# A MESSAGE FROM THE CHIEF

Dear Residents:

I am pleased to present to you the 2011 annual report of the Mansfield Division of Police. This report is a reflection of the outstanding work and dedication of our employees and highlights our continued success with respect to community partnerships and collaboration.

Upon being appointed to Chief in November of 2010, I set a clear vision for our personnel to become a premier law enforcement agency through a foundation based on our core beliefs; Professionalism, Respect, Honesty, Integrity, and Self-Discipline.

In 2011, the Division of Police continued to struggle with the economic challenges governed by the City's fiscal emergency status and recovery plan. In an effort to continue cost saving measures, the Division streamlined many of our operations and maintained a prudent application of resources to ensure the continued delivery of essential services. The Division was able to recall the last four laid off sworn officers, in part by obtaining a grant through the Office of Criminal Justice Services. Three officers retired in 2011. At the end of the year, our current authorized sworn strength remained at 102 with 79 actual officers. Our authorized non-sworn strength was 59 with 30 actual employees. These support personnel include records, a state of the art Crime Lab, Parking Control, Public Safety Communications Center (PSCC), and Confidential Secretaries.

The Division saw an increase of 7.4% in overall Part One crime, with 3,032 Part One crimes reported in 2010 and 3,257 reported in 2011. Of these, violent crime rose 13.4%, or 127 to 144 crimes reported respectively. Property crime rose 7.1%, or 2,905 to 3,113 crimes reported respectively. While many factors contribute to overall crime rates in a community, our reduced ability to interrupt crime trends and patterns is likely to have contributed to this increase given our reduced staffing levels. Five year crime trends show a continued rise in property crimes and the first rise in violent crimes

in the last three years. However, violent crimes remain under the five year average of 155 crimes reported.

Through our Intelligence-Led Policing philosophy, we remain confident in our ability to devote our resources where they are needed most. As we prepare for our re-accreditation assessment in April of 2012, we will continue to evaluate and enhance our operational capacity in service to our citizens.

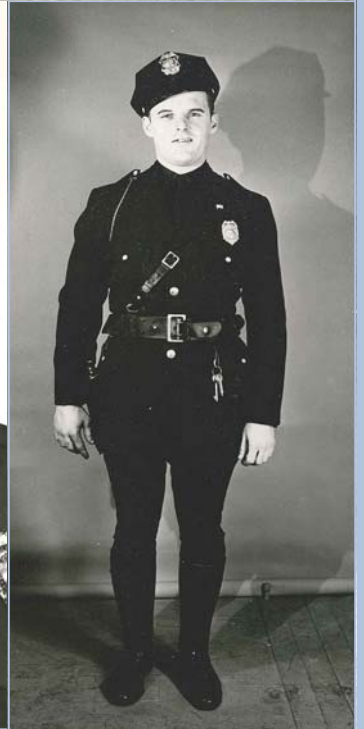

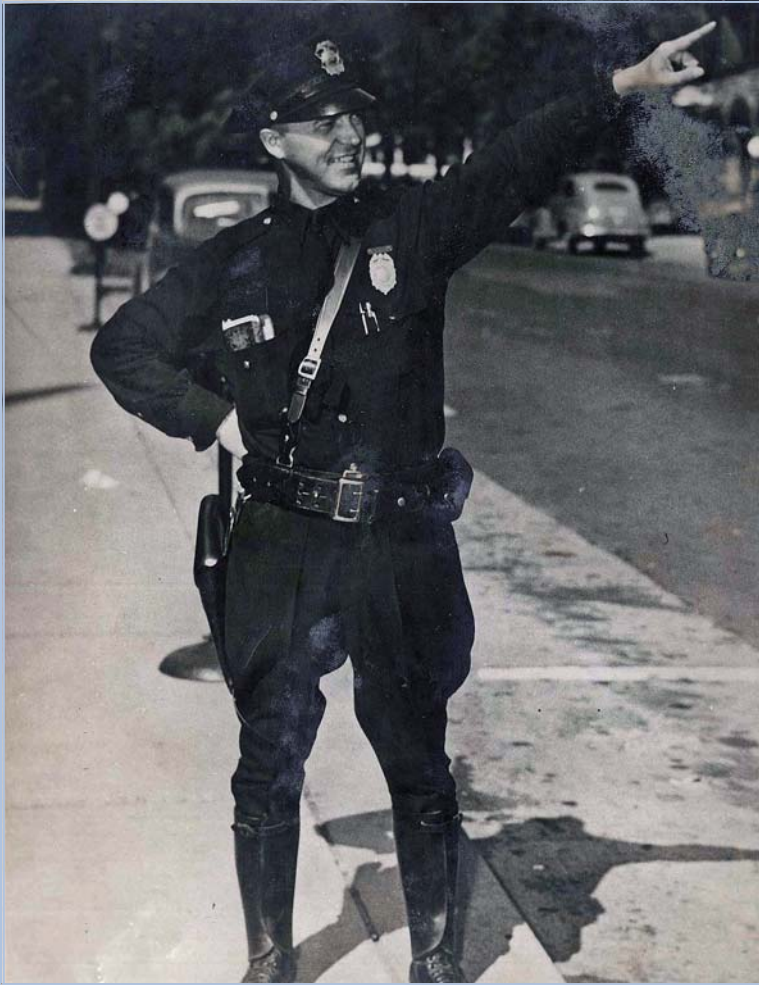

On behalf of the entire MPD family, I'd like to extend our sincere gratitude to this community for their support of our efforts in 2011. I am proud of the dedication and professionalism of the Mansfield Division of Police and look forward to continued exceptional service to the citizens we serve.

Sincerely,

A handwritten signature in black ink that reads "Dino Sgambellone". The signature is stylized with a large, looped 'D' and a cursive 'Sgambellone'.

