

# Mansfield Division of Police

Annual Report 2012

*Celebrating 75 Years of Safety Town*

*Integrity · Honesty · Respect · Professionalism · Self-Discipline*

## Message from the Chief

Dear Residents:

I am pleased to report that 2012 was an exceptional year for the Mansfield Division of Police. Although the impact of the City's economic crisis continued to present challenges through-

out the City, the Division of Police was able to sustain a high level of professional service to our citizens.

The Division lost six sworn officers through attrition, but was able to recall one officer leaving a total sworn strength of 74 at year's end, or approximately 73% of our authorized sworn strength. We did not lose any members of our non-sworn staff, although we are still at 42% of our non-sworn authorized strength.

The Division achieved re-accreditation in July with zero findings, zero non-compliance, and zero applied discretion outcomes. On the Assessment Report Summary, Team Leader D. Thomas Anderson, Captain (Ret.) stated, "The Mansfield Division of Police is a full service law enforcement agency. The agency is laboring under an extremely difficult fiscal reality which has resulted in a reduction in force. The agency has maintained a broad range of high quality services to the community through aggressive pursuit of grants, partnering with other agencies in the region and through a dedicated workforce that has responded to the challenges by taking on multiple roles within the agency. The community is supportive as evidenced by comments expressed by speakers at the Public Information Session, i.e. 'They are doing the impossible with nothing' and 'They always have smiles on their faces'. This partnering bond between community and agency has served both stakeholders well in the fiscal emergency and should be a sustaining factor as the City recovers its fiscal health."

Overall part one crime increased 6.8%, with 3257 part one crimes reported in 2011 and 3491 part

one crimes reported in 2012. Part of this increase is a result of a change in the reporting requirements as well as a rash of arsons which were interrupted after the arrest of two suspects that are now in custody.

The Mansfield Division of Police handled Thirty (30) complaints in 2012, which is down one (1) complaint from 2011. Fifteen (15) were received from citizens and fifteen (15) were internal complaints. All 2012 complaints have been reviewed by the Police Review/Community Relations Commission.

At the same time, the Division received 91 formal compliments from the public. A portion of our website, called "Moments of Opportunity in Police Service" is designed to highlight compliments received by the Division for the exceptional work they perform.

The Division was able return nearly 3% of our appropriated budget. The entire safety budget deficit was reduced nearly two million dollars and was eliminated in early 2013.

On behalf of the entire MPD family, I'd like to sincerely acknowledge the help and support of this community. Our ability to continue providing exceptional police service is in large part due to the partnerships we enjoy throughout this great city. We look forward to 2013, and are prepared to continue honoring our commitment to those we serve with Integrity, Honesty, Respect, Professionalism, and Self-Discipline.

Sincerely,

A handwritten signature in dark ink that reads "Dino Sgambellone". The signature is fluid and cursive.

Chief Dino Sgambellone

## Office of the Deputy Chief

**Deputy Chief Tobie Smith**

### Office of Professional Standards

Under the direction of Deputy Chief Tobie Smith, Sergeant Shari Robertson was in charge of the Office of Professional Standards during the 2012 calendar year. Due to a restructure of the Division, the Reserve/Auxiliary Unit was moved under the Office of Professional Standards from the Neighborhood Impact Section. Sgt. Robertson resumed her grant writing duties as well as managed and provided oversight for the Police Athletic League (PAL) Mentoring grant. Sgt. Robertson graduated from the Police Executive Leadership College (PELC). One of her PELC papers was printed in "Ohio Police Chief" magazine. Sgt. Robertson also began taking Crime Analysis certification courses.

### Training

#### In-Service:

There were six formal In-Service trainings conducted in 2012 which included Computer Forensics, Crime Lab Updates, Emergency Field Medical Kits, Accreditation Review, CIT Refresher, Legal Updates, Bed Bugs, Defensive Driving, Annual Field Force, AR-15 Requalification, Ethics, Cultural Diversity, Professional Car Stops, and Bias Based Profiling. Officers attended Annual Re-certifications on Taser, OC Spray, PR-24, ASP, Response to Resistance, Firearms Safety, Specialty/Chemical munitions, and Blood Borne Pathogens.

Officers completed Human Trafficking training through e-OPOTA using OHLEG as it was a mandatory class required by the Ohio Attorney General.

#### Advanced/External:

Despite vacant positions and budgetary restraints division personnel received over 2,000 hours of advanced training by diligently searching for free training opportunities and those with minimal costs. Topics included Street Smart Series, Survival Spanish, Flying Armed, Crisis Intervention Training, ASP Instructor Course, Taser Instructor Certification, First Line Supervision, Police Executive Leadership College (PELC), Sex Crimes Investigation, FBI's Counterterrorism Awareness Training, Ohio Terrorism Liaison Officer Train-

ing, Advanced Roadside Impairment Enforcement (ARIDE), DataMaster Intoxilyzer Operator Certification, DARE Officer Certification, Sig Sauer Armors Course, and Hostage Negotiations.

### FTO/Hiring/recruitment

Due to budget restraints there were no new officers hired in 2012, however, the Civil Service Exam was administered. Thirty-nine candidates were certified by the Civil Service Commission after passing the exam. Initial background investigations are scheduled for early 2013.

