## *Letter from the Chief...*

Dear Residents;

I am pleased to report that Part I Violent crime dropped 20.2% in 2010 as compared to 2009, and is nearly 28% below the five year average. In 2010, there were 3036 reported Part I crimes representing a 17% reduction in overall crime as compared to 2006, and well below the five year average of 3179 reported total Part I crimes. Part I property crimes did increase by 5.4% and totaled 2906 for 2010, however, this total is still below the five year average of 2941. Reducing property crime is an

objective for the Division in 2011. Overall crime rose 3.5% as compared to 2009. Total calls for service were 37,352.

The Division's organizational structure continued to evolve given employee retirement, the loss of Officer Chuck Norris, and eight non-sworn layoffs that took effect in December of 2010. Working with the Labor Organizations, we were able to defer filling positions resulting in one Chief, one Deputy-Chief, one Captain, four Lieutenants, thirteen Sergeants, and sixty-two Officers for a total of 82 sworn and 16 non-sworn. We continue to operate at well below our authorized strengths of 102 sworn and 38 non-sworn. Our actual sworn staff is down from 96 in 2007 and our non-sworn staff is down from 26.

Uniformed patrol, traffic, community police, and the detective section now report to Capt. Groggoza, while the crime lab, records, professional standards, technical services, and the Dispatch Center report to the Deputy Chief. Special Investigations, the Deputy Chief, Captain and Chief support staff report directly to the Chief's office.

While it is sometimes difficult to quantify preventative measures, this outcome is undoubtedly the combined result of our dedicated and professional personnel, our involvement within the community to include such programs as DARE, PAL, Mentorship and Volunteerism, the Explorers, Neighborhood Watch Associations, the Community Police/Probation/Parole partnership, the Northern Ohio Violent Fugitive Task Force (NOVTF), the METRICH Enforcement Unit, our School Resource Officer (SRO), our continued use of technology in the field and within our crime lab, and our Crime Analysis and Intelligence Led Policing (ILP) initiatives that identify and target high-crime individuals and locations.

These initiatives are designed not only to reduce crime, but to promote positive community relationships and assist our youth in their transition to responsible adults. With budgetary and personnel level concerns, these reductions and initiatives are a testament to the professionalism that defines the Mansfield Division of Police. Further, we continue to build upon our analytical capacity to direct resources where they are needed most. The ability to sustain this output would not be possible without the willingness of our labor organizations who have worked with the administration to suspend various contractual benefits as we continue to honor our commitment to the citizens we serve through proactive and efficient strategic methodologies. These changes have allowed us to consolidate responsibilities and allow for reduced personnel costs while maintaining essential services.

I am hopeful this brief summary of our organization and accomplishments during 2010 will provide some insight on the responsibilities and challenges of the Division of Police as well as the outstanding work of our personnel to improve community safety. As a law enforcement family, I have complete confidence in the ability of the men and women of the Mansfield Division of Police to sustain our professionalism and commitment to the citizens of Mansfield regardless of the challenges in 2011.

Respectfully,

Chief Dino Sgambellone

# The Changing of the Guard

## **CHIEF OF POLICE DINO SGAMBELLONE**

Appointed Chief of Police November 19, 2010

Chief Dino Sgambellone began his career with the Division of Police in 1991 and soon became a member of the SWAT Team and was later assigned as a Narcotics Detective to METRICH. He was re-assigned to the Patrol Section in 2000 when he was promoted to Sergeant where he was instrumental in researching and later helping to implement the Mobile Data Terminal used by officers today. At his promotion to Lieutenant was re-assigned to Special Investigations and METRICH. Chief Sgambellone served with the United States Air Force from 1987-1990 where he began his educational journey. Dino currently holds a Bachelor's and Masters degree in Business and completed his PhD in Public Safety with Criminal Justice Specialization in 2010.

Chief Sgambellone has proven his ability to excel in nearly every area of policing while volunteering to be the architect of many grants resulting in over \$2 million for the police department.

## **DEPUTY CHIEF TOBIE SMITH**

Appointed Deputy Chief of Police June 10, 2010

Deputy Chief Tobie Smith served as a Police Dispatcher and Parking Control Officer from 1985 until 1989 when she began her career as a police officer. Since then she had served as a DARE Officer, Community Policing Officer and Juvenile Detective before being promoted to Sergeant in March of 2000. As a Sergeant, Tobie served in the Patrol Section and later as the Training Officer until her promotion to Lieutenant in 2005. Lieutenant Smith served as Jail Administrator and Watch Commander from February 2005 through July 2008 at which time she was re-assigned to the Professional Standards Section. While there, she coordinated Recruitment and Hiring, Training and the Accreditation process helping the Division of Police maintain National CALEA Accreditation.

"Tobie is an experienced professional whose background in law enforcement and energy has prepared her to assume the role as the first female Deputy Chief of Police in our history" stated former Chief Phil Messer.

Right: Lieutenant Tobie Smith is sworn in as the new Deputy Chief of Police June 10, 2010.

# Office of the Chief

The Office of The Chief of Police is supported by three bureaus. The Community Services Bureau, which includes the uniformed officers of the division who are assigned to the Patrol and Traffic Sections. The Special Operations Bureau includes the Detective Section and Special Investigative Section, Forensic Science Section and the Support Services Bureau, comprised of the Office of Professional Standards, Neighborhood Impact Section and Records Section. The Chief's immediate staff is comprised of his administrative assistants who are responsible for administration, personnel and budgeting. The special investigative unit and Internal Affairs also report directly to the Chief.

## **Crime Analysis**

The Mansfield Police Department has a strong history of identifying and addressing criminal conduct based on crime analysis and intelligence led policing strategies. Additionally, our community oriented policing methodology, works in concert with community members and neighborhood watch to address emerging and anticipated crime, specifically within identified "hot spot" locations within the City. The department maintains a substantial collaborative base with the community and law enforcement at the local, state and federal levels. The department has successfully demonstrated our capacity to address crime through a multi-faceted approach while responsibly utilizing various grant dollars and maintaining significant collaborative relationships.

Crime Analysis is currently a part-time function performed by Certified Crime Analyst Beverly Lewis who also assists with Planning and Research. Beverly reports to the Office of Professional Standards Commander. Annually, Beverly completes numerous crime analysis reports as requested by Patrol and Detectives to assist in tactical and strategic initiatives and investigations. In 2010, Beverly developed a Chronic Burglar database that tracks known burglars in comparison with current burglaries and began completing a weekly burglary report utilized by Patrol. Beverly also works with Community Policing Officers in crime prevention initiatives and provides crime maps specifically for neighborhood watch groups. She also meets with the Neighborhood Watch Leaders group to address community concerns, is a member of the International Association of Crime Analysts (IACA) and the Northern Ohio Violent Crime Consortium (NOVCC) Crime Analysis Sub-Committee. Beverly is responsible for monitoring crimes for patterns, trends and series and disseminating reports to division personnel. Crime patterns and trend information is used specifically by Patrol to address emerging problem areas.

