure) and have witnessed firsthand the sincerity and concern for the people of this city. From what I have seen in my personal encounter and those that I have witness indirectly, you have each been incredibly compassionate, diligent and fair in your actions throughout the community. I thank you all for your commitment to the safety and wellbeing of the members of this community, as well as a sincere gratitude for your families for sacrificing the peace of mind that they may have while you are at work.

INTERNAL AFFAIRS

Complaints are normally assigned by the Office of the Chief to Section Commanders. In the event the complaint may require a more complex or protracted investigation, the commander of the Special Investigative Section is tasked with the responsibility of completing the probe and is authorized to utilize any resources necessary to complete the investigation. Assistant Chief Keith Porch along with Captain Bret Snavely were the divisions representatives assigned to the Police Review/Community Relations Commission which met on a monthly basis during 2016.

The Mansfield Division of Police handled 23 complaints in 2016. Of the 23 complaints, 13 were received from citizens and 10 were internal complaints from within the division.

Of the 13 external complaints investigated, one (1) oral counseling, two (2) written reprimand, two (2) remedial trainings and zero (0) suspensions were issued. Five (5) of the external complaints were sustained, seven (7) not sustained and one (1) was determined to be unfounded. Of the ten (10) internal complaints investigated; four (4) employees received oral counseling, two (2) written reprimands were issued, four (4) employees received suspensions, one (1) employee was terminated and one (1) was closed due to the employee receiving a disability retirement before the investigation could be completed.

Internal Complaints	15	6	5	6	10
Estimated Contacts	41,981	42,770	42,081	41,016	41,428
Compliments	91	79	81	99	160

SPECIAL INVESTIGATIVE SECTION

The Special Investigative Section works a multitude of cases from internal Affairs to complex conspiracy case. Enforcement operations include the METRICH Enforcement Unit and the Crisis Management Team. These consist of the Special Weapons and Tactics Team (SWAT), Disturbance Control Team (DCT), and the Crisis Negotiations Team (CNT). Reporting to the Chief of Police through Lieutenant Joy Stortz until she retired in May. Lt. Joseph Petrycki was her successor.

METRICH

The METRICH Enforcement Unit has now completed its 30th year, and has evolved into a successful law enforcement task force through collaboration and community partnership. The unit, through long and short term investigative strategies, investigates crimes involving drug trafficking, drug abuse, weapons, gang activity, vice related crimes and others. Acting as a fusion center for Richland County, the unit maintains a substantial intelligence database as well as a repository of specialized technical equipment.

In 2016, the METRICH Enforcement Unit in Richland County processed 278 criminal cases. Additionally, the unit conducted 78 search warrants and collected over 3,978 investigative tips and leads. As part of a ten-county multi-jurisdictional task force, METRICH is able to share funding, investigative resources, technical equipment, and investigative leads to maximize the taxpayer benefit through our federal, state and local partnerships.

This organizational structure allows task force officers to identify and respond to emerging trends and threats to community safety. For example, in 2011 the substantial increase in synthetic drug use lead to the collaborated efforts to create a local City Ordinance addressing the use and sell of such products. The ordinance was approved by city council, and officers immediately began enforcing the ordinance. The synthetic drug ordinance was effective, and was eventually shared with surrounding jurisdiction, as well as across the state.

METRICH continues to build upon our community and social service partnerships. These partnerships included 18 demand reduction presentations, continued collaboration with Community Action for Capable Youth (CACY), alcohol compliance checks, the parole and probation partnership, neighborhood watch, the Northern Ohio Violent Fugitive Task Force (NOVTF), and the Northern Ohio Violent Crime Consortium (NOVCC).

As we look forward to the challenges of organized criminal activity, particularly in light of a depressed economy, the METRICH Task Force can continue to multiply the taxpayer investment by providing effective and professional police services through community partnership and law enforcement collaboration.

SWAT/ASORT

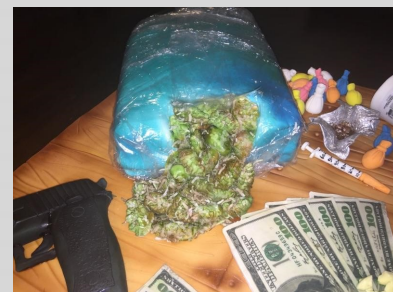

ASORT had 16 operators for the year of 2016.

During 2016, the ASORT team responded to a total of 17 High Risk Calls for service.

- Ten (12) of the operations were High Risk Drug & weapons related search warrants for the METRICH enforcement unit.
- One (1) of the operations was a Barricaded suspect initiated by MPD Patrol (N. Brookwood Way)
- One (1) of the operations were Barricaded Gunman initiated by the Richland County Sheriff Office (Floral Court)

One (3) of the operations was a High Risk Drug & Weapons related search warrant for Ashland County METRICH enforcement unit. (Ashland City and Loudonville, Ohio)

SWAT / ASORT lost operator Joseph Petrycki in 2016 after he resigned his position from the team as long standing rifle marksman and team commander.