### Crime Analysis

Beverly Lewis, Certified Crime Analyst, worked throughout the year to provide the Division with numerous reports as well as plot "Hot Spots" of high crime areas which assisted the Patrol Bureau to better allocate their resources. Beverly was part of a larger group including officers, supervisors, and the Chief of Police that attended several trainings on intelligence led policing. Steps to incorporate intelligence led policing methodologies into the current crime analysis model will continue through 2013.

## Technical Services Section

The Technical Services Section was comprised of Sgt Todd Newberry with one assistant for Motor Maintenance duties. The section provided IT Management and Support for the Division, managing the fleet, and Division inventory control. This support was provided 24/7 and spanned a broad scope inclusive of enterprise level management and planning, continuity of service, password management, and help desk assistance for users. Technical Services also monitored and maintained the Voice and Data Communications networks and the LEADS Network in the Public Safety Communications Center.

Achievements for 2012 include the first comprehensive overhaul of the Radio Network used by all City Divisions at a cost in excess of \$100,000, the implementation of 5 new cruisers into the fleet, expanded access control and video services for the Division, and a major disposal of numerous vehicles and radio equipment. Sgt Newberry also was successful in the passage of legislation enabling automated speed enforcement which may be implemented in 2013. Technical Services responded to over 700 requests for support and service, directed 843 repairs to marked cruisers, 207 repairs to unmarked vehicles, and washed 488 vehicles.

## Records Section

The Records Section was successful at maintaining a less than 1% error rate on all submissions to the Office of Ohio Criminal Justice Services (OCJS) for 2012. Records Section staff at the end of the year consisted of the Operations Supervisor, (3) Record Clerks, (2) Transcriber Clerk, and (1) Police Aide.

Records Clerks processed 13,387 General Offense reports, 1,342 Traffic Crash reports, and 5,394 Citations. They handled 9,261 phone calls for service, 4,203 window customers, 50 calls for service by radio, and 1,541 requests for service from Officers on station. In addition, they processed 9,117 warrants, 1,751 pieces of incoming mail, and 9,616 Record Checks. In addition to routine daily work, Records Clerks performed and/or processed 24,841 miscellaneous tasks and/or documents. Records also collected \$ 4,758.65 in revenue from public requests.

Records Section personnel also opened, maintained, and stored criminal case jackets, maintained all criminal records, issued City chauffeur's licenses and entertainer's licenses, and performed a variety of other non-specified tasks in support of the Operations Bureaus, the Courts, City offices, and other criminal justice agencies from both local and foreign jurisdictions.

## Public Service Communications Center

The Public Safety Communications Center (PSCC) was removed from under the Division's organizational structure and placed under the control of the Safety Service Director. The PSCC began the year with thirteen dispatchers but ended the year down to eleven trained dispatchers. A total of 37,360 police calls for service and 8,889 Fire and EMS calls for service were handled. The PSCC participated in the Police Department's Re-Accreditation and also successfully completed the bi-annual LEADS audit. Work continued on a False Alarm program that was initiated in 2011, reducing alarm response by 9.3%. Budget reductions forced a new policy and shift scheduling regarding time off which resulted in a decrease amount of overtime being required.

### CALEA Accreditation

On July 21, 2012, the Commission on Accreditation for Law Enforcement Agencies Inc. (CALEA) ruled the Mansfield Police Division met more than 400 standards and had zero non-compliance issues in retaining accreditation, recognition of excellence lasting three years.

The accreditation assessment team conducted on-site inspection of all aspects of the Mansfield Division of Police's policy and procedures, management, operations and support services on April 22 and 23, 2012. "For the citizens," stated Chief Dino Sgambellone, "accreditation ensures that we provide exceptional police service while safeguarding their constitutional rights and civil liberties."

On the Assessment Report Summary, Team Leader D. Thomas Anderson, Captain (Ret.) stated, "The Mansfield Division of Police is a full service law enforcement agency. The agency is laboring under an extremely difficult fiscal reality which has resulted in a reduction in force. The agency has maintained a broad range of high quality services to the community through aggressive pursuit of grants, partnering with other agencies in the region and through a dedicated workforce that has responded to the challenges by taking on multiple roles within the agency."

**Tony Tambasco, Forensic Scientist**

The Forensic Science Section currently maintains the American Society of Crime Laboratory Directors/Laboratory Accreditation Board (ASCLD/LAB) Certificate of Accreditation number 347 in the disciplines of Controlled Substances, Biology, Latent Prints and Firearms/Toolmarks (operability only).

Controlled substance analysis was performed on 1,329 samples submitted during 2012, a 2% decrease from 2011.

## Did You Know?

During 2012 the Forensic Science Section administered four grant awards totaling \$855,475.

A total of 1,992 property control cases were opened during 2012, a 4% increase from 2011.

Laboratory Information Management System submissions increased 7% in 2012. A total of 1,245 cases were analyzed for controlled substances; latent prints (APFIS) and/or DNA. A total of 1,612 laboratory reports were issued.

DNA related analysis was performed in 323 cases in 2012, a 13% increase from 2011.

## Moments of Opportunity in Police Service

The Mansfield Police Division implemented the web-based Moments of Opportunity in Police Service in 2011 with the view that each citizen contact is an opportunity to win the respect, trust, and support of the community. The Division recognizes the community is the first line of defense against crime and the most essential component in preventing it. Positive contacts will reinforce the community's resolve to help us develop safer neighborhoods through community partnerships and participation. A community's willingness to cooperate is born out of the level of trust, respect, and support they have for their police. All police personnel can leverage public support, trust, and respect by embracing and promoting enhanced customer service in policing. In 2012 91 compliments were received which was up from 76 in 2011.

