

MANSFIELD DIVISION OF POLICE

2017 ANNUAL REPORT

ABOUT THE COVER

For the first time in its history, the K-9 unit had five active canine partners during 2017. Also, with the retirement of Officer Hornback; Sergeant Sara Mosier-Napier took over the leadership and training roll of the unit.

The K-9 unit began in the late 1970's. Robert Ray was the first officer in the division to have a canine partner; but died unexpectedly shortly after the unit launched.

MESSAGE FROM THE CHIEF

Dear Residents,

The Mansfield Division of Police has worked diligently throughout 2017 to serve our community members. We are proud to announce that through this community collaboration, we have seen a -7% reduction in overall PART 1 crimes. This reduction is a result of a healthy relationship between citizens and officers collaborating to make a difference within their neighborhoods. We look forward to 2018, and continuing to solidify our relationship with the citizen of Mansfield.

The Mansfield Division of Police prides itself on our core values which include Integrity, Honesty, Respect, Professionalism, and Self-Discipline. Our efforts are centered on a Community Policing Philosophy and engaging our community. We engage the community through programs such as Safety Town, D.A.R.E., Police Athletic League, Friendly House's After-School Program, Explores Club, and many other community events. We remain committed to the safety and protection of our citizens.

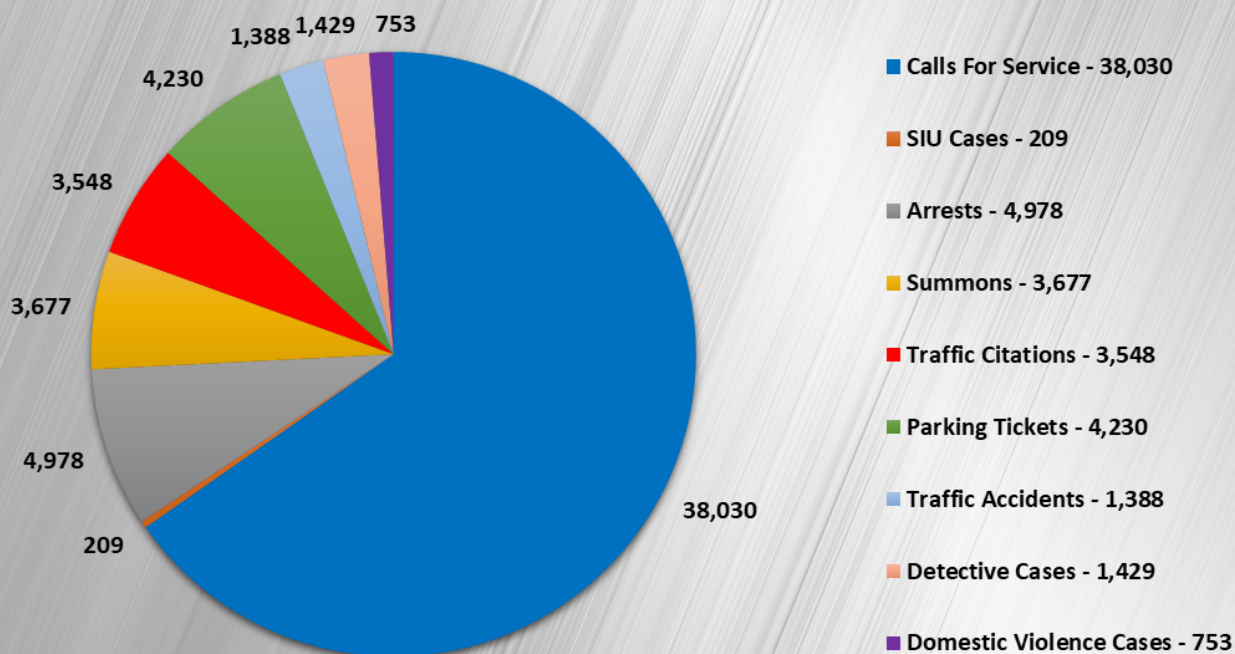

During 2017 the division handled 37 personnel complaints and also received 74 compliments from citizens who received extraordinary service from our officers. The Mansfield Division of Police responded to 38,030 calls for service during 2017 and we made 4,978 arrest.

Sincerely,

A handwritten signature in black ink that reads "Kenneth A. Coontz".

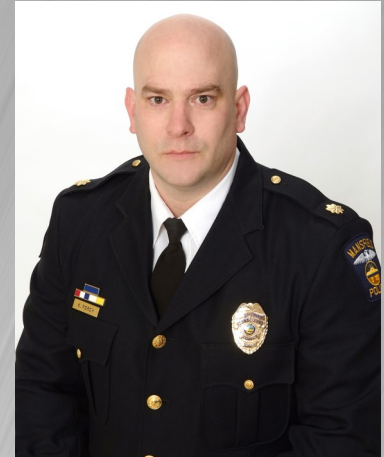

Chief Kenneth A. Coontz

OFFICE OF THE ASSISTANT CHIEF

ASSISTANT CHIEF KEITH PORCH

The Office of the Assistant Chief consists of four sections, including: Chaplains, Records Section (including Police Aide), Public Safety Communications Center, and Information Technology Services.

RECORDS SECTION

The Records Section was successful at maintaining a less than 1% error rate on all electronic report submissions to the Office of Ohio Criminal Justice Services (OCJS) for 2017. Records Section staff at the end of the year consisted of the Operations Supervisor, (4) Record Clerks, (2) Transcriber Clerks, and (1) Police Aide.

Records Clerks processed 13,995 General Offense reports, 1,388 Traffic Crash reports, and 3,548 Citations. They handled 8,209 phone calls for service, 3,687 window customers, and 592 requests for service from Officers on station. In addition, they processed 7,312 warrants, 1,288 pieces of incoming mail, 22,880 scanned documents, and 7,462 Record Checks. In addition to routine daily work, Records Clerks performed and/or processed 22,096 miscellaneous tasks and/or documents. Records also collected \$4,464.90 in revenue from public requests.