Chief Dino Sgambellone

Top Left: Officer Frend Boals, Founder of Safety Town; Top Right: Motorcycle Unit 1956; Group picture: 1924; Lower Left: President McKinley escort 1900; Officer Ashcraft 1960's; Officer Miles 1940's-1950's

# OFFICE OF THE DEPUTY CHIEF/ SUPPORT SERVICES BUREAU

**Deputy Chief Tobie Smith**

**Office of Professional  
Standards  
Crime Analysis  
Forensic Science Section  
PSCC  
Technical Services**

## OFFICE OF PROFESSIONAL STANDARDS

Sergeant Robertson was in charge of the Office of Professional Standards during the 2011 calendar year. Due to a restructure of the Division, the Crime Analysis Unit was moved under the Office of Professional Standards from the Office of the Chief of Police. Sergeant Robertson also resumed her grant writing duties as well as managed and provided oversight for the Police Athletic League (PAL) Mentoring grant.

### *Training*

#### **In-Service:**

There were six formal In-Service trainings conducted in 2011 which included Intelligence Led Policing, Sovereign Citizens, Social Media, Insurance Fraud, Legal Updates, Missing Persons, Richland County Children Services Updates, Defensive Tactics, Annual Field Force, AR-15 Requalification, Ethics, Cultural Diversity, and Bias Based Profiling. Officers attended Annual Re-certifications on Taser, OC Spray, PR-24, ASP, Response to Resistance, Firearms Safety, and Blood Borne Pathogens.

Officers were not required to complete their CPT (Continued Professional Training) through E-OPOTA as it was cancelled for 2011 by the Attorney General.

#### **Advanced/External:**

Despite vacant positions and budgetary restraints Division personnel received over 2,000 hours of advanced training by diligently searching for free training opportunities and those with minimal costs. Officers also incurred their own expenses and did not receive any compensation in order to be able to attend advanced trainings. Topics included Street Smart Series, Survival Spanish, Carrying Weapons Undercover, Crisis Intervention Training, Defensive Tactics Instructor Course, First Line Supervision, Ohio State Patrol Leadership Program, Sex Crimes Investigation, Advanced Identity Theft/Fraud, and Hostage Negotiations.

#### **Other:**

CIT (Crisis Intervention Team) for the Mentally Ill graduated three persons in Class #14. Officers completed tri-annual Firearms Instructors Re-certification and several non-sworn civilian employees received training in computer software/programs, crime lab techniques, and Divisional In-Service trainings. The Division received an In-Service training on Intelligence Led Policing and its attributes in May. Four (4) Division officers were certified to instruct Defensive Tactics and two (2) completed Shotgun Instructor certifications.

Sergeant Robertson worked with the other Division Firearms Instructors to review current OPOTA requalification standards which will be changing in 2013. The new OPOTA firearms standards are optional for 2012 but mandatory for 2013. She also redesigned the Division's Training Evaluation form for officers and the online Citizen Survey form.

Sergeant Robertson assisted Deputy Chief Smith with the Fugitive Safe Surrender program which served as the pilot program for the State of Ohio Attorney General's Office. The program was a success with over 100 fugitives turning themselves in during the three day operation.

### *FTO/Hiring/Recruitment*

Due to budget restraints there were no new officers hired in 2011 and the Civil Service Exam, which is presently expired, was not administered. Deputy Chief Tobie Smith and Sergeant Robertson attended a recruitment meeting late in the year, in anticipation of a civil service exam in 2012.

### *Accreditation*

Deputy Chief Smith and Sergeant Robertson attended the CALEA Conference in Cincinnati in July which included several breakout training sessions to help better understand the CALEA process. Both also attended a few State of Ohio Accreditation Resource (SOAR). meetings which were scheduled throughout the state. Sergeant Robertson also began work on the re-accreditation process which is scheduled in April 2012.

### *Crime Analysis*

Beverly Lewis, Certified Crime Analyst, worked throughout the year to provide the Division with numerous reports as well as plot "Hot Spots" of high crime areas which assisted the Patrol Bureau to better allocate their resources. She also developed three new reports (Chronic Juvenile Offenders List, Violent Crime Report, and Stolen Property Report).

The Chronic Juvenile Offender List is used to assist in identifying juveniles who are repeat offenders. This enabled officers to identify problematic juvenile offenders in their Sectors. The Violent Crime Report identified and mapped areas of violent crime (Robbery, Rape, Shootings, etc.). This helped patrol target these areas as well as seek ways to positively impact the problems. The Stolen Property Report listed items stolen in areas of the city and helped to allocate patrol resources in those areas adversely affected. All of these newly developed reports enhanced crime prevention efforts by assisting patrol supervisors in allocating resources where they were needed most.

Beverly Lewis also attended several crime analysis related schools and assisted out of town instructors during an In-Service training for the Division on Intelligence Led Policing.

### *Grants*

Sergeant Robertson wrote two PAL grants (Mentoring and Leadership), one COPS Hiring Grant, and one Family Violence Liaison Officer/VAWA grant in 2011. She also assisted on the SRO grant and managed the reporting for the current PAL Mentoring grant.

Sergeant Robertson completed the year-end required Federal reporting for the current VAWA grant. She also served on the Ohio Criminal Justice Services (OCJS) grant review committee for the state of Ohio VAWA grants.

## TECHNICAL SERVICES SECTION

Sergeant Todd Newberry is responsible for the Technical Services with one assistant for Motor Maintenance duties. It provides IT Management and Support for the Division, manages the fleet, and is responsible for Division inventory control. This support is provided 24/7 and spans a broad scope inclusive of enterprise level management and planning, continuity of service, password management, and help desk assistance for users. Technical Services also monitors and maintains the Voice and Data Communications networks and the LEADS Network in the Public Safety Communications Center.

Achievements include increased familiarization and use of features available in the OSSI Suite managing Data produced by the Division, and enterprise level project planning for 2012. Technical Services responded to 680 requests provided support and service to include the Fugitive Safe Surrender program spearheaded by the Ohio Attorney General's Office.