## **Northern Ohio Violent Crime Consortium (NOVCC)**

The Northern Ohio Violent Crime Consortium (NOVCC) was established through the United States Attorney's office of the Northern District of Ohio in 2007. The collaboration includes the largest eight cities in the district to include: Akron, Canton, Cleveland, Elyria, Lorain, Mansfield, Toledo and Youngstown. This project has fostered a greater level of cooperation between law enforcement at the local, state and federal levels

and has resulted in significant training opportunities as well as an increased analytic capacity through the Intelligence-Led Policing philosophy.

The City of Mansfield utilizes NOVCC funding for targeted patrol operations within high crime areas. These field based, data driven operations include drug interdiction and drug purchases, fugitive sweeps on violent offenders, parole/probation/community police partnership operations, curfew sweeps, and anti-gang suppression techniques.

## **Project Safe Neighborhood (PSN)**

Our intelligence led policing strategies provide the platform for which we devote available resources to high crime areas based on crime trending and forecasting data. Successful initiatives that have been utilized to address these problems include Multiple Agency Patrol Saturation (MAPS) details, curfew details, NOVCC anti-crime initiatives and covert operations. Project Safe Neighborhood (PSN) funding provides the necessary resources to engage criminal conduct within our "hot spot" detail areas as indicated by crime analysis. A multi-faceted strategic approach is utilized to interrupt individuals and groups in these areas through street level intervention initiatives.

## **The Safety Forces Chaplain Corps**

The Safety Forces Chaplain Corps for the City of Mansfield Divisions of Police and Fire have served faithfully since 2002. Currently, there are four active chaplains in the City of Mansfield. They are Chaplain Rich Rader who serves as coordinator, as well as Chaplains Mark Dettmer, John Jorden, and Link Briggs and Chaplain Donald Barrows who continues to be part of our team but remains on injury leave after health problems.

Chaplains are available to assist officers and their families, other department personnel, and citizens of Mansfield for a variety of needs throughout the year. During 2010 chaplains responded to twelve specific calls for assistance. In addition to these calls, our chaplains volunteered more than 600 hours of service including attendance at roll call, ride-a-longs, and other requests for personal and professional needs. These needs have included incidents involving suicide, homicide, motor vehicle crashes, deceased persons, officer-involved shooting, stand-off situations, transients, and counseling.

## **Honor/Color Guard**

The unit represents the Division at Parades, Division Functions, Funerals and when requested by the Chief of Police. The officers in the unit train on a regular basis to become fluid and precise in their movements and knowledge of special function protocols. There are currently eight officers and three sergeants in the Color Guard.

# Office of the Deputy Chief

## Deputy Chief Tobie Smith

Deputy Chief Smith held the Office of Professional Standards as Lieutenant until her promotion to Deputy Chief on June 10, 2010. Organization restructuring resulted in Deputy Chief Smith assuming the operational control of all Support services including the Public Safety Communications Center.

## Office of Professional Standards

This office reports directly to the Deputy Chief and assists in various responsibilities including training, recruitment, Accreditation, planning and research and grant coordination. Sergeant Shari Robertson was awarded the position on December 21, 2010.

### Training

There were eight formal In-Service trainings conducted in 2010 which included CPR/First Aid, Quick Action Deployment (QUAD)/Active Shooter, Defensive Tactics, Annual Field Force, AR-15 Requalification, Ethics, Cultural Diversity, and Bias Based Profiling. Officers attended Annual Re-certifications on Taser, OC Spray, PR-24, ASP, Response to Resistance, Firearms Safety, and Blood Borne Pathogens.

All officers completed their CPT (Continued Professional Training) through E-OPOTA on the mandated topic of "Awareness of Human Trafficking".

Despite the vacant position and budgetary restraints division personnel received over 2,100 hours of Advanced Training by diligently searching for free training opportunities and those with minimal costs. Officers also incurred their own expenses and did not receive any compensation in order to be able to attend advanced trainings. Topics included Violent Encounters (Safety/Street Survival Training), First Line Supervision, Sex Crimes Investigation, Family Violence in the 21<sup>st</sup> Century, Elder Abuse, Responding to Missing and Abducted Children, Conducting Death and Homicide Investigations, Credit Card Fraud and a Civil Rights Conference.

CIT (Crisis Intervention Team) for the Mentally Ill graduated four persons in Class #13 and two detectives were able to attend "Two Days in May" (Victim's Training) provided by the Attorney General's Office due to grant funding. An In-Service training was held for Su-

pervisors and covered the topics of Pursuits, Career Development, Performance Evaluations, and EEO.

### FTO/Hiring/Recruitment

Due to budget restraints there were no new officers hired in 2010, and the Civil Service Exam which is presently expired was not administered. Deputy Chief Tobie Smith and Recruiter Patrick Williams attended mandatory Recruitment/EEO training at Columbus Police Department Training Academy.

### Accreditation

Deputy Chief Tobie Smith became the new Accreditation Manager due to the retirement of Deputy Chief James Boyer. The Division is committed to remaining an accredited agency and compliant with 489 standards.

## Police Records Section

The Records Section was successful at maintaining a less than 1% error rate on all submissions to Ohio Criminal Justice Services (OCJS) for the year of 2010. Records Section staff at the end of the year consisted of the Operations Supervisor, (3) Record Clerks, (1) Transcriber Clerk, and (1) Police Aide. Many positions in the section were eliminated due to budget restraints.

Records Section personnel also opened, maintained, and stored criminal case jackets, maintained all criminal records, issued City chauffeur's licenses and entertainers licenses, and performed a variety of other non-specified tasks in support of the Operations Bureau, the Courts, City offices, and other criminal justice agencies from both local and foreign jurisdictions.

The Transcription Unit processed 14 Administrative reports, 111 Confidential reports, 99 Supplemental reports, 893 Victim / Suspect / Witness Statements, 868 Forensic Laboratory reports, and an undetermined number of miscellaneous documents.

## Communications Center

The Public Safety Communications Center (PSCC) ended the year with almost 62,000 entries into the OSSI Computer Aided Dispatch software system. This included 7,295 Car Stops, 39,673 Police Calls for Service, 2,007 Accidents, 1,547 Fire Runs and 6,777 Squad Runs. This is only a fraction of the actual work done by the dispatchers. This count does not include multiple phone calls received on a single incident, the calls that do not require a police or fire response, or warrant entry and filing. At year end, 13 dispatchers and 1 supervisor staff the PSCC.

## Technical Services Section

The Technical Services Section provides IT Management and Support for the Division (to include the Communications Center), manages the fleet, and is responsible for Division inventory control. Major projects for 2010 included; Temporary relocation and rehabilitation of Patrol data and communications infrastructure necessitated by water damage, final implementation of Sungard Enterprise software modules affecting Mobile Field Reporting, Records Management, and Dispatch, external email capability for all sworn personnel, remote access to division email, IT infrastructure upgrades for the Hutchinson Classroom, and continual updates to Mobile Data Terminals. The section also placed three new marked units online and rehabilitated an older Tahoe so it could remain in service.

## Forensic Science Laboratory

### ASCLD/LAB Accreditation

The Forensic Science Section maintained national accreditation from the American Society of Crime Laboratory Directors/Laboratory Accreditation Board (ASCLD/LAB). This accreditation includes the disciplines of Biology, Controlled Substances, Latent Prints and Firearms (operability). The accreditation certificate expires on June 9, 2014.