Records Section personnel also opened, maintained, and stored criminal case jackets, maintained all criminal records, issued City chauffeur's Licenses and performed a variety of other non-specified tasks in support of the Operations Bureaus, the Courts, City offices, and other criminal justice agencies from both local and foreign jurisdictions.

The Transcription Unit processed 26 Administrative reports, 81 Confidential reports, 37 Supplemental reports, 803 Victim / Suspect / Witness Statements, 34 Forensic Laboratory reports, and an undetermined number of miscellaneous documents.

POLICE AIDE

The Police Aide position is responsible for all in person citizen contacts and all incoming calls for the Administrative staff and Detective Section, while fielding calls for various other departments within the city complex. Duties also include taking Incident Reports that do not require a sworn Officer, taking 217 such reports this year, and processing 304 Felon Registrations, while performing other administrative duties on a daily basis.

CHAPLAIN PROGRAM

The Mansfield Safety Forces Chaplain Corps is entering its fifteenth year of ministry since restructuring in 2002. With the ongoing work of our department we look forward to the growth of our opportunities to serve the personnel and families from the Divisions of Police and Fire, as well as the citizens of the city of Mansfield.

THE PUBLIC SAFETY COMMUNICATIONS CENTER (PSCC)

The Public Safety Communications Center (PSCC) mission is to provide efficient support services intra-departmentally, effectively liaison with other City departments and serve the needs of the public by supplying helpful information, referrals, and facilitating the delivery of emergency and routine police, fire, and EMS services. The PSCC is under the command of Assistant Chief Keith Porch. The current Operations Supervisor is Jerry Botdorf.

In April, dispatchers were recognized at the Ohio Gold Star Awards with a Double Gold Award for their tireless efforts during a 26 hour stand off; logging and communicating critical pieces of information.

Dispatchers began training for the implementation of ProQA Dispatch Software in 2018. This software helps emergency dispatchers move through case entry and key questioning. It also assists in quickly identifying appropriate codes for each case and guides in providing all relevant instructions for each call.

INFORMATION TECHNOLOGY

The I.T. section implemented several software programs as well as upgrading existing programs and updated to a newer and more secure connection. A new Internal Affairs software (IAPro) along with its companion software (Blue Team) was installed throughout the division for the implementation to begin January 1, 2018. The division server was replaced and an upgrade was made for the law enforcement communication software. Car computers were updated and e-Citations (citation printing software) was installed.

GRANTS

While the Office of the Assistant Chief oversees several grants, this year they received funds from the Ohio Attorney General's Law Enforcement Diversion Program Grant. The grant funds are being used to assist Opiate Response Team (OTR) which is structured to work with six law enforcement agencies, multiple treatment providers and several advocacy organizations within Richland County. The OTR team consists of an officer, a treatment professional and an advocate who will go out to the residence of a person that has overdosed two or more times in the last year. The purpose of the team is to perform an on-site outreach of the individual and engage them in treatment. Also, a resource packet is being distributed by uniform officers responding to an overdose to those affected.

CAPTAIN BRET SNAVELY

The Community Services Bureau is comprised of uniformed patrol and the Neighborhood Impact Section and was commanded by Captain Bret Snavely.

DAY WATCH HIGHLIGHTS

- Officers responded to a suspicious call on Dillon Road, which resulted in the felony arrest for murder for a domestic violence/attempted suicide of the suspect.
- Officers responded to a mental person in crisis. The individual had struck a neighbors door several times with a knife and made threats to officers. Dispatch and officers talked the individual out of the apartment where she was committed to the hospital.
- Officers investigated a possible live, found Mortar Round in an outside shed. Officers evacuated the area and Ashland Bomb Squad responded and took the devise.
- Officers investigated a shooting and arrested a suspect who was still armed.
- Officers responded to a bank robbery on Lexington Avenue, found the vehicle which led to a vehicle pursuit and felony arrest of suspect.
- School Resource Officer received information that a student was planning on committing a school shooting. Officer located the student and obtained a confession and committed the student for a psychological evaluation.

AFTERNOON WATCH HIGHLIGHTS

- Officers located a male with a felony warrant for a sex crime out of Montgomery. The male was taken into custody without incident. Detective was called in as the male was attempting to destroy a computer.
- Officers responded to a call of domestic violence that turned out to be a felonious assault, kidnapping and rape. Officers went to the resident and set up a perimeter due to the knowledge of weapons. After a short time and numerous commands, the subject was taken into custody without incident.
- Off-duty officer assisted in saving the life of a 10 year old male that was drowning in a pool.
- Officers spent time at the Friendly House for a basketball tournament involving schools from all over the county.
- Officer observed a male removing a pistol from his vehicle and sticking it in his pants pocket. The officer had knowledge that the subject was on probation and had past drug offenses and was not to be in possession of a firearm. The officer also found 12.7 grams of powder cocaine. Felony warrants were typed and the subject was incarcerated.
- An officer while investigating a crash, observed a driver concealing an item in his jacket pocket. It was found to be a defaced firearm and the driver was in possession while under disability. Felony warrants were typed.

NIGHT WATCH HIGHLIGHTS

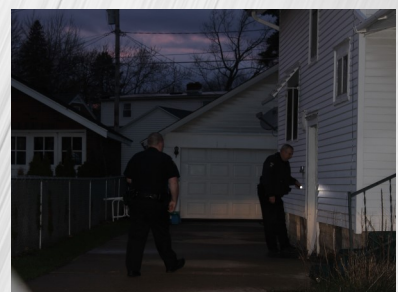

- Officers responded to the area of Florence in reference to a shooting. A female was found with a gunshot wound to the chest. Seven rifle rounds were located.
- Officers arrested a male subject for a felony OVI; his fourth in six years.
- Officers responded to a vehicle fire in the area of Dunbilt Court, which was determined to be an arson.
- Officers arrested a male while conducting an assist/check the wellbeing for a Texas police department. Officers recovered a body of a female homicide victim in the rear of the vehicle.
- Officers responded to a fight call at a bar in which the caller advises that 30-40 subjects were involved in a fight. Upon arrival, there was a large crowd of bar patrons in the street/parking lot area arguing. After officers warned the crowd to leave, a fight broke out between numerous subjects. Four females were arrested who were part of the active fight and incarcerated.