Specifications were developed and legislation passed for the purchase of 5 new Dodge Charger Police Vehicles to be delivered in 1st Quarter 2012. Technical Services is also leading the FCC mandated Narrowband Compliance project for all Radio's and the Radio Network in service for the City of Mansfield.

## RECORDS SECTION

The Records Section was successful at maintaining a less than 1% error rate on all submissions to Office of Criminal Justice Services (OCJS) for the year of 2011. Records Section staff at the end of the year consisted of the Operations Supervisor, three Record Clerks, one Transcriber Clerk, and one Police Aide. Many positions in the section were reduced due to budget restraints.

Records Section personnel also opened, maintained, and stored criminal case jackets, maintained all criminal records, issued City chauffeur's licenses and entertainer's licenses, and performed a variety of other non-specified tasks in support of the Operations Bureaus, the Courts, City offices, and other criminal justice agencies from both local and foreign jurisdictions.

In addition to their daily work, Records Clerks performed and/or processed 18,948 miscellaneous tasks and/or documents. Records also collected \$4,994.50 in revenue from public records requests.

## PUBLIC SAFETY COMMUNICATIONS CENTER (PSCC)

The PSCC ended the year with close to 60,000 entries into the OSSI Computer Aided Dispatch system. This included 5,497 Car Stops, 38,135 Police Calls for Service, 1,922 accidents, 1,622 Fire Runs and 7,156 Squad Runs. The PSCC handles numerous informational calls, and with the increase in cell phone usage their volume of telephone calls has increased exponentially.

The PSCC also does all the Warrant and Temporary Protection Order entry for the City of Mansfield and in 2011 entered approximately 3,000 warrants. In 2011 LEADS and CCH responsibility was transferred from the Records Section to PSCC. The alarm program was addressed during 2011 and thanks to Dan Gregory, who volunteers his time, we have an accurate count of the false alarms and have begun billing offenders for misuse of their systems. Dan is now in the process of drafting the informational letter and invoice that will be sent out later in 2012 to bill for the coming alarm year. A software program that will organize and create reports on the alarm activity and that will be put in use with the 2012 alarm year which begins on March 1st. At year end, 12 dispatchers and 1 supervisor staff the PSCC.

### 2011 Grants

<u>Grant Name</u>	<u>Amount</u>
Officer Retention/Re-call	\$1,032,465.95
COPS	1,198,205.00
METRICH JAG	\$150,000.00
METRICH Drug Law Enforcement Fund	\$250,00.00
Family Violence Liaison Officer	\$45,000
Drug Use Prevention	\$18,820.50
National PAL Mentoring Recovery	\$23,900.00
National PAL Mentoring	\$13,000.00

# FORENSIC SCIENCE LABORATORY

## **ASCLD/LAB Accreditation**

The Forensic Science Section maintained national accreditation from the American Society of Crime Laboratory Directors/Laboratory Accreditation Board (ASCLD/LAB). This accreditation includes the disciplines of Biology, Controlled Substances, Latent Prints and Firearms (operability). The accreditation certificate expires on June 9, 2014.

## **Byrne Grant Award**

The Bureau of Justice Assistance (BJA) provided the FY09 Recovery Act: Edward Byrne Memorial Competitive Grant Program award of \$296,450 has been used for personnel costs and service contracts. Personnel costs for maintaining a full-time forensic scientist, DNA analyst, and forensic technician and overtime costs associated with all forensic science section disciplines. Funding has allowed proper care and maintenance of drug and biology instrumentation and has temporarily alleviated this expense from the City budget. This funding has assisted in the analysis of 385 forensic science section cases. The award was extended and is scheduled to be completed during 2012.

## **Training**

The Forensic Science Section benefited from a training grant award totaling \$21,190 from the Ohio Office of Criminal Justice Services. This funding allowed Forensic Science Section staff to attend training programs provided by the American Academy of Forensic Sciences, Midwestern Association of Forensic Scientists, Bode Technology Group, University of West Virginia, Promega and Justice Trax.

Additional no-cost training received included sessions from the National Institute of Justice, DNA Grantees meeting, FBI specialized and annual CODIS training. Funding from this award was also used for overtime costs associated with the analysis of 212 drug cases.

A new Training & Analysis grant award was received from the Ohio Office of Criminal Justice Services in the amount of \$16,549.

## **Crime Scene Unit - Processing**

Forensic Science Section staff processed items submitted from approximately 232 crime scene related investigations including three homicides.

## **Property Control Unit**

The Property Control Section executed four biohazard destroy, one drug/gun destroy, one property destroy, two conversion orders for Bicycle donations to Richland County Toy Time and several conversion and on-line auction orders administered by the Finance office. The on-line auction items generated an income in excess of \$18,000 during 2011.

The new Records Management System for Property installed in 2009 contin-

ues to create new endeavors in locating information and items submitted for storage.

## **AFIS Unit**

The AFIS Unit continues to evaluate electronic ten print and palm print submissions from arrestees at the Richland County Jail to our facility for review, processing and electronic storage. Thirty-eight fingerprint identifications were made during 2011.

## **Laboratory Unit**

### **Chemistry**

The year was spent on evaluating new "designer drugs" marketed as Bath Salts and Synthetic Cannabinoids. A local ordinance was passed to control the sale, possession and use of these substances and contact was made with state legislators in an attempt to assist state-wide efforts. The numbers of Heroin case submissions were consistent with the 2010 level. Opiate submissions were at a level equal to Cocaine. The laboratory also had a single case encounter with PCP, a drug not observed for several years. New laws were also passed eliminating the "crack cocaine" distinction while increasing required mass for possession and trafficking related offenses. This combination will result in a major decrease in Cocaine related submissions in 2012. The number of patrol submitted cases increased 39% vs. the 2010 level.