### Byrne Grant Award

The Bureau of Justice Assistance (BJA) provided the FY09 Recovery Act: Edward Byrne Memorial Competitive Grant Program award of \$296,450 has been used for personnel costs and service contracts. Personnel costs for maintaining a full-time forensic scientist, DNA analyst, forensic technician and overtime costs associated with all forensic science section disciplines. Funding has allowed proper care and maintenance of drug and biology instrumentation and has temporarily alleviated this expense from the City budget. The award is scheduled to be completed during 2011.

### Training

The Forensic Science Section benefited from a training grant award totaling \$15,002 from the Ohio Office of Criminal Justice Services. This funding allowed Forensic Science Section staff to attend training programs provided by the Midwestern Association of Forensic Scientists, Bode Technology Group, University of West Virginia, and Ohio Division of the International Association for Identification (IAI).

Additional no-cost training received included sessions from the National Institute of Justice, DNA Grantees meeting, FBI specialized and annual CODIS training. Funding was also used to add references to the Forensic Science Section Library. A new Training & Analysis grant

award was received from the Ohio Office of Criminal Justice Services in the amount of \$20,942. In addition to training received and in-house provided training; AJT presented an interesting case at the International Symposium on Human Identification in October.

### Crime Scene Unit

The Crime Scene Unit processed approximately 352 crime scenes and related evidence. These scenes include four (4) homicides.

### Property Control Unit

The Property Control Section executed four (4) biohazard, two (2) drug/gun, three (3) property and several conversion orders during 2010. Two (2) of the conversion orders were Bicycle donations to Richland County Toy Time. In lieu of a police auction the Forensic Science Section continues to utilize the City Finance Office for the property disposal using an on-line auction. These items generated an income in excess of \$7,300 during 2010.

### AFIS Unit

The AFIS Unit upgrade APFIS (Automated Palm and Fingerprint Identification System) continues to funnel 10 print and palm print cards from arrestees at the Richland County Jail to the Mansfield system for review, processing and electronic storage. Sixty-four fingerprint identifications were made during 2010.

### Laboratory Unit

#### Chemistry

The number of Heroin case submission once again increased during 2010. Opiate submissions actually outnumbered Cocaine submissions for the second consecutive year. Suspected Ecstasy tablets were found to contain Bezylpiperazine (BZP), Caffeine, Diphenhydramine or combination of all or none of these substances in lieu of MDMA on a regular basis. The number of patrol submitted cases increased as well as the number of cases involving Marijuana.

#### DNA

Two DNA grant awards totaling \$293,189 were administered during the year. These grants provide personnel, supplies and administrative costs associated with DNA analysis.

The laboratory received \$ 305,000 in new grant funding from the National Institute of Justice for the 2010 DNA Backlog Reduction Program. This funding will provide for the continuation of the employment of the DNA Analyst, analyst overtime, equipment, supplies as well as additional backlog case work from the City of Columbus.

## Community Services/Special Operations Bureau

**Captain Marijan Grogza**

Community Services/ Special Operations  
Bureau Commander

The Community Services Bureau and Special Operations Bureau consists of uniformed Patrol, Neighborhood Impact, the Detective Bureau and the Traffic Unit.

In 2010, the two large bureaus, the Community Services Bureau and the Special Operations Bureau, were combined under the command of one Captain. The Community Services Bureau and Special Operations Bureau consist of uniformed Patrol, Neighborhood Impact, the Detective Bureau, and Traffic. The Traffic Unit was cut down to one officer and placed under the supervision of Day Watch and the Neighborhood Impact Section was also transferred to the Community Services Bureau and assigned to Day Watch.

We continued to develop our analytical products with more updated and detailed crime analysis information available to both patrol officers and detectives, which helped them target their proactive enforcement efforts. Several times throughout the year Watch Commanders ran special projects in the Fourth and Rowland and S. Main/Lexington Avenue split areas. They also targeted metal thefts from vacant buildings and made numerous arrests of suspects stealing copper and metal pipes.

### Uniform Patrol

#### Day Watch:

The Day Watch was commanded for most of the year by Lt. Higgins and two sergeants. The shift participated in the Police Athletic League mentoring program and also performed 55 hours of foot patrol in the down town area, shopping centers and hot spots. Two officers on the shift were off on leave for a large portion of the year.

Some highlights of the year include a burglary in progress in January where the suspect was walking away from the scene and was stopped and arrested. Shift officers solved two B & Es at Hedges School and arrested four juveniles and also arrested two suspects for a burglary/arson on Maple Street.

During the year the shift had several incidents where they recognized, detained and turned over illegal aliens to ICE for deportation.

In April, the shift handled the initial response to a homicide on Redwood that was ultimately solved and the suspect pled guilty to shooting the resident while he slept. In May the shift responded to a B & E in progress on Longview Avenue, where they arrested both suspects and then responded to a B& E in progress on West First Street where they arrested three suspects. They also handled a double fatality crash at the corner of Park Avenue West and Linden Road. In July, Officers recovered stolen property valued at \$17,500 from several different burglary crimes and also recovered a stolen vehicle and made an arrest within 45 minutes of the report. In August officers interrupted a burglary in progress, chased and caught two suspects and recovered \$25,000 in stolen jewelry. During September officers went to a Domestic call that resulted in an arrest for Rape and Kidnapping. Another B & E in Progress on Arthur Avenue resulted in the arrest of two suspects, followed by the arrests of two more suspects in two separate B & E calls in October. Finally, in December four subjects were arrested for stealing scrap metal from their clean-up and hauling job at the Gorman Rupp Company.

#### Afternoon Watch:

The Afternoon Watch was commanded by Lt. Nirode until his retirement in June, at which time Sgt. Seman was appointed acting in command, along with three other sergeants. Some highlights during the year include an arrest of a subject for cultivation of marijuana in January and the seizure of 28 mature marijuana plants. Also that month an officer arrested a subject for a burglary charge and recovered several stolen weapons. During February officers arrested a subject for Burglary/Abduction within minutes after the crime was reported. They also handled 20 traffic crashes in one eight hour shift and discovered a methamphetamine lab in one of the rooms at the Holiday Inn. On another call that month an officer determined that a robbery call was false and discovered that the underage victim was trying to purchase a hand gun. In March an officer heard some complaints at a neighborhood watch meeting and initiated an investigation, resulting in a seizure of 400 grams of marijuana, LSD, other narcotics and \$1000 cash. Officers investigating a shooting into a residence saw the suspect vehicle and were able to arrest the shooter and another person who was hiding the gun. In April officers recovered four different firearms during two calls and made an arrest for Domestic Violence by stabbing. While handling another domestic violence the suspect stated that he was going to get a gun and ran into the house; alert officers arrested him in a bedroom with a gun and ammunition spread out across the bed. During the month officers responded to a man down call on Logan Road, where they found the victim of a homicide.