### E-Mail received by Chief Sgambellone:

In September I was the victim of a home invasion. I was terrified. The responding officer was Carolyn Young. Officer Young announced herself and took control of the situation. She and her partner secured the young man and my home. Once everything was safe she displayed a great deal of compassion and patience with me. After everything was said and done she even followed me to the home of a friend. Please take time to recognize Officer Young for her outstanding performance and support.

### Phone Call to Radio Room:

The victim of a purse snatching called to thank the officers that responded for the "great job" they did. The victim was especially impressed with Officer Kaufman because he purchased tea for her with his own money that she had gone into the store to purchase before her attack.

### Card to Chief Sgambellone:

Thank you to Chief Sgambellone, Sgt. Petrycki, and Crime Lab Director Tony Tambasco for all your compassion, support, and understanding during the death of my son. I had to do the unthinkable and go to the morgue for my son.

### E-Mail to Chief Sgambellone:

I wanted to share with you our appreciation to dispatch and Ptl. Dominga Chatman for assisting myself and my daughter this past Saturday morning with a crash report, a deer jumped out in front of her vehicle. Although this may be a small event in the grand scheme of things, we felt it important to share this positive experience with your department and our appreciation for the professionalism and kindness extended to us.

## Did You Know?

*How are complaints are handled within the Police Department?*

### Internal Affairs Function

Complaints are normally assigned by the Office of the Chief to Section Commanders who oversee the investigation and make final recommendations as to the disposition of the complaint. In the event the complaint may require a more complex or protracted investigation, the commander of the Special Operations Bureau is tasked with the responsibility of completing the probe and is authorized to utilize any resources necessary to complete the investigation. Deputy Chief Tobie Smith is the division representative assigned to the Police Review/Community Relations Commission which meets on a monthly basis.

The Mansfield Division of Police handled 30 complaints in 2012, which was down one complaint from 2011. Of the 30 complaints, fifteen were received from citizens and fifteen were internal complaints from within the division.

Of the fifteen external complaints investigated, two officers received Written Reprimands and one a Suspension, two were Sustained, eleven Not Sustained, and two were Exonerated (Proper Conduct). Of the fifteen internal complaints investigated, nine officers received Oral Counseling, four Written Reprimands, one suspension, and one resignation (in lieu of termination).

Internal Affairs	2008	2009	2010	2011	2012

## Community Services Bureau

**Captain Marijan Grogza**

The Community Services Bureau is comprised of uniformed patrol. The Special Operations Bureau includes the Detective Section. Both Bureaus were commanded by Captain Marijan Grogza.

There were three retirements from the bureau during the year, including the retirement of Lt. Allen Vandayburg, assigned to the U.S. Marshall Detail; Detective Cecil Burton, assigned to white collar crime; and Officer Brian Cassidy, assigned to Patrol. In addition, there were two resignations, Officer John Tingley, who took a job with a state agency, and Officer David Minard. During the year there were two promotions; Sergeants Snively and Stortz were promoted to the positions of Lieutenant. There were no layoffs in 2012. As of December 31, 2012, there were 13 supervisors, 45 officers, seven detectives, one civilian parking control officer and one civilian youth coordinator assigned to the Bureau, for a total of 67 employees.

During the year of 2012, the Community Services Bureau, uniform patrol officers made 364 felony arrests and 1712 misdemeanor arrests; served 606 felony warrants, 2651 misdemeanor warrants and issued 3647 summonses. Officers handled 1317 traffic crashes, issued an estimated 2388 traffic citations, made 131 O.V.I. arrests, issued 990 traffic warnings, and wrote 282 parking tickets. In addition, officers handled 35,766 calls for service and recovered \$654,900 worth of stolen property. All statistics cited in this report are from the self-tracking that the shift supervisors perform on a daily basis.

Crime increases in 2012 include an increase in burglaries and a drastic increase in the incident of arsons, mostly to vacant houses. The bureau used crime reports to target police responses, including the Top Ten Calls report, Stolen Property Report, Burglary Report, High Incident Juvenile Offenders, and special reports as needed. These crime reports helped to predict crime and allowed the shifts to target areas that needed it the most by utilizing plain clothes officers and special patrol details.

Community Services Bureau officers participated in several community events this year during their off-duty hours, including Shop with a Cop, Shop with a Hero, Special Olympics Polar Bear Plunge and Torch Run, and Police Athletic League Mentoring and Girls Leadership. In addition, the

Uniform Patrol	1st Watch	2nd Watch	3rd Watch
<b>Calls for Service</b>	<b>10,596</b>	<b>15,554</b>	<b>9,616</b>
<b>Traffic Crashes</b>	<b>435</b>	<b>701</b>	<b>181</b>
<b>O.V.I. Arrests</b>	<b>4</b>	<b>61</b>	<b>66</b>
<b>Traffic Tickets</b>	<b>567</b>	<b>1,421</b>	<b>567</b>
<b>Felony Arrests</b>	<b>59</b>	<b>209</b>	<b>96</b>
<b>Misdemeanor Arrests</b>	<b>256</b>	<b>843</b>	<b>613</b>
<b>Misdemeanor Summons</b>	<b>599</b>	<b>1,916</b>	<b>1,132</b>
<b>Felony Warrants</b>	<b>150</b>	<b>339</b>	<b>117</b>
<b>Recovered Stolen</b>	<b>\$189,000</b>	<b>\$224,971</b>	<b>\$240,929</b>

officers spent on-duty time proctoring many types of community events, including parades, special events, public appearances, and neighborhood watch meeting attendance in their assigned zone and sector areas. Other special events will be highlighted in the Community Policing area of this report.