### **DNA**

Two DNA grant awards totaling \$468,819 were administered during the year. These grants provide personnel, supplies and administrative costs associated with DNA analysis.

A grant adjustment was made with funding from both the 2009 and 2010 DNA grant awards allowing the purchase of a new ABI 3500 Genetic Analyzer (\$100K). The instrument was validated and placed on-line in the summer. The instrument has the ability to perform 8 simultaneous sample analyses in the time the previous instrument would analyze a single sample.

The laboratory received \$237,476 in new grant funding from the National Institute of Justice for the 2011 DNA Backlog Reduction Program. This funding will provide for the continuation of the employment of the DNA Analyst, analyst overtime, equipment, supplies as well as funding for equipment and service contracts for the Lake County Crime Laboratory in Painesville.

DNA Grant award funding and Byrne Program income provided for the expansion of the biology section in the area of the old jail. The Biology wing opened in the first quarter of 2011 and final renovations (new equipment) were complete in December.

# MOMENTS OF OPPORTUNITY IN POLICE SERVICE

## Compliments

The Mansfield Police Division implemented the web-based Moments of Opportunity in Police Service in 2011 with the view that each citizen contact is an opportunity to win the respect, trust and support of the community. Recognizing the community is the first line of defense against crime and the most essential component in preventing it, positive citizen contacts will reinforce the community's resolve to help us develop safer neighborhoods through community partnerships and participation. A community's willingness to cooperate is born out of the level of trust, respect and support they have for their police. All police personnel can leverage public support, trust and respect by embracing and promoting enhanced customer service in policing.

### Phone call received by Chief Dino Sgambellone:

The caller stated Officer Johnson recently responded to her call and felt he did an "outstanding" job. Officer Johnson took the time to listen, was compassionate and insightful as he helped her work through the problem. The caller felt that Officer Johnson was part of what makes the Mansfield Police Department a professional organization.

### Letter Received by Chief Dino Sgambellone:

To the Police Department: I sincerely wish to congratulate on the hiring of Carolyn Young, Badge #216. I came to Mansfield to see a Dentist but couldn't find his office. After going back and forth through Mansfield I spotted this Police Car and a female officer, Carolyn Young, inside. I explained my dilemma and she immediately received information about the Dentist. She promptly said follow me and I'll take you to his door! The kindness was exceptionally heartwarming and generous. May your Department have many more and helpful officers (as I'm sure you do). So may we all love our Police Officers and pray for their courage in being in the Mansfield Police Department. Thank you.

### Letter Received by Chief Dino Sgambellone:

Dear First Responder: I'm am in the 7th grade. I go to Mansfield Christian School. I just want to thank you for all that you do. I appreciate all that you do. There are so many people who look up to you. I hope there are more of you one day. Stay safe.

## Internal Affairs Function

Complaints are normally assigned by the Office of the Chief to Section Commanders who oversee the investigation and make final recommendations as to the disposition of a complaint. In the event the complaint may require a more complex or protracted investigation, the Commander of the Special Operations Bureau is tasked with the responsibility of completing the probe and is authorized to utilize any resources necessary to complete the investigation. The Deputy Chief is the Division representative assigned to the Police Review/Community Relations Commission.

The Mansfield Division of Police handled 31 complaints in 2011, which is down eleven complaints from 2010. Of the 31, 16 were received from citizens and fifteen were internal complaints. The decrease can be attributed, in part, to more experienced officers and supervisors with the youngest officer having over three years with the department. Gaining operational control of the Public Safety Communications Center (PSCC) in 2010 has resulted in a more disciplined and professional Telecommunicator. Of the 31 complaints nine are pending review by the Police Review/Community Relations Commission. Deputy Chief Smith is the representative assigned to the Police Review/Community Relations Commission.

Of the sixteen external complaints investigated, one officer received Remedial Training and two resulted in Oral Counseling, two were Sustained, 13 Not Sustained, zero Unfounded, and one Exonerated. Of the 15 internal complaints investigated, three officers received Remedial Training, 12 oral counseling, two written reprimands, two suspensions, one termination, and one resignation (in lieu of termination). Civilian employees accounted for one resignation (in lieu of termination), one suspension, one written reprimands, and two oral counseling. 14 of internal complaints were Sustained, and one is pending.

Internal Affairs	2007	2008	2009	2010	2011
Citizen Complaint	20	37	21	27	16
Internal Complaints	17	10	11	15	15
Estimated Contacts	54,383	47,733	44,639	48,975	42,513
Complaint Ratio	2,719:1	1,290:1	2,126:1	1,814:1	2,547:1
Compliments	52	51	65	79	76

# COMMUNITY SERVICES BUREAU

**Uniform Patrol**  
**K-9 Unit**  
**Neighborhood Impact**  
**Section**  
**Traffic Section**  
**Detection Section**

**Captain Marijan Grogoza**

The Community Services Bureau and Special Operations Bureau consists of uniformed Patrol, Neighborhood Impact, the Detective Bureau, and Traffic and is under the Command of Captain Marijan Grogoza.

Almost every police call in the city is initiated within the Community Services Bureau, making it the busiest and largest in the Mansfield Police Department. Uniform patrol handles the bulk of all police activity, from minor complaints to emergency responses and everything in between. In addition, the Detective Bureau, including Major Crimes and Juvenile Crimes, has been placed under the umbrella of the Community Services Bureau, so all but a few sworn officers and supervisors on the police department work in the Community Services Bureau.