In May, officers responded to a shots fired call at the Level One Lounge and recovered a stolen revolver and made two arrests. During that month the shift as a whole served 20 misdemeanor warrants in one shift and in one week responded to a record 391 calls. While officers were investigating an assault in June at Wendy's on Park Avenue West, they found and arrested a convicted felon suspect with a loaded gun in his back pack. They arrested a Tier 3 sex offender who was trying to lure children into his home to do chores and in one car stop they recovered 195.5 grams of Marijuana packaged for sale. Officers responding to an underage drinking complaint discovered a methamphetamine lab and another officer arrested a male subject after a foot pursuit; he was found in possession of a stolen handgun taken in a violent home invasion in another county and was wanted on Federal charges.

In July, officers responded to a shots fired call and were able to talk the shooter into surrendering after a short stand-off. In August officers arrested two subjects for possession of heroin and cocaine and seized \$3200 in cash. An officer attempted to stop a car for a traffic violation resulting in a vehicle pursuit, crash and foot pursuit; when the suspect was arrested a loaded handgun was found in his car. Another officer got a tip on someone in possession of drugs and when he found the suspect he recovered the drugs as well as stripped electrical wire and was able to arrest the subject for two B&Es. Another officer was able to locate and arrest a subject for felonious assault from a shooting. In September, officers assisted RSCO in the controlled delivery of a stolen trailer, resulting in the arrest of two suspects.

In October, officers arrested four people from Columbus who were passing counterfeit \$100 bills. In November, officers handled a home invasion/double victim shooting and were able to arrest the juvenile suspect the next day. Officers also handled a high speed chase and the arrests of three juveniles who escaped from a local treatment facility in a stolen car. In December three officers were involved in a shooting with a robbery suspect, who died of his injuries. The officers were not harmed. Officers also responded to a domestic/shots fired call that resulted in a barricaded subject, who was ultimately not harmed. Officers handled a shots fired call resulting in a foot chase where the suspect threw down a fully loaded semi-automatic pistol and arrested a suspect on a felonious assault charge where a hatchet was used as a weapon.

#### Night Watch:

Night Watch was commanded by Lt. Coontz until his transfer to MET-RICH, at which time Sgt. Martincin commanded the shift until the re-alignment resulted in Sgt. Snively being appointed acting Watch Commander.

Highlights include the investigation of six armed robberies in January, including three in one night. Three subjects were also arrested while stealing copper from a vacant house. In February nights responded to a rape, a shooting and two felonious assaults, making an arrest in one of the assaults. In March the shift continued to experience armed robberies and business B & E crimes. During the month of April, shift officers talked a suicidal man into surrendering without incident and pursued and arrested the driver of a stolen vehicle. They made two arrests in a stabbing at Johns Park, arrested a suspect in a stabbing on Wood Street, and arrested a suspect for rape on Springmill Street. They recovered two more stolen cars and handled a shooting at the Gee Spot Bar, two more robberies, a home invasion and made an arrest in a robbery at a local hotel.

In May they made a CCW arrest of a suspect who had weapons under disability and handled a large disturbance at a Juvenile treatment facility, resulting in three arrests. They arrested a subject who was suspected in numerous burglaries, made an arrest in a shooting on Lexington Avenue, investigated five robberies, a stabbing, a felonious assault and issued 14 summonses at a juvenile underage drinking party on Park Avenue West. They also arrested two suspects for breaking and entering and recovered two stolen cars. In June officers investigated a shoot-out and recovered .40 caliber shell casings, handled two felonious assaults, an abduction, a rape, an exchange of gunfire and felonious assault, two robberies, a pursuit of a drunk driver and a pursuit of a stolen vehicle. They also arrested four juveniles for breaking into Zig's Dairy Bar and made 11 arrests at a large juvenile party at the Friendly House. They worked a prostitution detail that month and made five arrests. Night watch also made an arrest in a stabbing on West Second Street, handled two robberies, three shots fired calls, two stabbings, two pursuits, a shooting into a dwelling, a rape and a juvenile party with 11 summonses. In August, officers arrested seven juveniles at Fourth and Rowland and 15 juveniles on West Fifth Street for underage consumption. The shift handled four robberies, a felonious assault, a large bar fight, a shots fired call and made an arrest of a CCW/Possession of Crack Cocaine. In September the shift handled two stabbings and made an arrest in one of them, arrested a man with a knife (without incident), handled a large fight, arrested four suspects in a stolen car and captured a wild pig running loose in the city.

# Community Services/Special Operations Bureau

## K-9 Unit

The K-9 Unit currently consists of two K-9 teams; Officer Steven Hornback & K-9 Astor, and Officer David Minard & K-9 Tyson. Officer Minard & K-9 Tyson joined the unit in May of 2010 after completing an OPOTA certified school. The K-9 Unit is supervised by Lt. Ken Coontz. Mansfield Police K-9 teams are trained in several areas, such as; narcotics detection, tracking suspects and victims, locating evidence, apprehension of suspects, obedience, and agility. The K-9 teams attend bi-monthly retraining at the Mansfield Police K-9 Training Center alongside the Richland County Sheriff's K-9 teams. Each K-9 officer is assigned a cruiser equipped with special equipment to transport and accommodate their K-9 partner. Mansfield Police K-9 Teams are members of the United States Police Canine Association (USPCA), and are certified by the Ohio Police Officer Training Commission (O.P.O.T.A.).

In 2010, The K-9 Unit assisted the community by conducting several school searches throughout Richland County. The K-9 teams were used 224 times in 2010 for a variety of calls which included; tracking fleeing suspects, drug searches, building searches, alarm activations, vehicle pursuits, robberies, assaults, and shots fired.

## Detective Section

The Detective Bureau was commanded by Lt. John Wendling throughout the year. Lt. Al Vandyburg was assigned to assist the U.S. Marshals Fugitive Task Force. The Detective Bureau consists of two Lieutenants, one Sergeant, and eight Detectives. The Bureau is divided into two units; Major Crimes and the Juvenile Unit. The Detective Bureau has investigated and successfully prosecuted numerous high-profile cases including two homicides. 2010 had 1509 cases assigned, 426 adult arrests and 108 juvenile arrests with a 39.9% clearance percentage by arrests. Children's Services abuse/neglect cases totaled 255 and over 1000 Family Violence abuse cases investigated.

### ***Northern Ohio Violent Fugitive Task Force***

The Northern Ohio Violent Fugitive Task Force Richland Division has been in Richland County since December 2009 and to date has recorded over 2000 Felony arrests clearing over 4000 outstanding warrants. The NOVFTF covers Richland, Ashland, and Crawford Counties and often takes us to other Northern Ohio Counties.

The NOVFTF is assigned two full time Officers Lt. Allen Vandyburg of Mansfield PD and Sgt. Tim Shook of the Richland County SO, one full time Deputy US Marshal, and over (40) part time Task Force Officers.

In 2010, the NOVFTF made 428 physical arrests, confiscated 34 guns, 354 rounds of ammunition, 1.00 kilograms of drugs and \$28,255 cash.