## Bureau Highlights:

### Day Watch

The Day Watch was commanded by Lieutenant Higgins, who worked part of the year on a split shift assigned to Afternoon Watch.

Highlights for the year include the location of the father who abducted a child from a court supervised visit and the development of a supermarket robbery suspect in February. The arrest of a female stabbing suspect and a felony D.V. suspect who had an SKS rifle in March. In April, officers arrested a purse-snatcher who was chased by two citizens. In May, Day Watchers arrested two suspects who were fleeing from a burglary in progress, and recovered some of the stolen property. In June, officers arrested a man for pushing his wife out a second story window.

In July, officers arrested a subject for robbing the Circle K, caught two burglars, and responded to a roll over crash with the driver pinned. In August, officers handled a fatal crash, a bomb threat at the Volunteers of America, and a robbery. In September, a suspicious package was brought on station by the delivery driver and found to contain 25 pounds of marijuana. In October, officers arrested two suspects during burglaries in progress. In November, officers made an arrest of a burglary suspect who fled from the scene and developed information which resulted in the recovery of stolen property, drugs, pit bulls and the arrest of three suspects. In December, officers helped develop information leading to the arrest of a bank robber.

### Afternoon Watch

The Afternoon Watch was led by Lt. Higgins for the first half of the year (on a flexible schedule) and for the second half of the year by Lt. Snively.

In January, officers arrested a 13 year old for the rape of his four year old sister. In February, officers apprehended a man who robbed a supermarket, and arrested drug traffickers and seized drugs, guns and drug paraphernalia in a hotel room. In March, the shift handled a suicide on the bike trail. In April, the shift arrested a man with a rifle in a fight at Johns Park. In May, the officers investigated a shooting and were able to arrest a suspect and recover the gun. On another car stop the suspect ran and threw 50 grams of crack cocaine during the chase. In June, Afternoon Watch arrested a bur-

glary suspect who was responsible for over 20 burglaries, and recovered some stolen property.

In July, a stolen tractor, trailer and hitch were recovered and charged the suspect. In August, officers found an injured man in the roadway, who had been robbed and beaten with a pistol, and arrested the suspect. In September, a suspect was arrested and confessed to several Aggravated Burglaries and B & E's, and recovered \$6000 in cash. In October, officers responded to a shots fired and arrested a subject who was testing out a gun at a local drive-through. In November, officers located a meth lab and traced it to the location of another meth lab. In December, officers responded to a shooting and home invasion and recovered two pounds of marijuana and \$2000 in cash. In addition to the crimes highlighted, Afternoon Watch officers were busy handling many drug cases, domestic violence cases, and juvenile cases.

## Night Watch

Night Watch was commanded by Sgt. Snavelly (Acting in Command) for the first half of the year and then by Lt. Stortz for the latter portion of the year.

January highlights include an arrest for possession of crack cocaine during a car stop. In February, officers handled several bar fights and a large underage drinking party, resulting in 14 summonses and 19 warrants served. In March, officers responded to a home invasion robbery and arrested four suspects. In April, officers handled a large fight at the Masonic Temple, which was rented out for a juvenile birthday party. They also made three arrests for the B&E of some storage lockers. In May, they responded to a man run over by his girlfriend, as a result of a domestic fight. They also made several arrests for burglaries and felony domestic violence incidents. In June, they arrested two juveniles who broke the sprinkler system and caused damage at a juvenile treatment facility and they handled several large bar fights. Officers responded to a pit bull that mauled its owner, where they had to shoot and kill the dog in order to save the owner.

In July the officers located 19 grams of crack cocaine in a parking lot after a bar fight. In August, the officers handled a felonious assault where the victim was cut with a knife and another felonious assault where the victim was run over by a truck at a bar. In September, officers arrested a subject on bath salts, seized his cash, and recovered six shotguns that were stolen from a house in Huron County. In September an officer recovered a stolen vehicle, counterfeit money, and stolen property, solving a burglary in Ashland Coun-

ty. In November, officers responded to three arsons, on top of responding to arsons all summer long. They also located a suspect who attempted to sell a stolen gun to a stranger and fired a round off in front of the man. In December, officers responded to a fight and man with a gun call, where they stopped a vehicle leaving and recovered two guns stolen from another county. Throughout the entire year the shift was busy with bar fights, liquor violations, bath salts, stolen vehicles, arsons, and other violent crimes.