***Photographs of the cake made celebrating METRICH'S 30th year.

SWAT / ASORT training consisted of 20 training days. SWAT / ASORT Unit also attended the OTOA (Ohio Tactical Officers Association) conference as a team. During the OTOA training conference the team trained on topics including leadership development, problem solving, analytical thinking, decision making, breaching, ballistics and firearms. ASORT participated in joint scenario based hostage/Barricade incident with CNT at the old First Merit building in Ontario, Ohio. SWAT / ASORT designated marksmen trained an addition twelve (12) days continuing to work on their defensive marksman field craft and surgical shooting skills.

ASORT / SWAT added four (4) new members to the team. All four attended and graduated the North American SWAT Association (NASTA) basic and advanced SWAT school.

With the assistance of the Chiefs of Police, city administration and Fire department, SWAT / ASORT initiated a TEMS (Tactical EMS) program. This program added 3 fire medics who were subsequently trained as Tactical SWAT Medics. The TEMS operators train with SWAT during all training days and adhere to the SWAT physical fitness standards. TEMS operators also deploy with SWAT on all call outs providing basic first aid, team well-being to life saving measures for both the team and the public during a high risk incident.

To enhance team capabilities SWAT / ASORT was able to purchase a NATO (rifle rated) shield as a result of the 2015 protracted Randall Rd. standoff.