## Neighborhood Impact Section

A clear asset to the Division is our ability to sustain and improve upon our Neighborhood Watch and community-based initiatives. During 2010, 184 citizens took advantage of our ride-along program, allowing them to see firsthand what an officer does on patrol. Additionally, we have maintained 57 Neighborhood watch groups with a total membership of 3,720. Community Policing Officers participated in several community oriented events throughout the year such as, Bicycle Days at North Lake Park, PAL Mentoring Program at Friendly House, North End Community Festival, Family Fusion, Heart of the City Car Show/Cruise In, Dare Olympics, Alcohol and Tobacco compliance checks, Chuck Norris Tailgate party and weekly appearances at Friendly House after-school program. Neighborhood Impact Officers continued active participation in the Community Policing Probation/Parole partnership which carried out two "SAM's Nights" each month with Probation Parole Officers conducting home visits and bar checks. In November a "SAM's Night" was conducted which included Agents from Ohio Liquor Control. Officers and other Division personnel initiated or participated in 123 public events including graduations, Neighborhood Watch functions, crime analysis, and drug-awareness presentations, reaching 4609 residents and guests.

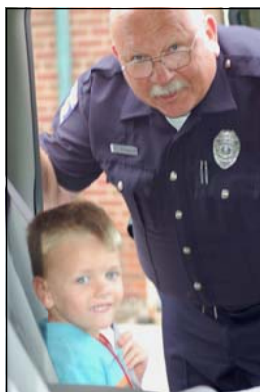

## Traffic Section

Also under the Community Services Bureau is the Traffic Unit. It was supervised by Sgt. Robertson until November, at which time she was transferred and the unit was moved under Lt. Higgins with one Officer assigned to the unit. The section oversaw several Special Events including numerous parades, the Miss Ohio Festival, the Annual Mock Crash, and the downtown City Cruise-In. The Section also presented the Seat Belt Program to third graders at various schools within the community. The Section is responsible for garbage truck and taxi inspections.

The Traffic Section also monitors and administers the Selective Traffic Enforcement Program (STEP) as well as the High Visibility Enforcement Over-time (HVEO) grant. Both of these initiatives involve identifying high crash areas and the assignment of directed enforcement with the goal of reducing crashes. Speed trailers are also utilized to promote traffic awareness and education in areas of reoccurring complaints.

The Traffic Section oversees the Parking Control Officer and works to maintain over 400 parking meters throughout the downtown area, target parking violations in handicapped parking areas and fire lanes throughout the city. She also assists in the placement of the Division's speed trailers.

## A Special Tribute

*Officer Chuck Norris served the Mansfield Police Department from August 2, 1984 until his death on January 22, 2010.*

*Officer Norris was extremely proud of being a Police Officer. He served as a Safety Town Officer, D.A.R.E. Officer and a Detective with METRICH. He started Community Policing at John's Park and was involved in P.A.L..*

*He also coached football for Mansfield City Schools and served as the School Resource Officer at Mansfield Senior and volunteered in many classrooms. A scholarship fund was created in his name for Mansfield Senior Athletes.*

*As a testament to Chuck, all of his children have entered in service careers to help people. He will be sadly missed.*

## Youth Programs

Youth programs are a significant component of our overall strategy. Safety Town, now in its 74<sup>th</sup> year, graduated 152 children and remains a program that generates a lot of positive community interaction. Additionally, we had 365 students graduate from our elementary DARE program and another 213 from the middle school curriculum. These hallmark youth programs are supported by an extensive PAL recreation program which involved 240 youth in the girls softball program, 36 youth in the boys Babe Ruth League, 85 youth in the Ace Leadership program, 12 youth in PAL Leadership, 434 youth served in the Study Center, 27 youth in the Boxing program, 38 boys Basketball teams for a total of 456 youth, 27 girls Basketball teams for a total of 324 youth, 105 youth in the Football program, and 42 youth served in our mentoring program. The total youth served in these programs was 2,491 which represent a substantial achievement for the Division with many Division employees volunteering their own time to support these initiatives and youth within the community.

Lastly, our local Explorer Post currently has 18 members. The Post was recognized at the Heart of Ohio Annual Recognition Banquet as an outstanding Explorer Post which has been active for 17 years. The Post was able to send a team to the National Law Enforcement Explorer Competition in Atlanta, Georgia, with one team placing sixth in Crime Prevention. The Post completed 1,146 Community Service hours throughout the City. The Explorer Post continues its association with the Mansfield Reformatory Preservation Society by volunteering community service hours at the facility and parking cars during special events. This generous donation allows the Post to be self-funded and participate in numerous events that otherwise many of the members would not be able to attend due to monetary issues.

## Special Investigative Section

**Lt. Kenneth Coontz**

Special Investigative Unit Commander

Enforcement operations include the Richland County office of the METRICH Enforcement Unit and the Crisis Management Team which consists of the Special Weapons and Tactics Team (SWAT), the Disturbance Control Team (DCT) and the Crisis Negotiations team (CNT).

Reporting to the Special Operations Bureau Commander through Lt. Ken Coontz, Special Investigations works a multitude of cases from Internal Affairs to complex conspiracy cases.

This section is tasked with investigating drug, vice and street crimes. During 2010, the unit developed 304 criminal charges, with 242 felony counts and 19 vice cases. Additionally, the unit conducted 22 search warrants and removed 22 weapons from the street based in large part on 1909 pieces of intelligence collected from citizens and local law enforcement.

The unit also conducted 18 public education sessions with neighborhood watches, schools, and other community-based functions reaching numerous residents throughout Richland County.

### METRICH

The METRICH Enforcement Unit, now in its 24th year, has evolved into a successful law enforcement task force through collaboration and community partnership. The unit, through long and short term investigative strategies, investigates crimes involving drug trafficking, drug abuse, weapons, gang activity, vice related crimes and others. Acting as a fusion center for Richland County, the unit maintains a substantial intelligence database as well as a repository of specialized technical equipment. Through continued proactive enforcement methodologies, the task force improves the quality of life and safety of our residents. As part of a ten-county multi-jurisdictional task force, METRICH is able to share funding, investigative resources, technical equipment, and investigative leads to maximize the taxpayer benefit through our federal, state and local partnerships.

Our personnel assigned to Special Investigations are also members of METRICH. The section currently has one Lieutenant, one Sergeant, three Officers, one Sheriff's Deputy and one confidential secretary. In 2010, Officers Mosier-Napier, Carver and Rogers were assigned to the unit while on transitional duty.

In 2010, the METRICH Enforcement Unit in Richland County processed 212 criminal cases. Additionally, the unit conducted 22 search warrants and collected over 1900 investigative tips and leads.

This organizational structure allows task force officers to identify and respond to emerging trends and threats to community safety. For example, the substantial increase in diverted pharmaceuticals resulted in increased efforts to secure funding for a full time pharmaceutical investigator for 2010 and 2011.

METRICH continues to build upon our community and social service partnerships. These partnerships included 18 demand reduction presentations, continued collaboration with Community Action for Capable Youth (CACY), the parole and probation partnership, neighborhood watch, the Northern Ohio Violent Fugitive Task Force (NOVTF) and the Northern Ohio Violent Crime Consortium (NOVCC).

Section members were recognized for their outstanding efforts during 2010. The METRICH Task Force conducted a large scale Title III drug investigation in conjunction with the local FBI office. The two year investigation ended in October 2010, and resulted in 24 federal arrests, and 49 local felony charges, with 108 total charges being brought against the defendants. There were over 5 kilos of cocaine seized, as well as 30 pounds of marijuana and 8 ounces of crack cocaine. The Drug Trafficking Organization (DTO) that was dismantled is believed to have brought in over 200 kilograms of cocaine into the area. The METRICH Task Forces seized several vehicles and firearms in relation to this investigation.