## Presidential Visit

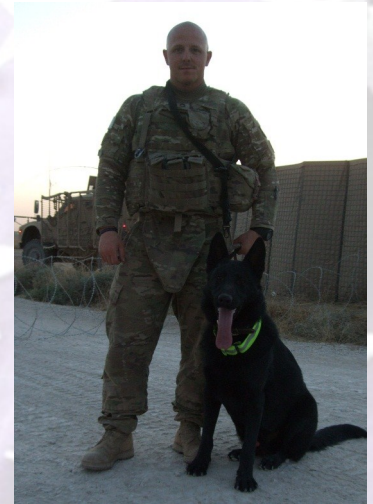

President Obama came to Mansfield for an official visit on August 1<sup>st</sup>. The police department, City department heads, area law enforcement, and Community Members all came together to ensure the President's visit was safe and coordinated. Several thousand people attended the President's speech in Downtown Mansfield.

## K-9 Unit

The K-9 Unit was supervised of Lt. Ken Coontz and contained two teams, Officer Hornback and Astor and Officer Sara Mosier-Napier and Tyson. They train bi-monthly and have their own take home cruisers. During the year they conducted several school searches, completed 11 demonstrations and D.A.R.E. graduations, and Astor competed in the U.S.P.C.A. Narcotics and Patrol trials. The dogs were used 238 times by the shifts, including 69 building searches, 15 tracks, 16 open area searches, 114 drug searches, and other violent calls. They were involved in 119 arrests and recovered 6 grams of Cocaine, 28 pounds of marijuana, 13 grams of Heroin, 40 grams of hash, and seized \$8834 of drug money.

## Active Duty

In 2012, we had several officers assigned part time with Guard and Reserve units including three officers called up for extended active duty. Officers Randy Carver and Nelson Kilgore were deployed overseas, and Officer Phil Messer Jr. attended training for the F-16. We are proud of our officers who maintain such vital roles in the security of our nation, and support them and their families as much as we can through our Military Officer Liaison program.

During 2012 the City continued Free Fridays in the downtown area, which reduced the days for enforcement by 20%. Total parking citations decrease 7.9% to 4060. The PCO citations declined 11.2%. Meter collections increased .1% to \$84,009.13 and fine collection increased 66.2% to \$42,742.00.

## Detective Section

The Detective Section is commanded by Lt. John Wendling. There are seven detectives on two shifts and one sergeant. One detective is assigned to the Domestic Violence position, which is paid for on a grant. Lt. Allen Vandayburg had been carried in the Detective Bureau while he worked the U.S. Marshal Task Force, but he retired and the position was not filled with a full time detective. Detective Cecil Burton had been assigned to Financial Crimes but he retired. The Detective Section was re-organized so that all detectives work any type of case that is assigned to them, both Juvenile and Major Crimes cases. The change was designed to more equally distribute the work load and it appears to be working well.

In 2012, the Detective Section investigated 658 cases. Detectives cleared 595 cases, by arresting 83 adults and 66 juveniles, for a total of 149 arrests and a rate of 32% cleared by arrest. There were 1002 Domestic Violence cases referred for extra follow-up to the Section. Detectives will carry over 56 cases into the new year. A new monthly reporting system was implemented, which may help the supervisors keep better track of individual detective performance.

There was one homicide in Mansfield in 2012. Brian Emrath shot his girlfriend, Rachel Keiser, twice in the head during a domestic argument. He was found guilty in a trial by jury and sentenced to 18 years in prison. There were also two homicide trials during 2012, for crimes committed in 2011. Both of the suspects were found guilty and sentenced to prison time.

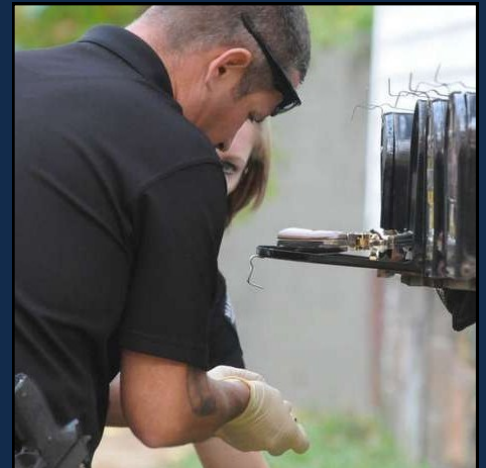

## Traffic Unit

The Traffic Section was under the supervision of Lt. Higgins who handled the daily responsibilities of the Section in addition to commanding Day Watch. PCO McBride handled the parking enforcement and meter collections.

The Section oversaw a total of six special events during 2012 including, the Miss Ohio Parade and the Holiday Parade.

The Traffic Section monitors and administers the Selective Traffic Enforcement Program (STEP) as well as the High Visibility Enforcement Overtime (HVEO) Grant, which ended on September 30, 2012. Both of these initiatives involve identifying high crash areas, through analysis; within the city and assigning directed traffic enforcement in hopes of reduce crashes. The Section also utilized the Divisions Speed trailers, another speed prevention tool, to help promote traffic awareness and education in areas of reoccurring complaints concerning speeders.

The officers worked 528 STEP details for 1588 hours of enforcement time during 2012, an increase of 16% from 2011; 2254 citations were issued, an increase of 30.8% and 719 written warning were issued, an increase of 2.7%. Officers also worked 111 HVEO details, a decrease of 34.3%. The total number of hours logged for the details was 472.75 which was a 31.3% decrease. Citations decreased 27.7% to 523 and written warnings decreased 27.4% to 230. It should be noted that the HVEO grant was operated for the first nine months of the year.