UNIFORM PATROL	1ST WATCH	2ND WATCH	3RD WATCH
Traffic Crashes	443	723	159
O.V.I. Arrests	16	55	74
Traffic Tickets	704	1,270	798
Felony Arrests	112	192	88
Misdemeanor Arrests	464	886	570
Misdemeanor Summons	900	1,640	1,155
Felony Warrants	169	245	90
Recovered Stolen	\$363,636.00	\$501,879.63	\$220,678.00

TRAFFIC SECTION

The Traffic Section oversaw a total of eight special events and 26 special details during 2017 including, several parades, numerous 5K runs, and the 13er half marathon. The Traffic Section monitors and administers the Selective Traffic Enforcement Program (STEP) which is an initiative that involves identifying high crash areas through analysis. Locations are assigned within the city for directed traffic enforcement in hopes of reducing traffic accidents. Officers worked 122 STEP details for 366 hours of enforcement time during 2017, a decrease of 29.07% from 2016. 495 Citations were issued, a decrease of 35.64% and 184 written warnings, an increase of 4.4% from 2016.

The Traffic Section also utilized the Division's speed signs which monitor and save data obtained through its operation. This data is charted into a readable form that assists in helping promote traffic awareness and education in areas of reoccurring complaints concerning speeding.

NEIGHBORHOOD IMPACT SECTION

The Neighborhood Impact Section (NIS) is continually evolving and adapting to change. NIS consisted of five officers and volunteers during 2017. The Regional Neighborhood Watch meetings were at a high functioning level and most members have come to truly enjoy being combined with other area groups. NIS attended 78 Neighborhood Watch meetings in 2017 between larger regional watch groups and smaller individual groups who prefer to meet within their own areas. There were eight Neighborhood Watch groups that met on a regular basis within the city. Officers made 222 public appearances. These include Neighborhood Watch meetings, Safety Town, tours, Girls Club, Golden Age, D.A.R.E. Events, Police Athletic League (PAL) Events, Hooked on Fishing, and various other community events. NIS also helped organize the Bike-A-Palooza event at North Lake Park. This event gave away bike helmets and registered children's bicycles. NIS mentors youth at the Friendly House through Girls' Club and the after-school program on a weekly basis. NIS participates in knitting, assisting with homework, gymnasium activities, arts and crafts, game room activities and playground activities. NIS assists with monthly senior mentoring through the Golden Age program ran through the Friendly House. NIS also assisted with the DARE Olympics and Safety Town. The Child Identification Program expanded from three events to seven events throughout Richland County; in which the Law Enforcement Community was able to provide 316 families with discs storing the child's information in case of emergencies. NIS continued to assist Common Pleas with Drug Court and probation/parole twice a month.

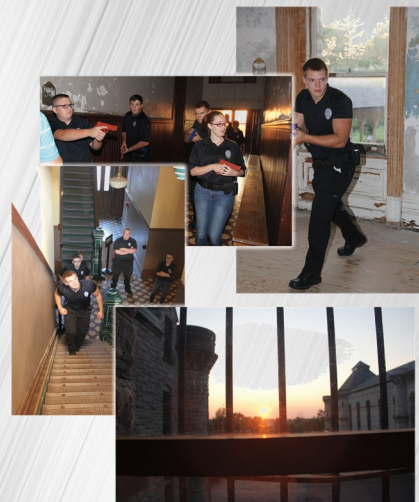

EXPLORERS:

The Mansfield Police Explorer Post 7751 is supervised by officers from NIS. There are currently 10 youth, 5 males and 5 females in the program ranging in age from 15-18 years of age. In 2017 the youth attended over 100 hours of training in law enforcement techniques, skills and equipment use. This training prepared them for the annual Heart of Ohio Law Enforcement Explorer Competition and bi-annual National Law Enforcement Exploring Conference/Competition. The Mansfield Police Explorer Post attended the Heart of Ohio Competition in Columbus, OH. The unit sent two teams this year. One of the teams placed fifth overall in the competition while the other team placed sixth with a second place finish in domestic violence. The competition was a great learning experience for many of the Explorers and gave them much needed knowledge to prepare for the 2018 Heart of Ohio and National competitions.

While training all year for competitions and learning about law enforcement as a career the post also completed 476 hours of community service within the community by helping with parades, safety town, Dare Olympics, Child ID kits at local community events to name a few. The Explorer post continues to be financially self-sufficient because of its partnership with the Mansfield Reformatory Preservation Society (MRPS). During the month of October and November the youth parked over 10,000 cars for the Haunted Prison Experience working 12 days and over 534 man hours. This hard work paid off with a \$16,680.00 donation to the Explorer Post from MRPS. These funds are used to pay for all equipment, uniforms and travel expenses for the Explorer Post members.

The Mansfield Police Explorer program continued the bicycle registration program and assisted with the Bike-a-Palooza event at North Lake Park in May. Over 22 bicycles were registered and 63 youth participated in the bicycle safety rodeo. Over 70 free bicycle helmets were handed out to youth. The post is planning to continue with this annual event to keep the Posts high visibility in the community.

SCHOOL RESOURCE OFFICER:

The School Resource Officer (SRO) is assigned to Mansfield Senior High during the school year. The SRO handled crimes that occurred during the school day including, possession of drugs, fights, threats, domestic violence incidents, runaways, thefts, and bullying. The S.R.O. position entails informally counselling students and giving formal classroom presentations.