Richland County statistics showed a blend of results given changing investigative priorities and strategies. Overall new cases declined to 22.1% percent. This decrease in new cases is directly contributed to the Title III investigation which demanded most of the unit's attention for nearly six months. New pharmaceutical cases decreased 26.1% from 46 to 34 as well. Search warrants decreased 43.6% to 22. Intelligence submissions dropped slightly to 1909. Cocaine dramatically increased to 5,277.48 grams, with crack decreasing to 148.11 grams. Heroin increased to 179.98 grams. Marijuana removals were 17975.3 grams. The unit only removed a small amount of methamphetamine, .36 grams. Increases were observed again in Methadone and Oxycodone while seeing a slight increase in Hydrocodone 8.2%.

There were a total of 42 seizures in 2010. Of these, 20 were METRICH Seizures and 22 were MPD seizures. The total amount seized was \$55,879.97 with \$29,010.09 being MEU seizures and \$26,869.88 being MPD seizures.

There were 28 forfeitures in 2010. Of these, 13 were METRICH and 15 were MPD. A total of \$42,249.51 was adjudicated. A 1998 Cadillac was also forfeited to the unit and processed by the Traffic Unit.

## ASORT

ASORT currently has 15 members plus a team Doctor from the staff of Med-Central Mansfield Hospital. The respective members are from five different departments in Richland County, including the Mansfield Police Department, Shelby Police Department, Ontario Police Department, Lexington Police Department and the Richland County Sheriff's Office. ASORT added four new members during the 2010 year.

In 2010, ASORT responded to a total of 12 High Risk calls for service. Ten of the operations were High Risk Drug Related Search Warrants for the METRICH Task Force. One of the operations was a High Risk Search Warrant for the Galion Police Dept. / Crawford Co. METRICH Unit. One (1) of the operations was a Barricade / Standoff incident.

ASORT team operators also participated in Operation, "Turn Around" in October, which was a combined METRICH & FBI operation that ended a major Cocaine and Marijuana distribution ring. ASORT training for 2010 consisted of 18 training days which included scenarios conducted by the ASORT Unit and combined training with the Hostage Negotiation Team.

Operators worked on practical applied stress shooting improvement skills which challenged their skills utilizing live fire on steel plates and reactionary targets. Several of the scenario exercises were conducted while in a live chemical agent environment. ASORT participated in mission deployment training and tactics, tactical scouting, team communication, sniper deployment, building assaults, and hostage rescue. ASORT operators also trained with the Ontario Police Department Hostage Negotiations Team (HNT) in the familiarization and deployment of technical devices. ASORT operators also participated in safety day at Central Elementary School in Lexington, and the DARE fundraiser at Applebee's restaurant.

## Hostage Negotiations

Our long time hostage negotiator, Lt. Vandyburg could no longer participate in HNT functions due to his commitment to the NOVTF. Therefore, four new HNT officers were appointed to the team. We will continue to develop these officers in 2011.

## Crisis Management Team

The Crisis Management Team includes tactical officers assigned to the Mansfield Special Weapons and Tactics Team (SWAT) combined with the Allied Special Operations Response Team (ASORT) and the Crisis Negotiations Team (CNT). In addition to the three teams, officers from various units and departments can be deployed as a Disturbance Control Team (DCT) using the Field Force methodology. These types of operations are designed to rapidly deploy personnel in response to a variety of situations including disturbances, crime scenes, and natural disasters.

ASORT is similar to METRICH in operational structure with team members from five Richland County law enforcement agencies including the CNT. The CNT partners with other Richland County officers to provide negotiation skills in critical incidents. These officers train and respond together in operations requiring a more specialized response.

## 2010 Retirements

### **CHIEF OF POLICE PHILIP MESSER**

Appointed October 2, 1976 Retired November 5, 2010

Chief Messer began his law enforcement career as a member of the Mansfield Auxiliary Police. He was Appointed as a Police Officer on October 2, 1976 and promoted to Sergeant July 24, 1982, Lieutenant July 12, 1985, Captain August 4, 1990 and to Chief of Police July 19, 2002.

Chief Messer was instrumental in the formation of the METRICH Enforcement Unit in 1986. The Unit comprised of ten counties in north central Ohio, and remains one of the largest in the state of Ohio. He has served as the Project Director from it's inception.

During his tenure, the department received National Accreditation status and the Forensic Science Section earned nation recognition and accreditation. He encouraged volunteerism among community members and police involvement in youth programs and collaborations. The department advanced in technology, becoming one of the most progressive agencies in the state. Many of these advancements would not have been possible without Chief Messer's ability to write and obtain millions of dollars in grant funds.

### **DEPUTY CHIEF JAMES J. BOYER**

Appointed March 3, 1973 Retired April 2, 2010

Interim Chief Boyer was appointed to the department on March 3, 1973, promoted to Sergeant May 1, 1982, to Lieutenant on May 14, 1983, to Captain on April 26, 1989 and to Assistant Chief on August 4, 1990. On February 1, 2010, he was appointed to Interim Chief of Police.

During his career, he was responsible for overseeing the Crime Lab, Major Crimes/Drug Investigations and Patrol functions. He developed and coordinated the Hostage Negotiation Unit, including the acquisition of equipment and unit staffing.

Chief Boyer is a twenty-nine year retired Senior Master Sergeant in the Ohio Air National Guard. Prior to the Guard, Chief Boyer was dedicated member of the United States Navy serving in Vietnam. He received numerous awards and decorations such a the Vietnam Service metal, Republic of Vietnam Campaign metal, Navy Unit Commendation and Air Force Achievement metal.

### **CAPTAIN MICHELE A. WEBB**

Appointed March 3, 1989 Retired August 6, 2010

Captain Webb was appointed to the department on March 3, 1989, promoted to Sergeant on March 21, 1992, to Lieutenant on July 14, 2000 and to Captain February 14, 2005.

Captain Webb was instrumental in assisting in the reimplementation of the Police Chaplain Program, developing the Citizens on Patrol Program and the Juvenile Police Academy. Her efforts were critical to the department receiving accreditation status in 2009.

For the last five years, Captain Webb has served as the Operations Commander of the Special Operations Bureau, overseeing the Detective Section, Special Investigative Section and the Crime Lab. Previously, she was the Night Shift Commander for five years, supervised the Jail and Motor Maintenance Sections for five years, and was Sergeant of the Patrol Section's afternoon and night watches after her promotion in 1992.

In 2007 she received the Supervisor of the Year award and the TWIN Award in 2008.

# 2010 Retirements

## LIEUTENANT DAVID C. NIRODE

Appointed August 4, 1984 Retired June 4, 2010

Lieutenant Nirode's law enforcement career began with the New London Police Department. He was a member of the Willard Police Department before continuing his law enforcement career with the Mansfield Division of Police on August 4, 1984. He was promoted to Sergeant on April 16, 1991 and to Lieutenant on February 14, 2005.