Detective Bureau	2007	2008	2009	2010	2011	2012
# Cases	1,100	979	1,157	1,509	764	658
# Adult Arrests	219	109	142	426	128	83
# Juvenile Arrests	113	113	106	108	43	66
Clearance Rate	34.5%	33%	29.7%	39.9%	34%	32%

# Safety Town Cel

## Did You Know?

A Google.com search of the term "Safety Town Program" yielded 209,000,000 results, indicating that the child safety program that started in Mansfield in 1937 by Frennd Boals has grown into one of the most sought after juvenile programs.

With lessons that are designed to influence pre-school children to make good decisions, the program has had the financial backing of area community members for many years, some of which that have put Safety Town donations in their annual budget.

In 2012, Safety Town graduated 210 students in 3 sessions.

Reporting to the Chief of Police through Lieutenant Ken Coontz, Special Investigations works a multitude of cases from Internal Affairs to complex conspiracy cases.

Enforcement operations include the Richland County office of the METRICH Enforcement Unit and the Crisis Management Team which consists of the Special Weapons and Tactics Team (SWAT), the Disturbance Control Team (DCT) and the Crisis Negotiations team (CNT).

## METRICH

The METRICH Enforcement Unit has now completed its 26th year, and has evolved into a successful law enforcement task force

through collaboration and community partnership. The unit, through long and short term investigative strategies, investigates crimes involving drug

trafficking, drug abuse, weapons, gang activity, vice related crimes and others. Acting as a fusion center for Richland County, the unit maintains a substantial intelligence database as well as a repository of specialized technical equipment.

In 2012, the METRICH Enforcement Unit in Richland County processed 215 criminal cases. Additionally, the unit conducted 79 search warrants and collected over 1761 investigative tips and leads. As part of a ten-county multi-jurisdictional task force, METRICH is able to share funding, investigative resources,

technical equipment, and investigative leads to maximize the taxpayer benefit through our federal, state and local partnerships.

This organizational structure allows task force officers to identify and respond to emerging trends and threats to community safety. For example, in 2011 the substantial increase in synthetic drug use lead to the collaborated efforts to create a local City Ordinance addressing the use and sell of such products. The ordinance was approved by city council, and officers immediately began enforcing the ordinance. The synthetic drug ordinance was effective, and was eventually shared with surrounding jurisdictions, as well as across the state.

METRICH continues to build upon our community and social service partnerships. These partnerships included 10 demand reduction presentations, continued collaboration with Community Action for Capable Youth (CACY), the parole and probation partnership, neighborhood watch, the Northern Ohio Violent Fugitive Task Force (NOVTF) and the Northern Ohio Violent Crime Consortium (NOVCC).

As we look forward to the challenges of organized criminal activity, particularly in light of a depressed economy, the METRICH Task Force can continue to multiply the taxpayer investment by providing effective and professional police services through community partnership and law enforcement collaboration.

## SWAT/ASORT

ASORT currently has 16 operators of which include a team Doctor from the staff at Med Central Mansfield Hospital. The respective operators are from 3 different departments collaborating their resources and manpower. The agencies currently providing resources are Mansfield Police Dept. with 11 operators, Richland County Sheriff's Office with 2 operators and Ontario Police Dept. with 2 operators. Ontario Police Dept. also provides a majority of the HNT resources needed for ASORT tactical operations.

During the year of 2012 the Allied Special Operations Response Team responded to a total of 14 High Risk Calls for service. Ten (10) of the operations were High Risk Drug & Weapons related search warrants for the METRICH Drug Task Force. (Richland MEU and Crawford MEU).

- One (1) of the operations was a High Risk Arrest warrant for the Mansfield Police Department Major Crimes Unit.
- Two (2) of the operations were Hostage/Barricade missions for the Richland County Sheriff's Office.
- One (1) was a High profile Dignitary Protection detail of the President of the United States.

A.S.O.R.T. team operators also participated in county wide drug sweep, which was a collaborated effort with the METRICH Drug Task Force Unit and the U.S. Marshal's Northern Violent Fugitive Task Force. This operation sought 39 defendants totaling 85 felony charges. ASORT executed two High Risk search warrants during this operation and assisted with the locating and arresting other defendants.

ASORT participated in mission deployment training, tactical scouting, team communications & movements, hostage rescue, search warrant execution and sniper deployment. The ASORT Precision marksmen team also trained an additional 12 days during 2012. ASORT snipers participated in training scenarios that utilized their marksmanship skills from 1000 yards to 25 yards.

## Neighborhood Impact Unit

Two officers were assigned to NIS, under Day Watch. Officer Kilgore was deployed to Afghanistan for most of the year and Officer Tingley took a job with B.C.I. Officer Garrick was assigned to the unit in the Spring and Officer Dominga Chatman came into the unit in late Fall. The biggest change implemented was the combination of small neighborhood watch groups into larger regional groups, in order to increase citizen attendance and decrease police manpower hours in meeting attendance. There are now four regional groups and five neighborhood groups that meet each month. The neighborhood watch membership database was updated by R.S.V.P. volunteers.

NIS officers attended 44 neighborhood watch meetings and three leaders meetings. They participated in SAMS nights and also worked some patrol hours, resulting in patrol related felony and misdemeanor arrests. In addition, the officers worked on the "Ten or More Calls a Month" location report, by meeting with businesses in order to help them find ways to reduce crime at their businesses and reduce call volume. The officers worked on numerous neighborhood problems throughout the year including codes violations, animal problems, parking, trespassing, mental illness, suspicious circumstances, graffiti, elderly issues, and other crime issues. These problems were addressed by bringing together outside agencies with the police department and other departments of the city.