D.A.R.E:

Resistance education is the cornerstone of the Divisions drug education program. D.A.R.E. officers were assigned to the Mansfield City Schools and were the Drug Abuse Resistance Educators. During the school year of 2016 to 2017, D.A.R.E. was taught to 305 elementary and 256 middle school students in five different schools, for a total of 561 graduates. Officers also attended the D.A.R.E. Olympics held on March 11, 2017 with 80 children from Mansfield and Ontario schools. A Hi-Five program was implemented where the officer went into the elementary schools and taught kids that it was ok to talk to police officers & not to be afraid when they made contact with officers. D.A.R.E. officers also participated in summer programs such as “Hooked On Fishing, Not On Drugs” program with 272 in attendance and assisted in the Safety Town Program.

HONOR GUARD/COLOR GUARD:

The Honor Guard and Color Guard represented the Division at Parades, Division Functions, Funerals, and when requested by the Chief of Police. The officers in the unit trained on a regular basis to become fluid and precise in their movements and gain knowledge of special function protocols.

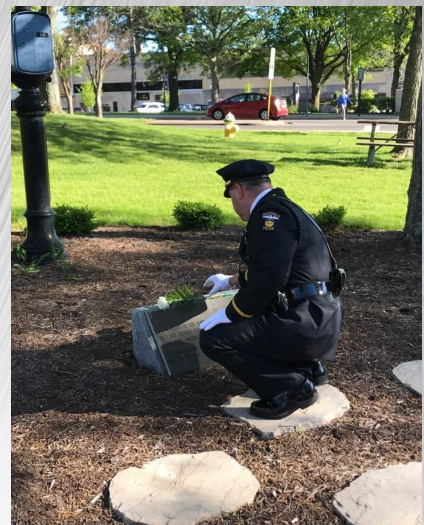

The Honor Guard and Color Guard represented the department for the Office of the Chief of Police in the following capacities in 2017:

HONOR GUARD:

- OPOTA Fallen Officer Memorial Ceremony
- Veteran’s Day Ceremony at Woodland School
- Second Floor Police Week Memorial Ceremony
- Gravesite Ceremony for Local Fallen Officers
- National Police Memorial Week, Washington D.C.

COLOR GUARD:

- Memorial Day Parade
- Veterans Day Parade
- OPOTA Memorial Ceremony in London, Ohio

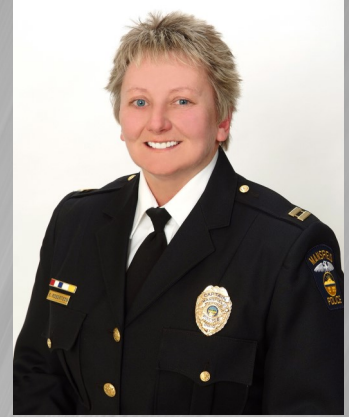

MOTOR UNIT:

Two officers completed an 80 hour advanced certification course. Two other officers completed a two week basic certification course. All officers participated in six monthly training days. During the training a total of 352 combined hours of training hours, including course work, cone obstacles, as well as road riding parallel and in tandem. The unit appeared in nine public events; including funeral services, Parades, Touch A Truck event, Shawshank and 13er marathons, Safe Summer Fridays, Donut Dash 5k, and the O’Charley’s LE Appreciation day for a total of 39 hours of public relations. The division owns two motorcycles; consumed 53.3 gallons of fuel.

SPECIAL OPERATIONS BUREAU

CAPTAIN SHARI ROBERTSON

The Special Operations Bureau is comprised of the Detective Section, the Forensic Science Section, Crime Analysis and the Office of Professional Standards and was commanded by Captain Shari Robertson. Captain Robertson was also designated as the Division's Accreditation Manager and was responsible for overseeing the Division's re-accreditation effort.

GRANTS

The Division was notified that it had once again been chosen to receive a Domestic Violence grant for \$80,000 to maintain the Family Violence Liaison Officer. This grant award will allow the Division to maintain the FVLO Detective in 2017.

Also awarded was the National Police Athletic League (NPAL) grant award for \$36,000 to help maintain the Division's successful youth leadership and mentoring programs.

Captain Robertson continued to oversee and manage several other grants including the 2013-2016 COPS Grant, the 2015-2018 COPS Grant, the 2015 OCJS Domestic Violence Grant, and the Northern Ohio Violent Crime Consortium (NOVCC) grants. In total, over 1.4 million dollars of Division grants were effectively managed.

ACCREDITATION

Captain Robertson continues to manage the accreditation process as well as update CALEA Standards in anticipation of the Division's next Re-accreditation Assessment Certification in the spring of 2018.

The Division was successfully awarded CALEA Re-accreditation Certification in July of 2015 at the CALEA Conference in Colorado Springs, Colorado. This was the Division's third consecutive Re-accreditation Certification and clearly displays the Division's commitment to continually applying internationally recognized "best practices" in policing. Currently, only 5% of all law enforcement agencies nationwide are CALEA certified.

CRIME ANALYST

Crime Analyst (C.A.) worked closely with detectives to provide critical crime data including criminal intelligence to officers as well as fill outside request such as those from neighborhood watch groups and media. She participates monthly with the NOVCC Collaborative Grant initiatives and works closely with Captain Robertson to identify agency crime mapping needs. C.A. began researching and assisting with the Division's newly formed "Focus Deterrence Project" as well as the "Opiate Board". She assisted with the "Gun Violence Initiative" which targeted those identified as using firearms to commit violent crime.

OFFICE OF PROFESSIONAL STANDARDS

There were four formal In-Service trainings conducted in 2017. The trainings included, Biased Based Profiling, Professional Car Stops, OC Re-Certification, Gangs, Practical Application of Force, The Hopper Act, Community Policing, EAP/EEO, Legal Update, Professional Car Stops, Taser recertification, Health and Wellness, eCitations, Blood Borne Pathogens, Crime Lab Updates, Sexual Assaults, Culture Diversity, Pursuits and Forcible Stops, PR-24 Familiarization, Hazmat Awareness, NIMS and Field Force Emergency Operations Planning and Considerations. All members of the Division received at least twenty hours of C.P.T., Continued Professional Training, meeting or exceeding the State of Ohio's standard for 2017.