Prior to his assignment as 2nd Watch Patrol Commander, he was assigned to the Special Investigative Section and the Accreditation Section. Lieutenant Nirode served as the department's Armorer, Firearms Instructor and Range Officer. He was an advisor for the Defensive Tactics Team. He was a member of the original S.W.A.T. Team for over 16 years.

## SERGEANT ROBERT F. SHOOK

Appointed March 3, 1973 Retired March 5, 2010

Sergeant Shook was appointed to the department on March 3, 1973 until his resignation on July 22, 1981 to pursue another career. He returned to the department on April 16, 1983 and was promoted to the rank of Sergeant on April 26, 1989.

During his career he served in the Special Operations Bureau as Supervisor of the Detective Section Juvenile Unit. While he was assigned to the Juvenile Unit he was instrumental in instituting the current system of issuing summons to juveniles and reworking the warrant system. He worked closely with the juvenile court system, Children's Services and all the schools in the city. He also monitored the gang activity in the City.

## OFFICER WILBUR B. GILMORE

Appointed May 28, 1977 Retired May 1, 2010

Officer Gilmore was appointed to the department May 28, 1977. During his career he served in the Special Operations Bureau's Juvenile Section and finished his career in the department's Community Services Bureau's Patrol Section.

Officer Gilmore has received numerous Special Commendation Awards and letters of recognition for his integrity and perseverance in his job. Officer Gilmore is well known and liked throughout the community and will be missed by the citizens, along with his fellow workers.

## Division Awards

### **SUPERVISOR OF THE YEAR LT. MICHAEL HIGGINS**

As the only Lieutenant in Community Services, Lieutenant Higgins has done a great job of stepping up and filling the gaps administratively, as well as continuing to perform as Day Shift Watch Commander.

He has taken on extra duties in the Traffic Unit due to the transfer of Sgt. Robertson to another position. He has coordinated training activities on different shifts and continues to respond and supervise the investigation and follow-up of fatal accidents.

He has a positive attitude and has been helpful to officers who are struggling with personal issues. Lieutenant Higgins has shown great leadership and determination while filling multiple positions under pressure during trying times and therefore has been selected as the Supervisor of the Year.

### **DETECTIVE OF THE YEAR WILLIAM BUSHONG**

Bill was chosen as Detective of the Year for 2010 due to his work ethic, dependability, grooming, attitude, work relationships, public contacts, suspect contacts, quality as well as volume of work, and initiative.

Bill is assigned to the Juvenile Section of the Major Crimes Unit, however he was asked to work a number of cases this year and readily took those on without complaint. Bill was assigned over 125 cases this year, and 33% of those resulted in arrests, which exceeds the national standard for arrests vs. cases assigned.

Bill has investigated cases of Rape, Aggravated Burglary, Forgery, Robbery, Felonious Assaults, Identity Fraud, Patient Abuse, and Thefts. He worked his cases in a timely manner, keeping his supervisors abreast of the progress of his cases, as well as dispositions. He is an excellent example of what defines a good detective. He is able to distinguish the usual from the unusual in cases, and pursue the unusual aspect of those cases.

### **OFFICER OF THE YEAR JEFF GILLIS**

Jeff is a well rounded Officer whose statistical accomplishments meet or exceed shift averages. Jeff had 5 felony arrests, 17 misdemeanor arrests and served 8 felony and 35 misdemeanor warrants, 3 OVI's, 8 Traffic citations and 121 General Offense reports in 2010.

Jeff volunteers on his shift to conduct firearms qualifications and instructs firearms, less lethal and chemical munitions to both the department and the SWAT team. Jeff has been a member of the SWAT team since 2001. Jeff displays a high degree of knowledge, skill, and ability while conducting tactical operations & training. Jeff works hard at maintaining physical fitness standards and always keeps himself in deployable status.

Jeff also volunteers for many extra SWAT related activities and public appearances like safety days, DARE Olympics and fund raisers. He is a positive role model to our youth within the community. Jeff is very thorough in his work assignments, projecting a positive image to the public and his peers.

## Top Cops

**Officer Larry Schacherer** - Larry lead third watch in felony arrests (10), misdemeanor warrants (38), summons issued, traffic citations (51) and general offense reports. Larry is a proactive Officer who initiates a lot of his activity and frequently takes calls he is closer to, freeing up other officers to resume patrol. He is always early to work, has a positive attitude and when he shows up to a call, takes control and handles the situation with minimal supervision. When given directed patrol or a task to perform, Larry always puts forth his best effort to accomplish the task.

**Officer Donald Rhinehart** - Donnie had taken a lead role on the shift with OSSI records management software and assists other officers with problems that they encounter. He is a "go getter" who has a lot of self initiated activity and diligently performs any task assigned. Donnie has 6 felony arrests, 12 felony warrants, 57 misdemeanor arrests, 33 misdemeanor warrants, 100 summons, 3 OVI's, 43 TR's and has written 168 offense reports in 2010. Donnie leads the shift in felony warrants and misdemeanor arrests.

**Officer Matt Loughman** - Matt had 6 felony arrests, 9 felony warrants, 40 misdemeanor arrests, 29 misdemeanor warrants, 55 summons, 9 OVI's, 34 TR's, 36 written warnings, and has written 149 general offense reports this year. Matt is a dependable Officer with a positive attitude. He is proactive and gives directed patrols a high degree of attention. Matt also takes thefts occurring in his area personally and shows determination in apprehending and preventing crimes. He also received an award from MADD.

**Officer Alan Edwards** - Alan was nominated for the Top Cop Award because during the course of the year he had 14 felony arrests, 14 felony warrants, 44 misdemeanor arrests and 68 misdemeanor warrants, he served 115 summons, wrote 82 traffic citations and 38 warnings. He also had 3 OVI's. He recovered \$27,500 in stolen property. There is hardly a day that goes by that Officer Edwards does not generate some type of activity, be it a simple crime alert card or is able to generate some type of case closure on his follow up investigations.

**Officer Carolyn Young** - Carolyn is always willing to step up and help other officers and does not hesitate to take control at a scene if something needs done. She has a good attitude and with all the changes that occurred this year to the shift it did not seem to dampen her spirits or her activity. Carolyn's activity is always in the upper half of her shift. She has 6 felony arrests, 9 felony warrants, 10 misdemeanor arrests, 32 misdemeanor warrants, 51 summons, 31 traffic citations, 23 warnings, and 237 general offense reports in 2010.