## UNIFORM PATROL SECTION

2011 Uniform Patrol Activity	1st Watch	2nd Watch	3rd Watch
Calls for Service	10,305	15,420	10,289
Felony Arrests	49	161	81
Misdemeanor Arrests	163	789	651
Felony Warrants	116	297	72
Misdemeanor Warrants	636	1225	573
OVI Arrests	8	58	72
Summons	474	1942	1248
Traffic Citations	514	1630	426
Written Warnings	181	677	217
Parking Citations	47	100	20
Traffic Crashes	474	877	176
Towed Vehicles	22	179	NA
Recovered Stolen Property Value	\$157,252	\$343,813	\$240,655

## Significant Activity

- Officers went to an address on Johns Avenue due to a subject waving a handgun around. Contact was made with the suspect as he attempted run out the side door. A consent to search was done and two handguns, 13 grams of cocaine and numerous individually wrapped packages of marijuana were found in the suspects bedroom. Also with the guns

and drugs two Halloween masks were found and a box of rubber gloves.

- Officers recovered 10 weapons including an AK47 rifle, SKS rifle, SPAS 12 shotgun, AP 9 pistol along with four other long guns/handguns and also recovered 21g of marijuana, scales and other paraphernalia from a residence on Howard Street.
- Officers responded to an Armed Robbery at an address on Lexington Avenue. A Sergeant located the suspect fleeing on Ohio Street, ordered him to stop and deployed the taser while in foot pursuit and was able to take the suspect in to custody. This occurred in a hotspot area based on the Violent Crimes /Drug Abuse Report. Officers were working the area on the PSN detail and were able to responded to the scene within 25 seconds of the dispatched call and had the suspect in custody within 2 1/2 minutes of the initial call.

## K-9 Unit

The K-9 Unit consists of two teams, Officer Hornback and canine Astor and Officer Minard and canine Tyson; both are assigned to Patrol. Lieutenant Coontz supervises the Unit and they train in narcotics detection, tracking, obedience, agility and suspect apprehension. During 2011 the teams completed five demonstrations and attended all D.A.R.E. graduations. There was one K-9 apprehension last year where a canine tracked and bit a suspect who committed theft and assault offenses. They were used 245 times for a variety of calls including tracking suspects, drug searches, and building searches, recovering 55 grams of Cocaine, 148 grams of Marijuana, nine grams of Heroin, drug money totaling \$681, and 65 items of drug paraphernalia.

## NEIGHBORHOOD IMPACT SECTION

The Community Policing/Neighborhood Impact Unit consists of four officers, Senior High School SRO Vanausdle, CP Officers Tingley and Kilgore, and DARE Officer Shay. The NIS also supervised the Auxiliary/Reserve officers and had nine meetings with them throughout the year.

The SRO officer worked from an office at the Mansfield Senior High school. Highlights of the year include the recovery of \$140 of stolen property taken from the school, arresting a student who brought two knives to school with the intention of stabbing another student, participating in the Mock Crash event, organizing the Click It or Ticket seatbelt usage campaign, confiscating a BB gun in the locker of a student who made threats with it, coordinating a K-9 drug search of the school lockers, assisting with a school lock-down after a shots-fired call in the school parking lot, recovering a stolen cell phone valued at \$500, and recovering a stolen school computer valued at \$1500. The SRO broke up and charged students for fighting several times during the year, intervened several times on students having mental or drug abuse issues, and assisted on the preliminary investigations of student sex offenses.

## TRAFFIC SECTION

The Traffic Section was under the supervision of Lieutenant Michael Higgins and consisted of Officer Brian Kerr and Parking Control Officer (PCO) Kim McBride. Officer Kerr was responsible for handling the day to day operations of the section. The Section oversaw a total of nine special events during 2011 including the Miss Ohio Festival, and the Downtown City Cruise-In. During June of 2011 the City instituted Free Fridays in the downtown area, which reduce the days for enforcement by 20%. The PCO citations declined 12.8%.

## DETECTIVE SECTION

The Detective Section falls under the Community Services Bureau of the Police Department. The Detective Bureau consists of two units, The Major Crimes Unit, and the Juvenile Unit. Assignments include two lieutenant's, one sergeant, and six investigators. The Major Crimes Lieutenant is the liaison, between the prosecutor's office, and the police department. Some 450 memorandum's have been sent to different officers by the prosecutor's office in 2011. The other lieutenant, is assigned to the U.S. Marshal's, Fugitive Task Force, and his office is located at the Richland County Sheriff's Office. The Major Crimes Unit has a sergeant and three investigator's. The Sergeant's main job during 2011, was the investigator and liaison between Children Services. One of the detectives in the Major Crimes Unit is assigned to Frauds, Scams, Embezzlement, and Forgery type cases. The remaining two detectives handle all Part One Crimes, as defined by the Uniform Crime Reporting System. Those crimes are, but not limited to, Homicide, Aggravated Robbery, Aggravated Burglary, Rape, and Abduction. There are three detectives assigned to the Juvenile Unit. These detectives spend a majority of their time locating Runaways, and investigating crimes involving juvenile defendants. One juvenile detective is assigned to day shift, and the other two are assigned to afternoons.

The Section lost the Domestic Violence Investigator, due to the Domestic Violence Grant expiration. The Detective Section worked with two less detectives in 2011 as they did in 2010.

In 2011, the Detective Section investigated three homicides. All the investigated homicides resulted in arrests. Only one of the 2011 homicides has been to trial, and in that case, two defendants were found guilty by jury, and both received lengthy prison terms for their crimes.

## Northern Ohio Violent Fugitive Task Force

The US Marshal's Northern Ohio Violent Fugitive Task Force (NOVTF) is a multi-jurisdictional task force designed to track, locate, and arrest individuals with warrants. The Task Force was created in June 2003 by the United States Marshal Service in the Northern District of Ohio. The

NOVTF's primary mission is apprehending violent fugitives wanted in the district which covers (40) Counties in Northern Ohio. The NOVTF currently consist of over 300 law enforcement officers from over 100 state and local law enforcement agencies which include Akron, Cleveland, Lorain, Richland, Toledo, and Youngstown.

The Richland Division was created in 2008 as a part time Unit and went full time in December 2009 with Mansfield Police Department and Richland County Sheriff's Office dedicating one full time Officer and several part time Task Force Officers. Lieutenant Vandayburg is assigned to the NOVTF full time. The mission remains the same tracking and apprehending violent fugitives in Richland and surrounding Counties.