Division personnel received over 4,500 Hrs. of advanced training in addition to the over 1500 Hrs. of C.P.T.'s that the State of Ohio required this year. Topics included P.E.L.C., N.A.R.C.O., Internal Investigations that was attended by members of the Command Staff, First Line Supervision, Taser Instructor, Active Shooter (Train the Trainer), Advance Hostage Negotiation,

SigP320 Armorer School, Street Survival, Drug Interdiction, Advance C.I.T., O.T.O.A. conference (Attended by the entire S.W.A.T./A.S.O.R.T. team), A.L.I.C.E. Training, Advance Medicolegal Forensic School, C.A.L.E.A. Conference, Why Teens kill, Basic and Advanced S.W.A.T. School, along with a number of other advance schools to better the Division as a whole.

FTO/HIRING/RECRUITMENT

Recruitment efforts were enacted and several recruitment opportunities were attended by officers. The Civil Service Exam was given on December 9th, 2017. Through the combined efforts of Background Investigators and the Office of Professional Standards, dozens of background investigations were completed on Police Candidates.

DETECTIVE SECTION

The Detective Section falls under the Special Operations Bureau and was overseen by Lieutenant Robert Skropits. The Detective Section consists of the Major Crimes Unit, Internet Crime Against Children (ICAC) unit and the Juvenile Crimes Unit of the Police Department. In addition to the two supervisors, the Section consists of a total of seven (7) detectives who are assigned cases on a daily basis.

In 2017, the Detective Section investigated 1,429 total cases. The three Major Crimes detectives and one Juvenile detective and two supervisors investigated a total of 676 cases. The unit also conducts the major part of the pre-employment backgrounds for Police Department new hires and city employees.

The Detective Section investigated 115 Runaways, 35 Missing Persons, and served 59 Search Warrants. There were 15 DNA assignments and 34 A.F.I.S. cases reviewed. Detectives were called to investigate 16 fatal overdose deaths. There were 7 Homicides within the city in 2017 which was 4 more than in 2016.

Within the Detective Section's Major Crimes Unit is a specialized Domestic Violence Detective position made possible through a Domestic Violence grant. The DV Detective handles all domestic violence complaints up to and including Homicide, if it is domestic related. The grant is made possible by the Federal Violence Against Women Act (VAWA) through the Office of Criminal Justice Services (OCJS).

The DV Detective assigned by the grant, totaled 753 DV related cases one of them being a Domestic related Homicide. They investigated 30 non-related Domestic Violence calls. The DV Detective attended Domestic Violence Court every other Wednesday throughout the year. The court is run by Judge Jerry Ault in the Municipal Court System. The Domestic Violence investigations were handled by two different detectives this year.

Another specialized Major Crimes Unit position includes a detective that is assigned to handle sexually related criminal cases. These include sexual abuse cases that may be reported or referred to the Section by Richland County Children Services.

The Major Crimes Unit Sexual Assault Detective handles nearly all sexually related cases as well as cases referred by the Richland County Children Services (RCCS). He was assigned 108 total cases, of which 69 of those cases were referrals from RCCS. Included in those numbers were felonies, misdemeanor cases, and non-criminal cases.

In 2017 the Section saw the Internet Crime Against Children (ICAC) unit and the Federal Bureau of Investigation Child Exploitation Task Force have great results. This collaboration has greatly increased the resources available to this detective and opened up prosecution at the Federal level for this heinous crime. The unit had 54 investigations and did 85 Federal/State and local search warrants on numerous things from houses, computers to social media accounts. The unit made numerous arrests of Child Porn downloaders, producers and even identified 4 child victims through images.

DETECTIVE SECTION	2012	2013	2014	2015	2016	2017
# Cases	658	1,639	1,819	1,373	1,447	1,429

FORENSIC SCIENCE LABORATORY

ANTHONY TAMBASCO—FORENSIC SCIENTIST

The Forensic Science Section is under the direction of Anthony J. Tambasco B.S., D-ABC and provides services in the disciplines of Controlled Substance analysis, Biology- DNA, Firearms, Latent Prints (APFIS), Crime Scene and Property Control. Forensic Science section staff includes two Forensic Scientists, an Evidence Technician and a consulting Latent Print Examiner. The section provides analysis to the Division of Police and surrounding agencies.

The goals and objectives of the Forensic Science Section include continued participation in laboratory accreditation, expansion of the Laboratory Information Management System (LIMS) reporting, evaluation of new Biology procedures, replacement and upgrade of equipment utilized in controlled substance analysis, the execution of court orders and to provide annual training/education to law enforcement and community related groups.

The Forensic Science Section maintains ANAB - American Society of Crime Laboratory Directors/Laboratory Accreditation Board (ASCLD/LAB-International) Certificate of Accreditation number ALR-382-T in the disciplines of Controlled Substances and Biology.

MOMENTS OF OPPORTUNITY

The Mansfield Police Division implemented the web-based Moments of Opportunity in Police Service in 2011 with the view that each citizen contact is an opportunity to win the respect, trust, and support of the community. The Division recognizes that the community is the first line of defense against crime and the most essential component in preventing it. Positive contacts will reinforce the community's resolve to help us develop safer neighborhoods through community partnerships and participation. A community's willingness to cooperate is born out of the level of trust, respect, and support they have for their police. All police personnel can leverage public support, trust, and respect by embracing and promoting enhanced customer service in policing. In 2017, 74 compliments were received.

A LETTER RECEIVED BY THE DIVISION:

"I wanted to write and let you know how much I respect what you do to protect my fellow Ohioans. Please know that you are valued and appreciated beyond measure—especially when you work over the holidays. God Bless you and your families."