In addition, the emphasis on youth programming continues, by NIS participation in the Police Explorer Post 4751 program and other youth programs. NIS officers also participated with the Police Athletic League Mentoring, Leadership and Golden Agers programs at the Friendly House. The unit re-vitalized the Citizens on Patrol Program and used the volunteers at two parades and events.

### School Resource Officer

Officer Todd Vanausdle is the S.R.O. assigned to Mansfield Senior High during the school year. He handled crimes that occurred during the school day, including possession of drugs, fights, threats, domestic violence incidents, runaways, thefts, sex offenses, suicidal students, mentally ill students and bullying. The S.R.O. made classroom presentations and met with students about their problems throughout the year.

### D.A.R.E.

Officer Jack Shay is the Drug Abuse Resistance Educator assigned to the Mansfield City Schools. During the school year of 2011 to 2012, he taught D.A.R.E. to 199 elementary and 165 middle school students in four schools, for a total of 364 graduates. Fifty students attended the D.A.R.E. Olympics held at the P.A.L. gym. Officer Shay also served on the State D.A.R.E. board as a representative of the Central District. In the fall of 2012 he added D.A.R.E. classes at the Discovery School and the Foundation Academy.

## Special Initiatives

### Richland County Chaplain Corps

2012 has been an exciting year for the Richland County Chaplain Corps. Our chaplains have been serving police and fire agencies throughout Richland County since 2002.

RCCC provide chaplain associated training and programming to all Richland County Safety Service Departments free of charge. This includes training in Critical Incident Stress Management, Spiritual and Emotional Coping Skills, and Cultural Diversity, among others. Programming includes counseling services for personnel and their families, as well as special events throughout the year. Our 2nd annual RCCC Christmas Dinner took place this year, and in partnership with Two Cousins Pizza Co., Meijer, Kroger, and a host of financial donors and volunteers, 43 deliveries were made feeding 210 Safety Forces personnel from 9 police stations, 11 fire stations, and the 179th Air National Guard.

RCCC has logged over 1000 hours of service to our forces including visits to stations, ride-a-longs, weddings, funerals, hospital visits, as well as more than 50 specific calls for service. These calls include suicide, homicide, fatal crashes, search and rescue efforts, and citizen support and transportation. Additionally, chaplains have also served by assisting with on-scene crime lab camera operation and needs for Notary Public, State of Ohio.

Chaplains Rich Rader, Mark Dettmer, Link Briggs, and John Jorden are RCCC chaplains serving Mansfield Police and Fire.

### Explorers

The Mansfield Police Explorer Post continues to be positive program for the Mansfield Police Department. Youth membership remained steady at 12 youth participants until the end of the year end when we had 2 youth participants leave the Post. The Explorer Post continues to strive to have the best quality candidates for Explorers an actively recruits throughout the year through the youth participants spreading the word of the education, training and fun they have in this Post. In addition to the youth membership the Mansfield Police Explorer Post has 5 adult leaders. Officer Paul Lumadue has been the Post Advisor for over four years with the assistance of Officer Stacie Garrick, Mr. Ronald Puff, Mrs. Tammy Puff, and Officer Dominga Chatman joined the Post in October of this year.

During the past year the Mansfield Police Explorer Post participated in 14 Community Service Events for a total of 534 community service hours for the post. In addition to the Community Service the Post competed in two Regional Law Enforcement Explorer Competitions, the Heart of Ohio Law Enforcement Explorer Competition which was held locally at Mansfield Senior High School and the Dan Beard Council, Southern Ohio Law Enforcement Explorer Competition held at Butler Tech University near Cincinnati, Ohio. The Mansfield Police Explorers took 1<sup>st</sup> place overall Championship in the Heart of Ohio competition and 2<sup>nd</sup> place in Burglary Investigation against the other 19 teams at the Dan Beard council competi-

tion. The post traveled to the 2012 NLEEC which was held at Colorado State University, Fort Collins, Colorado July 15-21, 2012. The Post looks forward to continuing its high competition standards into the coming years.

The Mansfield Police Explorer Post continues to fund all its activities through the donations provided from parking vehicles at the Ohio State Reformatory Haunted Prison Experience. During September and October 2012 the Post earned \$12,169 after expenses for running this event. The money earned during this event will be used to fund the cost of attending future competitions and fun activities planned for 2013 and 2014. The Post is able to pay for all expenses related to running the Post seeing that the youth have good equipment and fun activities to encourage the fundamentals of Exploring.

### Honor Guard/Color Guard

The Honor Guard and Color Guard represented the department for the Office of the Chief of Police in the following capacities:

#### Honor Guard

- Casket Guard for Retired Capt Mullin
- Attended Funeral for Officer Jason Gresko, Willoughby Police
- Attended the OPOTA Fallen Officer Memorial Ceremony
- Second Floor Memorial Ceremony
- Gravesite ceremony for Mansfield Fallen Officers

#### COLOR GUARD:

- Participated in the Memorial Day Parade
- OPOTA Memorial Ceremony in London, Ohio
- Labor Day Parade
- September 11th Ceremony in Crawford County

The unit received 8 Ceremonial M1 Garand rifles from the Government for use in rifle salutes at funerals or appropriate ceremony's. They were first used at the gravesite ceremony and the Color Guard uses them in the parades.