The Task Force is also supported by one full time Deputy US Marshal and several part time Task Force Officers (TFO's) from other Richland County Agencies including Ontario Police, Butler Police, Shelby Police, Crestline Police, Plymouth Police, Adult Parole, Richland County Probation, City Of Mansfield Probation.

# SPECIAL INVESTIGATIONS SECTION

Reporting to the Chief of Police through Lt. Ken Coontz, Special Investigations works a multitude of cases from Internal Affairs to complex conspiracy cases.

Enforcement operations include the Richland County office of the METRICH Enforcement Unit and the Crisis Management Team which consists of the Special Weapons and Tactics Team (SWAT), the Disturbance Control Team (DCT) and the Crisis Negotiations team (CNT).

## METRICH

The METRICH Enforcement Unit, now in its 25th year, has evolved into a successful law enforcement task force through collaboration and community partnership. The unit, through long and short term investigative strategies, investigates crimes involving drug trafficking, drug abuse, weapons, gang activity, vice related crimes and others. Acting as a fusion center for Richland County, the unit maintains a substantial intel-

ligence database as well as a repository of specialized technical equipment. Through continued proactive enforcement methodologies, the task force improves the quality of life and safety of our residents.

In 2011, the METRICH Enforcement Unit in Richland County processed 247 criminal cases. Additionally, the unit conducted 48 search warrants and collected over 2305 investigative tips and leads. As part of a ten-county multi-jurisdictional task force, METRICH is able to share funding, investigative resources, technical equipment, and investigative leads to maximize the taxpayer benefit through our federal, state and local partnerships.

METRICH continues to build upon our community and social service partnerships. These partnerships included 20 demand reduction presentations, continued collaboration with Community Action for Capable Youth (CACY), the parole and probation partnership, neighborhood watch, the Northern Ohio Violent Fugitive Task Force (NOVTF) and the Northern Ohio Violent Crime Consortium (NOVCC).

Section members were recognized for their outstanding efforts during 2011. The METRICH Task Force conducted several significant cases in 2011. METRICH detectives responded to an emerging threat of synthetic drugs within Richland County. An emergency city ordinance was passed in June 2011 to combat the synthetic drug epidemic within the City of Mansfield. The ordinance has been passed to several other jurisdictions that have adopted the legislation as well. The unit was able to identify, target, and arrest the main supplier of synthetic drugs within Richland County. The arrest resulted in the seizure of cash, a 2011 Chevy Camaro, and over 5,200 unit doses of the Bath Salt drug. Prior to the arrest, the Mansfield Police Crime Lab had processed over 60 cases involving a hallucinogenic drug called MDPV (aka Bath Salt). After the arrest, the Mansfield Police Crime Lab has not processed a single case involving MDPV.

### Significant Activity

- ◆ The METRICH unit served twelve search warrants involving illegal gambling establishments. The gambling investigation resulted in several arrest and the seizure of nearly \$100,000.00 in cash.
- ◆ METRICH served a search warrant at a local hotel and arrested two Detroit dealers. Detectives recovered over 40 grams of heroin, and \$4000 worth of oxycontin pills, and \$4,500 cash.
- ◆ METRICH detectives followed up a tip about a Detroit drug dealer transporting heroin from Toledo to Mansfield. The dealer was stopped on his way back from Toledo and arrested with 40 grams of heroin.

## SWAT/ASORT

The Allied Special Operations Response Team (ASORT) and the Hostage Negotiation Team (HNT) are multi-jurisdictional teams dedicated to resolving high risk tactical operations and negotiations. ASORT is comprised of 11 team members and HNT has 4 members from the Mansfield Police Division in addition to other officers from area law enforcement.

During 2011, the ASORT responded to a total of 12 high risk calls for service. Nine of the operations were high risk drug and weapons related search warrants for the METRICH Task Force. One of the operations was a high risk weapons and gang related search warrant for the Major Crimes Unit, and two of the operations were barricade/hostage situations that began as patrol related calls for service. ASORT was able to bring the barricade/hostage situations to a successful resolve, and assisted in the recovery of heroin, cocaine, crack, bath salts, marijuana, weapons, and stolen property during the execution of the search warrants.

ASORT training consisted of 18 training days designed to test the team's training and tactics. Operators also participated in a scenario with the (HNT) where members from both teams worked in partnership to resolve a critical incident. ASORT and HNT trained together testing and familiarizing each member with the use of HNT strategy, ASORT tactics, and the application and deployment of technical devices. Additionally, ASORT trained on practical applied stress shooting improvement skills through live fire exercises involving reactionary targets and decision making. Additional training included mission deployment and tactics, tactical scouting, team communications, sniper deployment, building assaults, vehicle operations, quick action deployment (QUAD)/active shooter response, hostage rescue, and multi-assault counter-terrorism action response (MACTAC).

## AWARDS

**The Awards and Commendations Program** is established by the Mansfield Division of Police for the purpose of publicly recognizing and rewarding extraordinary, exceptional, meritorious, or conspicuously outstanding acts of heroism and other acts which are above and beyond that normally expected and which distinguish the individual among those performing similar acts. In 2011, 213 total awards were presented to the Police Officers, Police civilian employees and the general public.

During the banquet and at divisional trainings, 136 Special Commendation Certificates were awarded for an act or achievement above that which is normally required or expected, or who distinguishes himself or herself by the performance of an act that contributes to a device or method which is adopted by the Division to increase efficiency in administrative or tactical procedure.