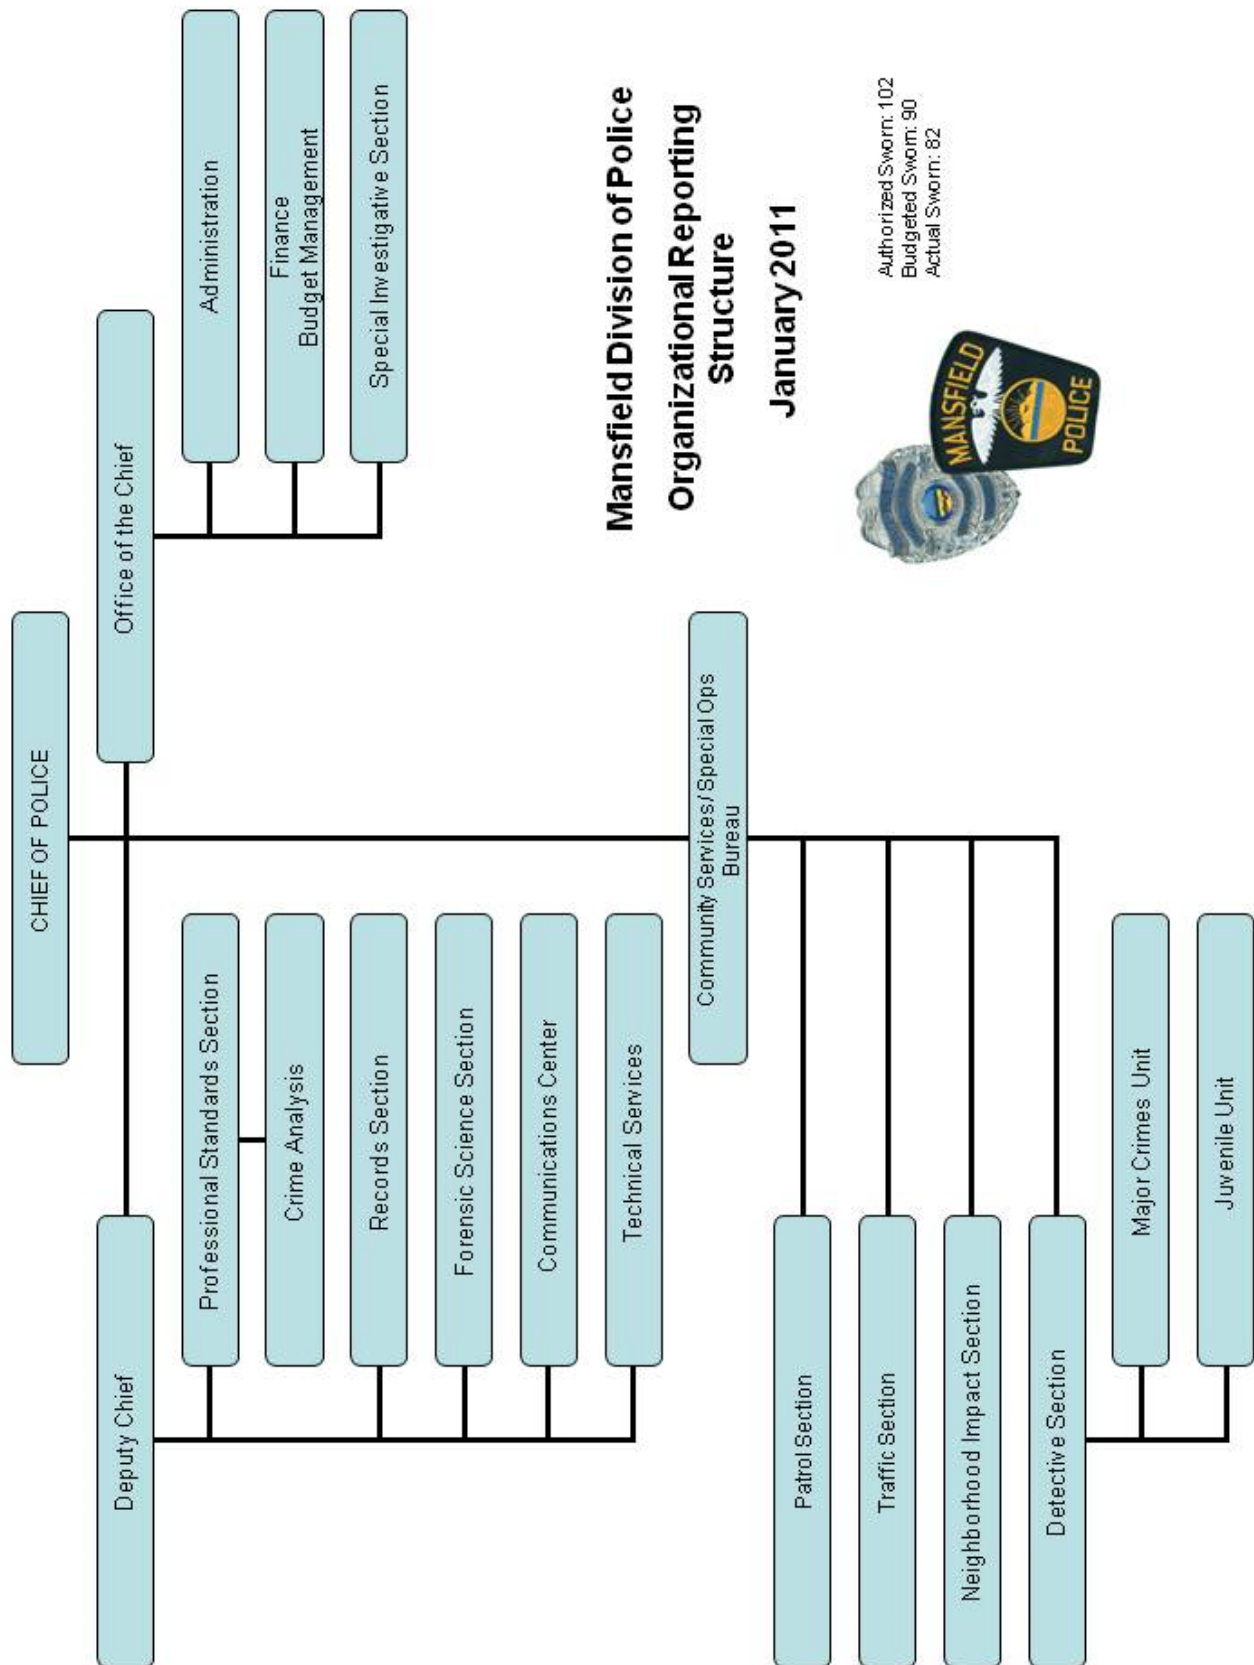

## Promotion

**Sherman "JB" Bond**- Appointed March 18, 1991

Promoted to Sergeant March 18, 2010

**Mansfield Division of Police**  
**Organizational Reporting**  
**Structure**  
**January 2011**

Authorized Sworn: 102  
Budgeted Sworn: 90  
Actual Sworn: 82

## Operation Expenditures

### Internal Affairs Function

Complaints are normally assigned by the Office of the Chief to Section Commanders who oversee the investigation and make final recommendations as to the disposition of a complaint. In the event the complaint may require a more complex or protracted investigation, the Commander of the Special Operations Bureau is task with the responsibility of completing the probe and is authorized to utilize any resources necessary to complete the investigation. The Deputy Chief is the Division representative assigned to the Police Review/Community Relations Commission.

A total of 42 complaints were received in 2010. Twenty-seven (27) were received from citizens and fifteen (15) were internal complaints. All complaints were presented to the Police Review/Community Relations Commission for review. Of the 27 complaints received from citizens, 3 received oral counseling and 2 received remedial training. The 15 received internally resulted in 3 written reprimands, 5 oral counseling, 4 remedial trainings and 3 suspensions.

### Domestic Violence Charges 2010