## Did You Know?

Recognizing the importance of prevention efforts in reducing juvenile crime, the Mansfield Division of Police is involved in many youth initiatives, mostly funded by grant support. The Division Youth Project Coordinator collaborates with Friendly House, Big Brothers, Big Sisters, Domestic Violence Shelter, and United Way just to name a few. The Police Athletic League activities are focused during the high youth delinquency periods of 3:00pm to 9:00pm.

Approximately 2500 youth participated in PAL activities and programs including PAL baseball, basketball, boxing, and football. These programs also included A.C.E., Leadership Club, Golden Age Club, PAL Shutterbugs and the "Chicks with Stick's Knitting Club". The PAL study centers and computer labs are equipped with educational software, homework assistance, and reading skill programs. The Division was awarded a PAL Youth Leadership Grant which was attended regularly by 53 students who did various community services around the area including, litter pick-up, gardening, senior citizen visits, and food collection. A grant was also completed and turned in for new computers for the PAL Study Center.

## OFFICER JOHN ENGLEHART JR.

**KILLED IN THE LINE OF DUTY AUGUST 7, 1893**

Officer John Englehart was the first officer of the Mansfield Police Department to be killed in the line of duty. On August 7, 1893 Officer Englehart was assigned to the Union Depot for security and to prevent tramps and bums from boarding the baggage cars for a free ride. In carrying out these duties, Officer Englehart positioned himself between two tracks as an Erie passenger train was loading passengers. While watching the passenger train a freight train traveling on the second track struck Officer Englehart. The projection from a freight car knocked Officer Englehart onto the track of the Erie passenger train which struck him and took his life.

Officer Englehart was a single man who contributed largely to the support of his parents. He was described as polite, genteel of good habits, of excellent character, and one who had earned the respect and good will of everyone. The local paper reported, "By the death of John Englehart, our City loses a faithful Officer and a most valuable citizen."

## LIEUTENANT WILLIAM J. TAYLOR

**KILLED IN THE LINE OF DUTY FEBRUARY 26, 1949**

On February 18th, 1949, Lieutenant William J. Taylor responded to a disturbance call at 321 East Fourth St. Lieutenant Taylor was confronted by Robert Dilgard, who was described as a crazed war veteran. Lieutenant Taylor, while attempting to disarm Dilgard was shot twice in the abdomen. A fellow officer returned fire and fatally shot Dilgard. Lieutenant Taylor died from his injuries on February 26, 1949.

Lieutenant Taylor was a WWII veteran, serving as a Boatswain's Mate 1st Class in several Pacific missions. He was described as having a friendly way and hundreds of citizens knew his smile and greeting.

Service Safety Director Earl Garrison stated, "Lieutenant Taylor was one of the finest fellows I've known in a long, long time."

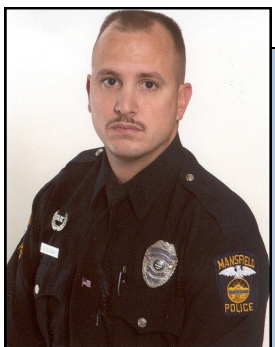

## OFFICER MICHAEL HUTCHISON

**KILLED IN THE LINE OF DUTY FEBRUARY 6, 1976**

On February 6th, 1976 Officer Michael Hutchison was shot and killed while attempting to apprehend Charles Cotton who had tried to cash a stolen check at the T & A Market at 660 South Diamond St. Officer Roger Casler was also shot and injured during the incident.

Within minutes of the call, twenty or more Officers, Deputies and off-duty Officers were on the scene. Cotton was captured during a car stop on Interstate 71 by the Ohio State Patrol. Cotton was convicted for the murder of Officer Hutchison and remains incarcerated. Officer Hutchison was a Vietnam veteran who had served in the Navy. Chief Hil-

debrand characterized Officer Hutchison as a very dedicated Officer. He was described by fellow Officers as being an excellent Officer who truly enjoyed the police profession.

## OFFICER BRIAN D. EVANS

**KILLED IN THE LINE OF DUTY DECEMBER 26, 2007**

On December 26, 2007, Officer Brian D. Evans was shot and killed while attempting to assist an injured resident. Officer Evans was attempting to assist a wounded neighbor of the suspect when the wife of the suspect became the object of the assailant. As Officer Evans arrived at the suspect's residence, he noticed a neighbor down in the driveway. As the wife who was sitting in a vehicle with the Officer pleaded with Officer Evans to leave and call for additional help, Officer Evans exited the vehicle and pulled the wife to the driver's side of the vehicle and ordered her to leave. Officer Evans immediately began to render help to the neighbor as the shooter appeared and began to fire an M4 rifle at the vehicle containing the suspect's wife. Officer Evans intervened long enough to distract the shooter and allow the wife to

escape to safety. The vehicle was hit at least 10 times; however, the wife was unharmed. As Officer Evans tried to confront the suspect, the suspect then turned and fired on Officer Evans, killing him with one shot from the rifle. Although Officer Evans was unable to save the neighbor in the driveway who died of multiple gunshot wounds, Officer Evans' actions clearly saved the life of the suspect's wife. The suspect surrendered to authorities following a 3-hour stand-off in which nearly 80 shots were fired.