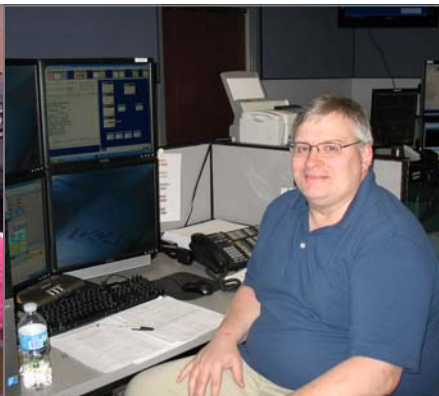

During Division trainings, 59 Letters of Recognition were awarded to active members, reserve officers, employees, or citizens who has displayed outstanding assistance toward the Division's daily mission, goals, or objectives.

In 2011, 17 Meritorious Public Service Certificates were awarded to members of the general public for an act which materially contributes to a police accomplishment in the field of Traffic Safety, Crime Prevention, or Police-Community relations.

There was One Commendation Certificate awarded to Mr. Ellis Barnett for intervening during an Attempted Rape and Kidnapping, and providing a direction of travel and a physical description of the suspect, enabling officers to apprehend the suspect which resulted in his arrest. Mr. Barnett was awarded this certificate for being a citizen who performed an act involving personal danger above and beyond that normally required or expected of a citizen.

## Richland County Chaplain Corps

2011 has been an exciting year for the Richland County Chaplain Corps. This year, Chaplains Rich Rader, Mark Dettmer, Link Briggs, and John Jorden were the RCCC

chaplains serving Mansfield Police and Fire. Our chaplains have been serving police and fire agencies throughout Richland County since 2002. This year RCCC became a new non-profit organization in the State of Ohio, and is currently pursuing 501(c)3 status with the Internal Revenue Service.

We provide chaplain associated training and programming to all Richland County Safety Service Departments free of charge. This includes training in Critical Incident Stress Management, Spiritual and Emotional Coping Skills, and Cultural Diversity, among others. Programming includes counseling services for personnel and their families, as well as special events throughout the year. Our first annual RCCC Christmas Dinner took place in 2011 and served 154 meals to all Richland County safety personnel working on Christmas Day.

In 2011, employees donated \$11,061, a 23% increase over 2010 with fewer employees.

Be the change  
you want to  
see in the  
world.

*In 2011, Mansfield Police Division Personnel  
recognized those citizens who became Volunteers in Police  
Service by donating to the Mansfield community by donating to  
the United Way. We recognize those men and women who  
believe that service is more than a job, it's a way of life.*

## Volunteers in Police Service

In 2011, seven citizens of Mansfield volunteered to sit on the Police Review and Community-Police

Relations Commission, 3,987 citizens were members of Neighborhood Watch, 38 citizens volunteered to be Neighborhood Watch Leaders.

The Fugitive Safe Surrender Program (FSS) was implemented in Mansfield over a four day period from Wednesday October 5 through Saturday October 8, 2011 at the Oasis of Love Church. Rebecca Hergett organized citizen volunteers who assisted in making the program a success.

Dan Gregory who has spend many years in the alarm industry, volunteered to assist Kay Hughes in administrating the City of Mansfield's Alarm Systems Ordinance with the goal of reducing burglary and fire false alarms.

In 2011, five Reserve and four Auxiliary Police Officers assisted Patrol in routine duties.

## SPECIAL INITIATIVES

### Mansfield Police Explorer Post 4751

The Mansfield Police Explorer Post continues to be positive program for the Mansfield Police Department. Youth membership fluctuated from a year high of 20 youth participants to a year end of 12 youth participants. In addition to the youth membership the Mansfield Police Explorer Post has eight adult leaders. Officer Paul Lumadue has been the Post Advisor for over three years with the assistance of Officer John Tingley. Officer Nelson Kilgore and Officer Stacie Garrick also assist with weekly meetings and functions of the Post. Mr. Ronald Puff has been an Adult Leader/Post Committee Chairperson for over five years and continues to be a great asset to the Post and the Mansfield Police Department.

During the past year the Explorer Post participated in 26 community service events for a total of 1,036 community service hours for the post. In addition to the Community Service the Post competed in two Regional Law Enforcement Explorer Competitions, the Explorers took 3<sup>rd</sup> place overall in the Heart of Ohio competition and received an award for Excellence in Exploring Spirit during the second competition. The Explorer Post continues to fund all its activities through the donations provided from parking vehicles at the Ohio State Reformatory Haunted Prison Experience. During September and October 2011 the Post earned \$14,581 after expenses for running this event. The money earned during this event will be used to fund the cost of attending the NLEEC National Conference as well as the regional competitions and fun activities planned for 2012 and to purchase equipment. Through fund raising efforts, the Post is able to pay for all expenses related to running the Post.

### Youth Programming

Over 1,900 youth benefited from a variety of youth programming sponsored by the Police department and managed by Division employee, Ginger Antrican. These included 240 girls' softball participants, 36 boy's Babe Ruth baseball players, 85 ACE Leadership club members, 24 PAL Leadership members,

156 Safety Town graduates, 404 Study Center attendees, 47 Boxers, 756 Basketball players, 105 football players, and 61 participants in the mentoring program.

Boxing coaches and local youth were able to attend the National PAL Boxing Nationals in Toledo, Ohio. Collaboration with Mansfield Recreation allowed area youth to participate in free girls' softball and Basketball leagues. Leadership 12 youth attended leadership workshops at the Great Wolf Lodge Kings Island. Twelve youth attended a Bullying conference in Dayton, Ohio. Mentoring (National PAL grant) hosted field trips to Malabar farm, putt-putt Dutch Heritage, Yarn and Beadshops in Wooster, and Bowling. "Chicks with Sticks" have made over 80 scarves, blankets and necklaces for family and friends. The group continues to work on a charity blanket for a local child.

During mentoring fleece blankets were made for the Domestic Violence Shelter, and hot chocolate mugs were made for Harmony House. Two fleece blankets were sent to Nationwide Children's Hospital and Bake Sales were held with proceeds going to the local Humane Society. The National Guard hosted a field trip and tour at our local National Guard, and provided a Carnival day for the youth.