A LETTER RECEIVED BY THE DIVISION:

"Thank you for your prompt response to my family's request for help locating a family member who went missing. Sergeant was an outstanding department liaison to our family and went out of his way to keep us updated and connected to all progress made during this search. On behalf of our family, we thank you and the staff of officers who so swiftly and efficiently when called into action. It gave us peace of mind to know your department was doing everything possible to effect a positive outcome."

INTERNAL AFFAIRS

Complaints are normally assigned by the Office of the Chief to Section Commanders. In the event the complaint may require a more complex or protracted investigation, the commander of the Special Investigative Section is tasked with the responsibility of completing the probe and is authorized to utilize any resources necessary to complete the investigation. Assistant Chief Keith Porch along with Captain Bret Snively were the divisions representatives assigned to the Police Review/Community Relations Commission which met on a monthly basis during 2017.

The Mansfield Division of Police handled 37 complaints in 2017. Of the 37 complaints, 16 were received from citizens and 21 were internal complaints from within the division.

Of the 16 external complaints investigated; zero (0) oral counseling's were issued, two (2) written reprimands were issued, zero (0) remedial trainings were issued, and three (3) suspensions were issued. Five (5) of the external complaints were sustained, nineteen (19) not sustained, and one (1) was determined to be unfounded. Of the 21 internal complaints investigated, thirteen (13) oral counseling's were issued, three (3) written reprimands were issued, five (5) suspensions were issued and one (1) remedial training were issued. Twenty three (23) of the internal complaints were sustained, and eight (8) not sustained. It is noted that in 2017, totals were calculated by individual employee and not per incident.

INTERNAL AFFAIRS	2013	2014	2015	2016	2017
Citizen Complaints	19	20	12	13	16
Internal Complaints	6	5	6	10	21
Estimated Contacts	42,770	42,081	41,016	41,428	41,965
Compliments	79	81	99	160	74

SPECIAL INVESTIGATIVE SECTION

Reporting to the Chief of Police through Lieutenant Joseph Petrycki, Special Investigative Unit works a multitude of cases from internal Affairs to complex conspiracy case. Enforcement operations include the METRICH Enforcement Unit and the Crisis Management Team. These consist of the Special Weapons and Tactics Team (SWAT), Disturbance Control Team (DCT), and the Crisis Negotiations Team (CNT).

METRICH

The METRICH Enforcement Unit has now completed its 31st year, and has evolved into a successful law enforcement task force through collaboration and community partnership. The unit, through long and short term investigative strategies, investigates crimes involving drug trafficking, drug abuse, weapons, gang activity, vice related crimes and others. Acting as a fusion center for Richland County, the unit maintains a substantial intelligence database as well as a repository of specialized technical equipment.

In 2017, the METRICH Enforcement Unit in Richland County processed 291 criminal cases. Additionally, the unit conducted 72 search warrants and collected over 3,974 investigative tips and leads. As part of a ten-county multi-jurisdictional task force, METRICH is able to share funding, investigative resources, technical equipment, and investigative leads to maximize the taxpayer benefit through our federal, state and local partnerships.

This organizational structure allows task force officers to identify and respond to emerging trends and threats to community safety. For example, in 2017, the substantial increase in opioid use to include fentanyl related derivatives led to collaborative efforts to create the first ever Richland County Opiate Board and Quick Response Team staffed with law enforcement and treatment/education providers with the goal of reducing opiate related drug overdoses. The QRT meets on a weekly basis and makes home visits to those who have recently overdosed. This three (3) prong approach of law enforcement, treatment and education providers has shown positive results of getting those with opiate addictions into treatment. However, the synthetic drug problem continues to plague our community and our Mansfield Police Forensic Science Section continues to effectively find standards for these “unknown” drugs coming into our community.

METRICH continues to build upon our community and social service partnerships. These partnerships included 25 demand reduction presentations, continued collaboration with Community Action for Capable Youth (CACY), alcohol compliance checks, the parole and probation partnership, neighborhood watch, the Northern Ohio Violent Fugitive Task Force (NOVFTF), and the Northern Ohio Violent Crime Consortium (NOVCC).

As we look forward to the challenges of organized criminal activity, particularly in light of a depressed economy, the METRICH Task Force can continue to multiply the taxpayer investment by providing effective and professional police services through community partnership and law enforcement collaboration.

SWAT/ASORT

ASORT had an average of 15 operators for the year of 2017, with the transfer of members in & out.

During 2017, the ASORT team responded to a total of 14 High Risk Calls for service.

- Five (5) of the operations were High Risk Drug & weapons related search warrants for the METRICH Enforcement Unit.
- Three (3) of the operations were High Risk search warrants for suspects, weapons & drugs related to 3 separate Homicide investigations being conducted by the Mansfield Major Crimes Unit.
- One (1) of the operations was a Barricaded suspect initiated by MPD Patrol stemming from a Homicide call on N. Brookwood Way. The suspect had fled the scene of the Homicide to Wooster Ohio where he then barricaded himself inside his vehicle on the highway.
- One (1) of the operations were Barricaded Gunman initiated by the Mount Vernon Police Dept. Mount Vernon, Ohio. Members of the team responded with man power and equipment to assist in the resolution of that incident.
- One (1) of the operations was a High Risk Drug & Weapons related search warrant for MEU / Plymouth Police Dept.

- Three (3) of the operations were High Risk Drug & Weapons related search warrants in response to an intensive yearlong collaborative investigation by the FBI & MEU. ASORT was part of the multi-Agency operation "Hadley's Hope".