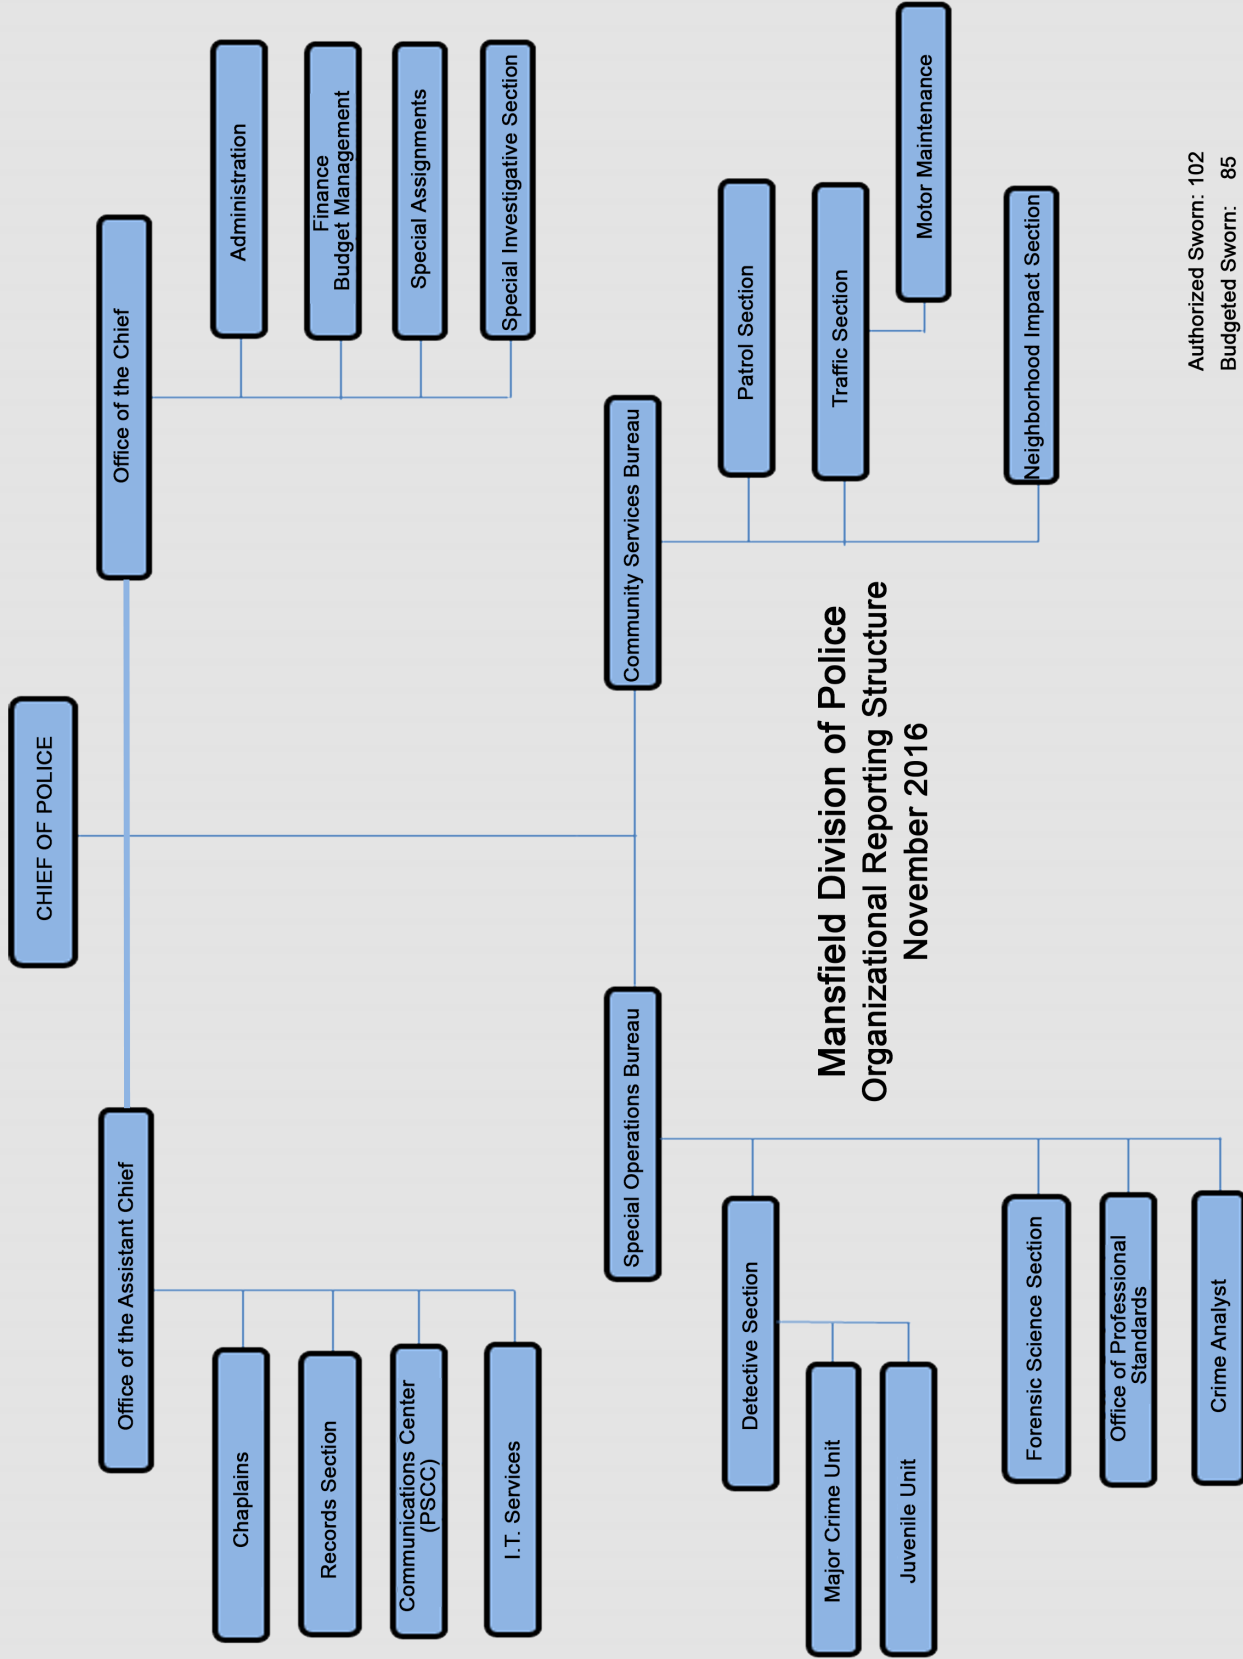

SWAT / ASORT researched, developed and tested new physical fitness standards for the team based on operator task performance analysis. The new fitness standards were implemented for 2017.

SWAT / ASORT made several public appearances throughout the year participating in; LE days for Richland & Knox County, North Lake Park event, 200th Redhorse family day, Boy Scouts of America, 4th of July and Veterans appreciation day and Lexington High School career day.

SWAT / ASORT also competed in the 1st inaugural Rastin Police and Fire challenge at foundation Park, Knox County, Ohio. Operators took 1st place in the SWAT obstacle challenge.

LIEUTENANT JOY R. STORTZ announced her retirement from the Mansfield Division of Police effective May 6, 2016.

Lieutenant Stortz was appointed to the department on August 7, 1990, promoted to Sergeant on July 2, 1998 and to Lieutenant on August 7, 2012.

As a new Patrol Officer she was assigned to the Patrol Bureau. She continued in the Patrol Bureau after her promotion to Sergeant until being assigned to the Special Investigation Section on April 29, 2008. She remained in that position until her promotion to Lieutenant and returned to the Community Services Bureau's Patrol Section as Watch Commander of the Third Watch on February 14, 2012. On September 26, 2014 she returned as Commander of the Special Investigative Section and has been instrumental in numerous METRICH activities resulting in the removal of

illegal drugs from the district.

During her career she graduated from the Police Executive Leadership College in 2007. She is a certified Instructor of Cultural Diversity, Missing, Abused and Neglected Children, Domestic Violence and is the department's Defensive Tactics Team Instructor and Technical Crash Investigator and was an FTO Supervisor. She received numerous educational and training certifications throughout her career. Lieutenant Stortz is an Instructor at the North Central Technical College's Basic Police Academy.

Lieutenant Stortz's retirement represents a loss to the Mansfield Division of Police and the METRICH Unit and culminates a career that has exemplified the best qualities of a law enforcement professional. She is known for her hard work, dedication, initiative and positive attitude toward her work, co-workers and the citizens. She has received numerous Special Commendation Awards and letters of recognition.