Officer Jack Shay continues to provide Drug Abuse Resistance Education (DARE) curriculum to area youth. In 2011, 446 local students participated in the DARE program with another 75 attending the annual DARE Olympics.

### Honor Guard and Color Guard

Sergeant Skropits supervised the new unit and obtained donations to help purchase the uniforms and flags that they need. They appeared in five parades, one 9-1-1 ceremony and made appearances at two ceremonies for Peace Officer Memorial Week. They attended four funerals for fallen officers around the state and two funerals for local officers who passed away, Former Reserve Officer Jeff Bard and Retired Officer Harold Scott.

## OFFICER JOHN ENGLEHART JR.

KILLED IN THE LINE OF DUTY AUGUST 7, 1893

Officer John Englehart was the first officer of the Mansfield Police Department to be killed in the line of duty. On August 7, 1893 Officer Englehart was assigned to the Union Depot for security and to prevent tramps and bums from boarding the baggage cars for a free ride. In carrying out these duties, Officer Englehart positioned himself between two tracks as an Erie passenger train was loading passengers. While watching the passenger train a freight train traveling on the second track struck Officer Englehart. The projection from a freight car knocked Officer Englehart onto the track of the Erie passenger train which struck him and took his life.

Officer Englehart was a single man who contributed largely to the support of his parents. He was described as polite, genteel of good habits, of excellent character, and one who had earned the respect and good will of everyone. The local paper reported, "By the death of John Englehart, our City loses a faithful Officer and a most valuable citizen."

## LEUTENANT WILLAM J. TAYLOR

KILLED IN THE LINE OF DUTY FEBRUARY 26, 1949

On February 18th, 1949, Lieutenant William J. Taylor responded to a disturbance call at 321 East Fourth St. Lieutenant Taylor was confronted by Robert Dilgard, who was described as a crazed war veteran. Lieutenant Taylor, while attempting to disarm Dilgard was shot twice in the abdomen. A fellow officer returned fire and fatally shot Dilgard. Lieutenant Taylor died from his injuries on February 26, 1949.

Lieutenant Taylor was a WWII veteran, serving as a Boatswain's Mate 1st Class in several Pacific missions. He was described as having a friendly way and hundreds of citizens knew his smile and greeting.

Service Safety Director Earl Garrison stated, "Lieutenant Taylor was one of the finest fellows I've known in a long, long time."

## OFFICER MICHAEL HUTCHISON

KILLED IN THE LINE OF DUTY FEBRUARY 6, 1976

On February 6th, 1976 Officer Michael Hutchison was shot and killed while attempting to apprehend Charles Cotton who had tried to cash a stolen check at the T & A Market at 660 South Diamond St. Officer Roger Casler was also shot and injured during the incident.

Within minutes of the call, twenty or more Officers, Deputies and off-duty Officers were on the scene. Cotton was captured during a car stop on Interstate 71 by the Ohio State Patrol. Cotton was convicted for the murder of Officer Hutchison and remains incarcerated. Officer Hutchison was a Vietnam veteran who had served in the Navy. Chief Hildebrand characterized

Officer Hutchison as a very dedicated Officer. He was described by fellow Officers as being an excellent Officer who truly enjoyed the police profession.

## OFFICER BRIAN D. EVANS

KILLED IN THE LINE OF DUTY DECEMBER 26, 2007

On December 26, 2007, Officer Brian D. Evans was shot and killed while attempting to assist an injured resident. Officer Evans was attempting to assist a wounded neighbor of the suspect when the wife of the suspect became the object of the assailant. As Officer Evans arrived at the suspect's residence, he noticed a neighbor down in the driveway. As the wife who was sitting in a vehicle with the Officer pleaded with Officer Evans to leave and call for additional help, Officer Evans exited the vehicle and pulled the wife to the driver's side of the vehicle and ordered her to leave. Officer Evans immediately began to render help to the neighbor as the shooter appeared and began to fire an M4 rifle at the vehicle containing the suspect's wife. Officer Evans intervened long enough to distract the shooter and allow the wife to escape to safety. The vehicle was hit at least 10 times; however, the wife was unharmed. As Officer Evans tried to confront the suspect, the suspect then turned and fired on Officer Evans, killing him with one shot from the rifle. Although Officer Evans was unable to save the neighbor in the driveway who died of multiple gunshot wounds, Officer Evans' actions clearly saved the life of the suspect's wife. The suspect surrendered to authorities following a 3-hour stand-off in which nearly 80 shots were fired.

# Guiding Principles

## Vision Statement

To be a premier Law Enforcement Agency.

## Mission Statement

We are a professional law enforcement team dedicated to promoting safe, secure neighborhoods and improving the quality of life through Community Partnerships with the citizens of Mansfield.

## The Core Beliefs of the Mansfield Division of Police are:

### Integrity

The willingness to do what is right even when no one is looking. Some say integrity is a character trait, a moral compass or that inner voice. Integrity is imperative and covers many other moral traits. It is having the moral courage to do what is right even if the personal cost is high. Responsibility; a person of integrity acknowledges his or her duties and acts accordingly. Accountability is a critical part of a person with integrity; no person of integrity tries to shift the blame to others or take credit for the work of others. "The buck stops here" says it best.

### Honesty

The single most significant mark of an officer's value is to be able to admit when he/she is wrong and go forward.

### Respect

Service before self is a common phrase in public service. Genuine respect involves viewing another person as an individual of fundamental worth. A person should never be judged on the basis of their possession of an attribute that places them in some racial, ethnic, economic or gender-based category.

### Professionalism

Being professional means being punctual, courteous, prepared. Prepared in mind, body and well-groomed. It also means having and showing respect, even when challenged.

### Self-Discipline

Accountability. Members of the Division must recognize what job needs to be done, and then do that job well. Law enforcement officers have a responsibility to those they serve to be accountable for their actions.