SWAT / ASORT training consisted of 22 training days. Those training days were broken down into 5 days at the OTOA conference and 3 days of a consecutive team training evolution ending with a scenario. The 3 days of team training focused on; mission planning, hostage rescue, known distance range fires, tubular assaults with participation from RCT and the Mansfield city schools. SWAT / ASORT Unit also attended the OTOA (Ohio Tactical Officers Association) conference as a team. During the OTOA training conference the team was recognized and awarded the OTOA Team Valor award for the Randall Rd Barricade Operation. The team shared the Valor award with Columbus SWAT and Ohio State Highway Patrol SRT for our collaborative effort and resolution of Randall Rd. The team spent the remaining portion of the week training on topics including leadership development, problem solving, analytical thinking, decision making, breaching, ballistics and fire-arms. ASORT participated in joint scenario based training incident with HNT at the Richland County fairgrounds. The scenario involved city school bus where a gunman had taken hostages and barricaded himself on the bus. The scenario allowed HNT, MFD, TEMS and Command post operations to jointly action this incident to resolution. SWAT / ASORT designated marksmen trained an addition twelve (12) days continuing to work on their defensive marksman field craft and surgical shooting skills. The Sniper team added Det. Rahall to the unit after his graduation from the OTOA sniper school in May.

The TEMS (Tactical EMS) program and three MFD TEMS operators continued to augment the team during operations and training. TEMS completed team CLS (combat life saver) training and monitored operator's well-being during team PT, training and call outs. All 3 TEMS operators continued improving their education by attending tactical medic related classes at the OTOA conference. The TEMS operators train with SWAT during all training days and adhere to the SWAT standards. TEMS operators also deploy with SWAT on all call outs providing basic first aid, team well-being to life saving measures for both the team and the public during a high risk incident.

SWAT / ASORT made several public appearances throughout the year participating in; LE days for Richland & Knox County, Walmart Safety day, Touch a Truck, safety days at Central Elementary school, Mount Vernon Nazarene University criminal justice class, Doughnut Dash and the Blue light kick off.

SWAT / ASORT also competed in the 2nd Annual Rastin Police and Fire challenge at Foundation Park, Knox County, Ohio.

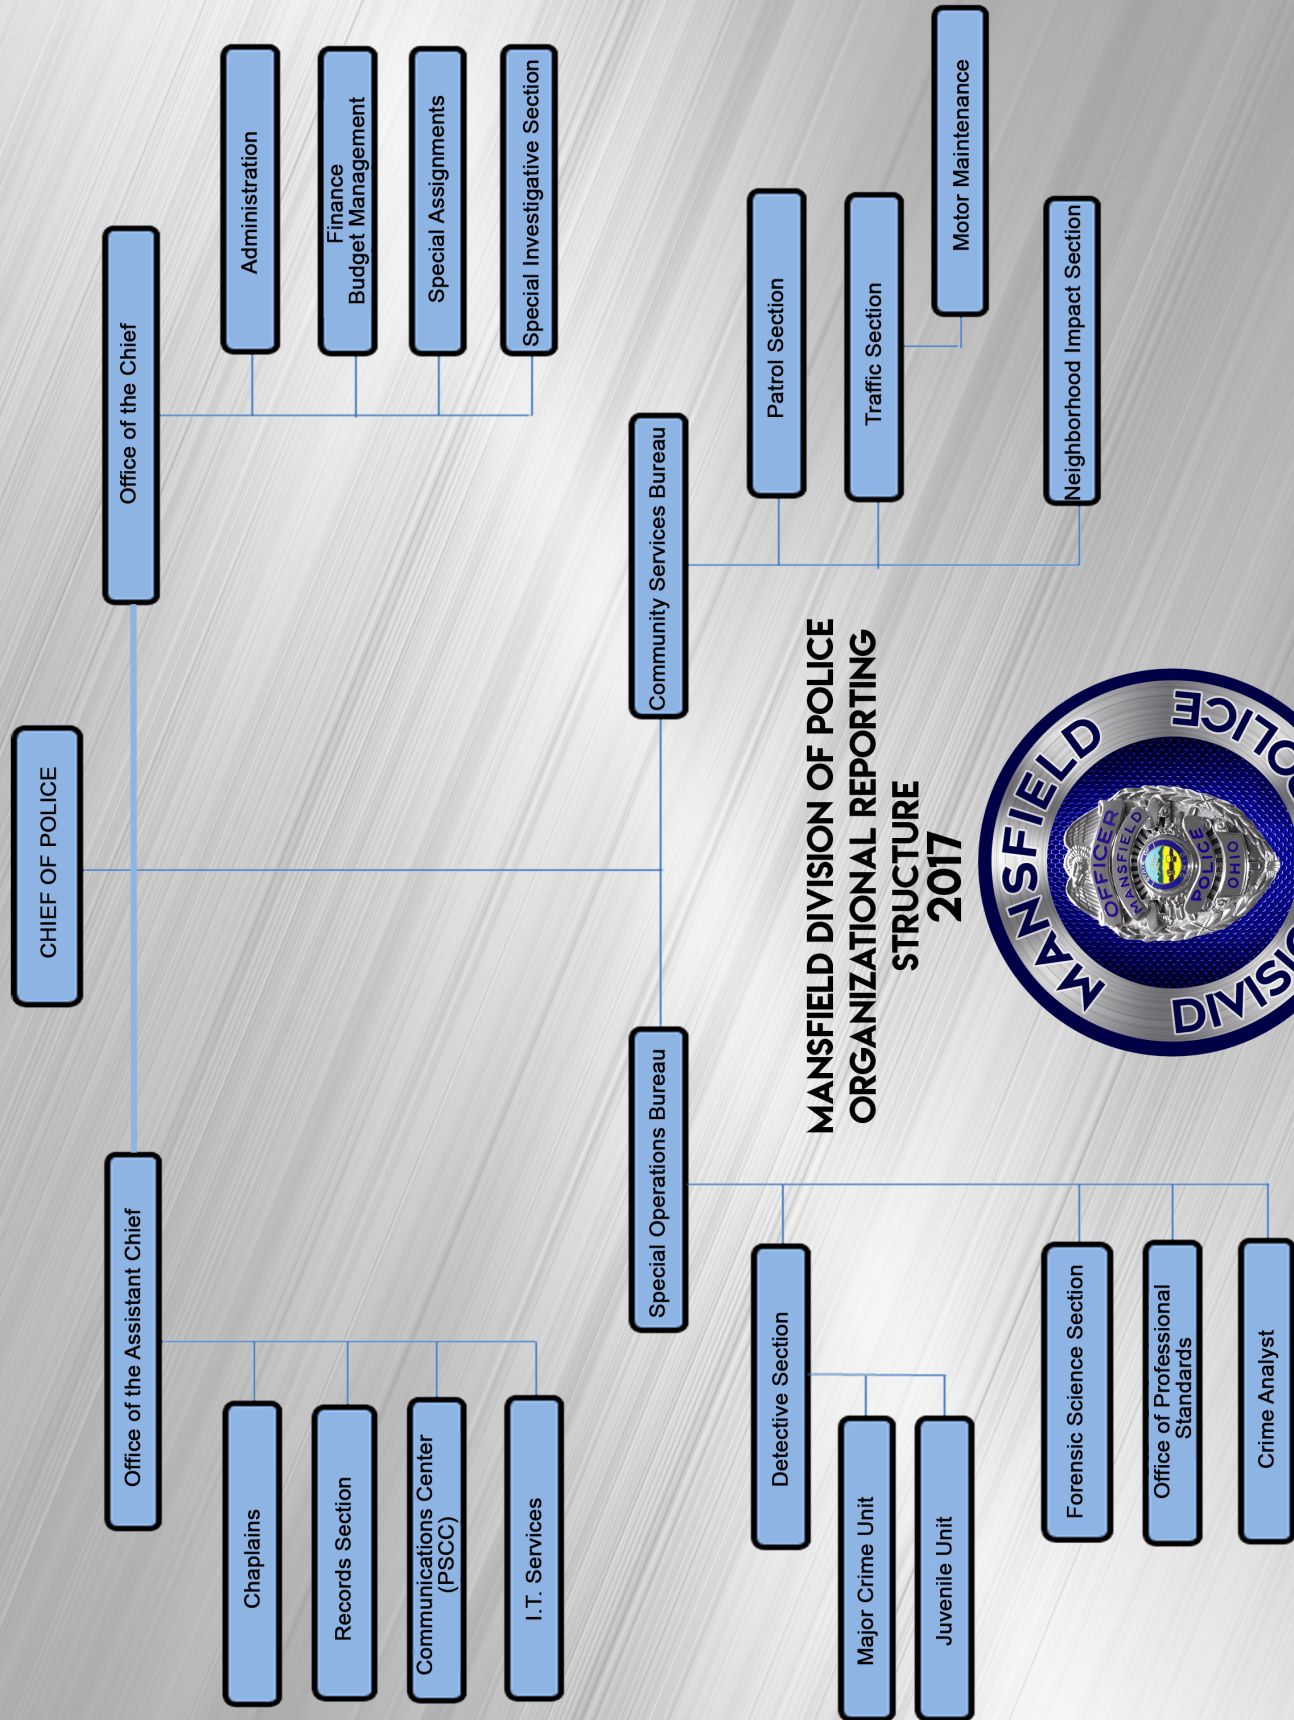

Operators took 2nd place in the SWAT obstacle challenge. SWAT / ASORT donated the \$250.00 dollar winnings back to the foundation park event.

RETIREMENTS

LIEUTENANT DANIEL MARTINCIN announced her retirement from the Mansfield Division of Police effective January 5, 2017. He was appointed to the department on March 18, 1989, promoted to Sergeant on February 12, 2007 and to Lieutenant on July 6, 2015.

As a new Officer for the he was assigned to the Patrol Section and continued there until his transfer to the Community Policing Section. After his promotion to Sergeant, he supervised the Community Policing Section and later the Traffic Section; until returning to the Community Service Bureau's Patrol Section. Upon his promotion to Lieutenant, he assumed the Watch Commander responsibilities of the Patrol Section's Second Watch.

Among his numerous educational and training certificates he received throughout his career he was a Certified Crime Prevention Specialist and a Field Training Officer Supervisor.

OFFICER RYAN GARNER announced his retirement from the Mansfield Division of Police effective January 6, 2017. He was appointed to the department on July 10, 2007. He served in the Community Service Bureau's Patrol Section during his career and assumed duties as a K-9 Officer on May 5, 2014 when K-9 Elliot was assigned to him.

Officer Garner is known for his hard work, dedication, initiative and positive attitude toward his work and co-workers. He constantly demonstrates a high degree of skill, integrity and perseverance in his job. Throughout his career he has received numerous Special Commendation Awards, Letters of Recognition and was awarded the Division's Officer of the Year in 2015.

OFFICER JACK SHAY announced his retirement from the Mansfield Division of Police effective February 3, 2017. He was appointed to the department on December 11, 1995. Prior to his appointment to the department he served twenty years in the U.S. Air Force. He began his career with the department in the Patrol Section and continued in the Patrol Section until his transfer to the Community Policing Section as the department's D.A.R.E. Officer. He was assigned to the Malabar Intermediate School where he taught the students to avoid drugs, membership in gangs, and violent behavior for the next fifteen years. During this time he also was in charge of running the D.A.R.E. Olympics every spring.

RETIREMENTS

OFFICER STEPHEN HORNBACK announced his retirement from the Mansfield Division of Police effective March 3, 2017. He was appointed to the department on September 21, 1998. In 2007 he joined the K-9 unit with K-9 Astor and in 2014 K-9 Xaro joined him in the unit. He became a certified K-9 trainers certificate and K-9 Evaluators course and was able to train a K-9 class for the City of Mansfield that included two Mansfield Police canine as well as a canine from another department.

LIEUTENANT DOUG SEMAN announced his retirement from the Mansfield Division of Police effective March 21, 2017. He was appointed to the department on March 15, 1991, promoted to Sergeant on February 14, 2005 and to Lieutenant on June 5, 2014. During his career with the department he was a Field Training Officer, Recruitment Officer, Firearms Instructor, Training Sergeant, and at the time of his retirement was the department's lead armorer.
